Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements

December 31, 2018

1. Summary of Plan

The Jo-Ann Stores, LLC 401(k) Savings Plan (the Plan) was originally adopted as of September 1, 1974, and has been amended on occasion in order to, among other things, maintain compliance with the requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

On January 24, 2014, Jo-Ann Stores, Inc. changed its name to Jo-Ann Stores, LLC and converted from an Ohio corporation to an Ohio limited liability company. As a result, the Plan name was changed to Jo-Ann Stores, LLC 401(k) Savings Plan.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor, Jo-Ann Stores, LLC (the Company).

The Jo-Ann Stores, LLC Plan Advisory Committee (the Committee) is responsible for the general administration of the Plan. T. Rowe Price (TRP) is the trustee and recordkeeper of the Plan. The Committee consists of no fewer than three members, who may, but need not be, directors, officers, or employees of the Company or any subsidiary or affiliate. The Plan is subject to the provisions of ERISA.

Eligibility

The Plan, as amended, is a defined contribution plan which covers all active employees of the Company and its wholly owned subsidiaries upon employment. Full-time (exempt), part-time, and seasonal employees of any age are all eligible to participate. However, leased employees, nonresident aliens, and members of a recognized collective bargaining organization are excluded from participating in the Plan.

Participant Contributions

Plan participants may elect to defer up to 50% of their compensation, subject to an annual limitation under the Internal Revenue Code (the Code), and such amounts will be contributed to the Plan by the Company as deferred income contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, subject to statutory limitations. Participants may also contribute amounts representing distributions from other qualified plans.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

1. Summary of Plan (continued)

Employer Matching Contributions

The Company will contribute to the Plan as a matching contribution, subject to the forfeiture provision outlined below, an adjustable percentage of the deferred income contributions made by participants (up to a 6% employee deferred income contribution). These contributions are allocated among eligible participants in proportion to the deferred income contributions made on their behalf for such period and credited to their separate accounts.

The Company's matching contribution is currently 50% of the first 6% contributed by participants. The match is in the form of cash and is invested at the direction of the participant. Any discretionary contributions made by the Company are also invested at the direction of the participant. The Company did not make any discretionary contributions during 2018 or 2017.

Company contributions are funded only to the extent that they exceed cumulative forfeitures of unvested employer contributions of participants terminated from the Plan. The total amount of forfeitures as of December 31, 2018 and 2017 were \$347,267 and \$135,923 respectively. Forfeitures in the amount of \$159,061 and \$135,905 were utilized to reduce company contributions during 2018 and 2017, respectively. Unallocated forfeitures as of December 31, 2018 and 2017 were \$11,353 and \$10,027 respectively. The unallocated forfeitures as of December 31, 2018, may be used to reduce company contributions in future years. Any remaining forfeitures may be applied to payment of plan administration fees.

Investment of Employee Contributions

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participant's elective contributions. There is risk of loss with each investment option, although the degree varies by the nature of the investment. None of the investment options provide for any guarantee against loss. Participants should refer to the plan document for a more complete description of the Plan's investment options. Contributions are invested in 1% increments, up to 100%, in the investment options.

1. Summary of Plan (continued)

Participants' Accounts

Each participant's account is credited with the participant's deferred income contributions, the Company's matching contribution and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of his or her respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Requirements

Participants' deferred income contributions, together with earnings thereon, vest immediately. All company contributions, plus earnings thereon, vest over a four-year period as follows:

Years of Service	Vested Percentage
Less than one	0%
One	0%
Two	33%
Three	67%
Four	100%

A participant's entire interest in the Plan becomes fully vested upon his or her death while employed, attainment of age 65, or permanent and total disability. Upon termination of employment, participants forfeit their non-vested balances.

Benefit Payments

Upon termination of service for any reason, a participant may elect to receive the value of the participant's vested interest in his or her account as a lump-sum distribution or rollover the value into an individual IRA. However, a lump-sum distribution is required if the vested balance is \$5,000 or less.

Prior to termination of employment or age 59½, contributions may only be withdrawn in the event of financial hardship as defined by the Code.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

1. Summary of Plan (continued)

Participant Loans

Participants may borrow against their vested balances pursuant to the loan provisions of the Plan. The maximum loan amount available to a participant is 50% of his or her vested account balance, but not to exceed \$50,000. The maximum term of a loan is five years, except if the loan is for the purchase of a dwelling that will be the participant's primary residence, for which the maximum term is 15 years. Participant loans are repaid through payroll deductions, with the interest rate fixed at the prime rate plus 1% at the time of the inception of the loan. The interest rates on participant loans outstanding at December 31, 2018 and 2017 were 4.25%-6.50% and 4.25%-5.50%, respectively. Participant loans outstanding were \$2,431,489 and \$2,319,354 at December 31, 2018 and 2017, respectively. Interest income on participant loans was \$121,415 for the Plan year ended December 31, 2018.

Delinquent participant loans are considered in default pursuant to provisions of the Plan. If a participant does not have a current distribution triggering event (termination, permanent disability, in-service withdrawal, etc.), the defaulted loan and outstanding interest is formally treated as being distributed to the participant, or a deemed distribution under the Plan. In the presence of a distribution-triggering event, the defaulted loan and outstanding interest is deducted from the participant's account, is treated as a loan offset, and therefore is no longer eligible for distribution or rollover. Under a deemed distribution, no additional funds are distributed from the assets of the Plan.

Administrative Expenses

Generally, costs incidental to the purchase and sale of securities, such as brokerage commissions and stock transfer taxes, are paid by the respective funds. Other costs and expenses incurred in administering the Plan, including fees of the asset custodian, are generally paid by the Plan. At the discretion of the Company, certain plan expenses, such as audit fees and database access fees, are paid by the Company. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company, with the approval of the Board of Managers, has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017.

Valuation of Investments and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Committee is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments.

Payment of Benefits

Benefits are recorded when paid.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

New Accounting Pronouncements

In July 2018, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update No. 2018-09, *Codification Improvements*. The amendment to Subtopic 962-325, Plan Accounting, Defined Contribution Pension Plans, Investment, Others, was updated to clarify that a plan should evaluate if a readily determinable fair value exists for stable value common collective trust funds, or if those investments qualify for the practical expedient to be measured at net asset value. This amendment is effective on January 1, 2020 on a modified retrospective approach and is not expected to have a material impact on the Plan’s financial statements.

On August 28, 2018, the Financial Accounting Standards Board issued Accounting Standard Update (“ASU”) 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The guidance eliminates, adds and modifies certain disclosure requirements for fair value measurements. Entities will no longer be required to disclose the amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy. The guidance also modifies certain disclosure requirements for nonpublic entities to make them less burdensome. This ASU is effective on January 1, 2020 with early adoption permitted for any removed or modified disclosures and delayed adoption of additional disclosures until their effective dates. The new disclosure requirements should be adopted prospectively, while all other amendments should be applied retrospectively. This amendment is effective on January 1, 2020 on a modified retrospective approach and is not expected to have a material impact on the Plan’s financial statements.

3. Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2018 and 2017; and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2017, was obtained or derived from information provided to the plan sponsor and certified as complete and accurate by the trustee of the Plan, T. Rowe Price.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Fair value is based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access at the measurement date.

Level 2 – Fair value is based on inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liability (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived from or corroborated by observable market data by correlation or other means

Level 3 – Fair value is based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable. These inputs reflect management's judgment about the assumptions that a market participant would use in pricing the investment and are based on the best available information, some of which may be internally developed.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan:

Mutual Funds: valued at quoted active market prices, which represent the net asset value (NAV) of shares held by the Plan at year end.

Common/Collective Trust Funds: valued at fair value estimated by the issuer, which has been determined based on the NAV of the fund, which is determined by dividing the fund's net assets at fair value (based on the fair value of the fund's underlying investments) by its units outstanding at the valuation date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value:

	Level 1	Level 2	Level 3	Total
Assets at fair value as of December 31, 2018				
Mutual Funds	<u>\$ 124,099,692</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 124,099,692</u>
Common/Collective Trust Funds measured at net asset value:				
Stable Value Common Trust Fund ^(a)				<u>14,895,528</u>
Total assets at fair value				<u><u>\$ 138,995,221</u></u>

- ^(a) The TRP Stable Value Fund's investment strategy is to invest in a combination of guaranteed investment contracts (GICs); bank investment contracts (BICs); synthetic investment contracts (SICs); and separate account contracts (SACs). GICs, BICs, SICs and SACs are all designed to provide principal stability and a competitive yield. The weighted average maturity of the TRP Stable Value Fund was 2.85 years as of December 31, 2018. There are no redemption restrictions upon which the participant may redeem investments in the fund; however, the Plan is required to provide at least a one-year redemption notice to liquidate its entire share in the fund.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

	Level 1	Level 2	Level 3	Total
Assets at fair value as of December 31, 2017				
Mutual Funds	<u>\$ 131,698,710</u>	<u>\$ –</u>	<u>\$ –</u>	<u>\$ 131,698,710</u>
Common/Collective Trust Funds measured at net asset value: Stable Value Common Trust Fund ^(a)				<u>13,616,908</u>
Total assets at fair value				<u><u>\$ 145,315,618</u></u>

- (a) The TRP Stable Value Common Trust Fund's strategy is to invest in a combination of guaranteed investment contracts (GICs), bank investment contracts (BICs), synthetic investment contracts (SICs), and separate account contracts (SACs). The GICs, BICs, SICs, and SACs are all designed to provide principal stability and a competitive yield. The weighted average maturity of the Stable Value Common Trust Fund was 3.13 years at December 31, 2017. There are no redemption restrictions upon which the participants may redeem investments in the fund; however, the Plan is required to provide at least a one-year redemption notice to liquidate its entire share in the fund.

5. Tax Status

The underlying volume submitter plan has received an advisory letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the plan is qualified under Section 401 of the Internal Revenue Code (the Code), and, therefore, the related trust is tax exempt. The plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter plan advisory letter. Once qualified, the plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the plan is qualified and the related trust is tax exempt.

Jo-Ann Stores, LLC 401(k) Savings Plan

Notes to Financial Statements (continued)

5. Tax Status (continued)

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

7. Related-Party and Party-In-Interest Transactions

The Plan holds units of common/collective trust funds managed by T. Rowe Price, the administrator of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

8. Subsequent Events

The Company reviewed subsequent events through July 25, 2019, which is the date the accompanying financial statements were issued.
