INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
SCI 401(k) RETIREMENT PLAN
Austin, Texas

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of SCI 401(k) Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Minnesota Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of or for the year ended December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1: Description of the Plan

The following description of the SCI 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan was established on June 1, 2015 through the transfer of assets from a separate qualified plan. The Plan is offered to all eligible employees of SCI Acquisitions Co., Inc. and Subsidiaries (collectively referred to as "the Company").

General

The Plan is a defined contribution plan covering all eligible employees of the Company. All Company employees are eligible to participate in the Plan if they meet the requirements of being at least 21 years of age and been credited with three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the federal maximum, as defined by the Plan. Participants may make pretax deferrals and Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company may elect to make discretionary matching contributions equal to a discretionary percentage of a participant's elective deferrals during each Plan year. The Company may also make employer profit sharing contributions in an amount determined by the Board of Directors for each plan year. For the year ended December 31, 2018, the Company made a discretionary matching contribution of $72,467. The Company did not make any discretionary profit sharing contributions for the year ended December 31, 2018.

Participant Accounts

Each participant's account is credited/debited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings/losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Description of the Plan, Continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in the Company's discretionary and profit sharing matching contributions plus actual earnings thereon based on years of continuous service. A participant begins vesting at 20% per year, beginning in the first year of service, and each year after, until the participant is 100% vested in the Company's discretionary and profit sharing matching contributions after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum equal to $1,000 and a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The transactions are treated as a transfer to (from) the investment fund from (to) the participant notes receivable. The terms of the notes receivable range up to five years or more for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest is paid ratably through payroll deductions. An outstanding note receivable can be paid in full, at any time and can be refinanced, however, only one note receivable may be outstanding at any time.

Investment Options

The Plan provides participants with several investment options. These options consist of various pooled separate accounts and a Minnesota Life Guaranteed Return Account. Plan participants may direct the change of their investments in accordance with the Plan guidelines.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive or rollover into a qualified plan the for value of the vested interest in his or her account as a lump-sum distribution, net of tax withholdings, if applicable. The Plan allows for in-service withdrawals by participants who have attained the normal retirement age of 59 ½. A participant may also receive hardship withdrawals, subject to certain limitations, as defined in the Plan document.

Forfeitures

Forfeitures are made available to pay administrative expenses and reduce employer contributions under the Plan. During the year ended December 31, 2018, $5,330 of forfeitures were used by the Plan for administrative expenses.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except the fully benefit responsive contract which is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Pooled separate accounts are valued based on the net asset value (NAV).

The Plan has a contract with an insurance company. This contract, the Minnesota Life Guaranteed Return Account (GRA), is a fully benefit-responsive contract and has no stated maturity date. A fully benefit-responsive contract provides a stated return on principal invested over a specified period and permits withdrawals at contract value for benefit payments, loans, or transfers. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Contract value is the relevant form of measurement for the portion of investments that are considered fully benefit-responsive, as it represents the amount that participants would receive if they were to initiate a permitted transaction under the terms of the Plan. As such, the fully benefit-responsive contract is included in the financial statements at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Note 2: Summary of Significant Accounting Policies, Continued

Plan Administrative Expenses

Administrative expenses are paid by the Company. Certain administrative processing fees are charged to the participants and therefore, are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses.

Financial Statement Presentation

Certain amounts in the 2017 financial statements have been reclassified to conform to the 2018 presentation.

Note 3: Information Certified by the Plan's Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life Insurance Company (MLIC), the Plan's custodian, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2018 and 2017.
- Net depreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2018, as included on the statement of changes in net assets available for benefits.
- The schedule of assets (held at end of year) as of December 31, 2018, as shown on Schedule H, Line 4i.

At the request of the plan administrator, the Plan's independent certified public accountants did not perform procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule. All other information has been audited in accordance with auditing standards generally accepted in the United States of America.

Note 4: Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). There are three levels of the fair value hierarchy under FASB ASC 820. Level 1 inputs are quoted market prices in active markets for identical investments that the Plan has the ability to access at the measurement date. Level 2 inputs are inputs

Note 4: Fair Value Measurement, Continued

other than quoted market prices included within Level 1 that are observable for the Plan's investments, either directly or indirectly. Level 3 inputs are unobservable inputs for the Plan's investments.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Pooled Separate Accounts - Separate accounts are valued at NAV of units held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The separate accounts are either invested in registered mutual funds that are traded in active markets or are invested in non-registered collective investment funds. The investment objectives and underlying investments of the separate accounts vary with some holding diversified portfolios of domestic or international stocks and mutual funds, some holding securities of U.S. companies in a particular industry sector, some holding public and private corporate bonds, commercial and residential mortgages, and others holding specific mutual funds. There were no unfunded commitments and the investment can be redeemed on a daily basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan held pooled separate accounts in the amount of $1,262,613 and $1,070,215 as of December 31, 2018 and 2017, respectively. The Plan also held investments in a Guaranteed Return Account of $18,435 and $11,265 as of December 31, 2018 and 2017, respectively.

Note 5: Guaranteed Return Account with Insurance Company

At December 31, 2018 and 2017, the Plan has a fully benefit-responsive investment contract with MLIC. Pursuant to this contract, MLIC maintains a Guaranteed Return Account (GRA) as an investment option for the Plan. Funds in the GRA represent investments in the general assets of MLIC which consist predominately of fixed income investments (bonds, mortgages, private placements) and are high quality. Payment of principal and interest is guaranteed by MLIC, subject to a market value adjustment if the contract is terminated by the Plan. The GRA is credited with contributions and interest earnings and is charged for participant withdrawals and administrative expenses. The interest crediting rate for the GRA is set by MLIC based on historical contributions and withdrawals, and current market conditions. The rate is adjusted quarterly but cannot be less than an annualized rate of 1.50%. The average crediting rate for the years ended December 31, 2018 and 2017 were 1.14 and 1.05%, respectively.

The GRA is included in the Plan's financial statements at contract value as reported to the Plan by MLIC. Contract value represents contributions made pursuant to the contract, plus interest earned, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of MLIC or otherwise. MLIC may terminate the investment contract if the Plan is 1) no longer deemed to be a "qualified plan" under the Internal Revenue code; 2) is terminated; 3) is changed such that MLIC determines that the contract must be modified and the custodians of the Plan do not consent to such modifications. The plan administrator considers the occurrence of such events to be not probable.

Note 6: Party-in-interest Transactions

Certain Plan investments are managed by MLIC, the custodian as defined by the Plan, and is a party-in-interest. The Plan incurred certain MLIC administrative fees of $12,340 for the year ended December 31, 2018. The Company pays any other fees related to the Plan's operations.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all their employer contributions.

Note 8: Tax Status

The Plan has adopted a MLIC Prototype 401(k) Plan that the Internal Revenue Service (IRS) approved by a letter dated March 31, 2014. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Tax Status, Continued

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and believes there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10: Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2018 to schedule H of the Form 5500:

Net assets available for benefits per the financial statements	$ 1,416,327
Add: Excess contributions payable	7,277
Less: Employer contributions receivable	(72,467)
Net assets available for benefits per the Form 5500	$ 1,351,137

The following is a reconciliation of contributions received per the financial statements at December 31, 2018 to Schedule H of Form 5500:

Contributions per the financial statements	$ 496,434
Add: Employer contributions received in 2017	59,474
Less: Employer contributions received in 2018	(72,467)
Contributions received per the Form 5500	$ 483,441

Note 11: Subsequent Events

Subsequent events were evaluated through August 29, 2019, which is the date the financial statements were available to be issued.

August 29, 2019

To the Administrative Committee of
SCI 401(k) RETIREMENT PLAN
Austin, Texas

We have conducted a DOL limited-scope audit of the financial statements of SCI 401(k) Retirement Plan (the Plan) for the year ended December 31, 2018, and have issued our report thereon dated August 29, 2019. As permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 17, 2019. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2018. We noted no transactions entered into by the Plan during the year for which there is lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of the investments is based on valuations performed on those investments by a third-party. The Plan evaluated the key factors and assumptions used to develop the fair value of these investments in determining that their fair value is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. To our knowledge, there were no such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 29, 2019.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the administrative committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
