Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Home Savings Bank 401(k) Savings Plan as of December 31, 2018 and 2017, and the changes in net assets available for benefits for the year ended December 31, 2018 in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information included in the 2018 supplemental Schedule G, Part III – Nonexempt Transactions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—DESCRIPTION OF PLAN

The following description of Home Savings Bank 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete description of the Plan's provisions.

General: Home Savings Bank (the Company) established the Plan effective January 1, 1993. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). Employees of the Company are eligible to become a participant in the Plan on their date of hire if not a member of a union with which the Company has a collective bargaining agreement, a nonresident alien, a leased employee, a limited service employee or a seasonal employee.

On January 31, 2017, United Community Financial Corp. (UCFC) completed an acquisition of Ohio Legacy Corp. (OLCB) pursuant to the terms and conditions of the Agreement and Plan of Merger, dated as of September 8, 2016 by and among UCFC, The Home Savings and Loan Company of Youngstown, Ohio (Home Savings), OLCB and Premier Bank & Trust (Merger Agreement). Pursuant to the terms of the Merger Agreement, OLCB was merged with and into UCFC. Immediately following the merger, Home Savings was merged with and into Premier Bank & Trust, a subsidiary of OLCB, and changed its name to Home Savings Bank.

Effective February 1, 2017, because of the name change of the Company, the Plan's name changed from The Home Savings & Loan Company 401(k) Savings Plan to Home Savings Bank 401(k) Savings Plan.

Contributions: Participants may authorize up to 100% of their annual pretax compensation, subject to Internal Revenue Code limitations, to be withheld by the Company through payroll deductions. The Plan also allows any participant who has attained age 50 by the end of the Plan year to make catch-up contributions in accordance with Code Section 414(v). The Company may make a matching contribution based on a percentage of participant contributions, as determined each year by the Company. For 2018, the Company matched 50% up to the first 6% of the participant compensation deferred. Additional amounts may be contributed at the option of the Company and are subject to certain limitations. There were no such additional contributions made for the 2018 Plan year.

Rollover Contributions: The Plan permits participants, upon being eligible to become a participant in the Plan, to rollover into the Plan vested balances of a previous employer's retirement plan accounts.

Participant Accounts: Each participant account is credited with the participant's contribution and an allocation of (a) the Company's contributions, (b) net investment earnings, and (c) forfeitures. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to any of the investment options available under the Plan, including common stock of UCFC, the Company's parent.

NOTE 1—DESCRIPTION OF PLAN (CONTINUED)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Any employer contributions vest accordingly to the following schedule:

Years of Service	Vest %
Less than 1	0%
1	0%
2	0%
3	100%

Forfeited Accounts: These accounts are first used to restore the previously forfeited account balances of qualifying participants that resume employment with the Company. Any remaining forfeitures are used to reduce future Company contributions or are used to pay administrative expenses. During 2018, no forfeitures were used to reduce employer contributions. During 2018, forfeitures aggregating \$29,238 were used to pay plan expenses. The remaining balances of forfeitures available as of December 31, 2018 and 2017 were \$8,601 and \$15,276, respectively.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Payment of Benefits: Participants who have attained age 59-1/2 may elect to withdraw all or part of the value of the participant's vested account balance. Withdrawals can also be made at any time if an employee encounters a severe financial hardship. Vested amounts are distributed to participants upon request. Participants may receive their distribution either in a lump sum payment or in installment payments.

Notes Receivable from Participants: Participants may borrow from their fund accounts up to \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a fixed interest rate at the prime rate plus 1% as of the beginning of the quarter. The beginning interest rate is not reset. Principal and interest are paid through payroll deductions.

Change in Trustee: On November 30, 2017, UCFC announced the transition of Trustee and Investment Advisor responsibility for the Home Savings Bank 401(k) Savings Plan to Home Savings' Premier Wealth Management Division, replacing Broadridge Matrix as Plan Trustee and UBS Financial Services as Investment Advisor. The effective date of this transition was October 1, 2017.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP).

Investment Valuation and Income Recognition: Other than the fully benefit-responsive contract, which is reported at contract value, the Plan's investments are stated at fair value (see Note 4). Contract value is the relevant measure for the Plan's fully benefit responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income on notes receivables from participants is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Estimates: The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures and actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Risk and Uncertainties: The Plan provides for various investment options including any combination of certain mutual funds, a stable value fund, a guaranteed investment contract and common stock of the parent of the Company, UCFC. The underlying investments are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participants' individual account balances.

Concentration of Credit Risk: At December 31, 2018 and 2017, approximately 22% and 23%, respectively, of the Plan's assets were invested in UCFC common stock.

NOTE 3—RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

NOTE 4—FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Accounting guidance establishes a fair value hierarchy, which requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) or identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The descriptions of the valuation methods and assumptions used by the Plan to estimate the fair value of investments are as follows:

Common stock: The fair value is determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Registered investment companies: The fair values of registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Stable value fund: The net asset value, as reported by the fund manager, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported asset value. Participant transactions

(purchases and sales) may occur daily. If the plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner. Plan sponsor initiated withdrawals from the Wilmington Trust Retirement and Institutional Services Company Collective Investment Trust III requires a 60-day notification and could be subject to a market value adjustment.

During 2018, the fund was redeemed with proper notification being made. No market value adjustment was required.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent), and were measured this way as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5—INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2018, the Plan entered into a fully benefit-responsive group annuity contract with the Standard Insurance Company by investing in the Standard Stable Asset Fund. The Standard Insurance Company maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the Standard Insurance Company.

The fully benefit-responsive group annuity contract is a traditional contract, whereby the Plan owns only the contract itself. Contract value at December 31, 2018 totaled \$1,954,836.

The Plan's investment contract specifies that generally there are not any events that could limit the ability of the Plan to transact at contract value paid within 30 days or, in rare circumstances, contract value paid over time. There are not any events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than contract value paid within 30 days or over time. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

The crediting interest rate of the contract is based on an agreed-upon formula with the Standard Insurance Company, as defined in the contract agreement, but cannot be less than 1.0%. Such interest rates are reviewed on a quarterly basis for resetting. The key factors that influence future crediting rates could include the following: current economic and market conditions; the level of market interest rates; and both the expected and actual experience of a reference portfolio within the Standard Insurance Company's general account.

NOTE 6—PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. Certain administrative functions are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan for administrative functions he or she performs. Home Savings' Premier Wealth Management Division (HSB Wealth) provides trustee and investment advisory services to the Plan. During 2018, no fees were paid by the Plan for these services. The Plan holds shares of UCFC Stock of which there were \$225,247 cash dividends paid during 2018. The Plan held 835,544 shares of UCFC Stock at December 31, 2018 valued at \$7,394,564 and 878,843 shares valued at \$8,023,837 at December 31, 2017. NOTE 7—TAX STATUS

The Internal Revenue Service issued an opinion letter dated March 31, 2014, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2015.
