INTEGRITY APPLICATIONS INCORPORATED 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

Note 1—Description of Plan

The following description of the Integrity Applications Incorporated 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended and restated, for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan intended to qualify under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of Integrity Applications Incorporated and its wholly owned subsidiaries, except Dependable Global Solutions, Inc. (the Company or Plan Sponsor), and interns. There is no minimum age or length of service requirement to participate in the Plan.

The Plan was established on January 1, 1999; it was amended and restated effective January 1, 2015, primarily to make the Plan compliant with legislative and regulatory changes. The Plan was recently amended in 2018 to, among other matters, include overtime in the definition of compensation effective January 1, 2014 as well as to update the Plan Sponsor name to IAI, LLC (during 2018, the Plan Sponsor was renamed IAI, LLC).

As of December 31, 2016, the Plan had appointed four employees of the Company to act as trustees of the Plan. During 2017, those four employees were replaced with two new trustees who are also employees of the Company.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

Participant Contributions – Participants may make salary deferral contributions, including “catch-up” contributions if they qualify, subject to the limitations of the IRC. Qualified distributions from other qualified retirement plans can also be contributed to the Plan and retained as a rollover contribution.

Company Contributions – The Plan is a “Safe Harbor Plan” and provides for the Plan Sponsor to match 100% of the first 4% of each participant's eligible compensation contributed to the Plan. Additionally, the Plan Sponsor has the option to make a discretionary contribution to the Plan, with the amount determined annually. Plan Sponsor discretionary contributions are allocated to participants based upon compensation. For the year ended December 31, 2018, the Plan Sponsor made matching and discretionary contributions of \$4,171,514 and \$6,523,183, respectively. The Plan Sponsor also made a qualified non-elective contribution of \$2,155 during the year ended December 31, 2018. All participants in the Plan are eligible to receive the discretionary contribution, if any, provided they continue to work for the Plan Sponsor and receive compensation.

Participants' Accounts – Participants may have a Schwab Personal Choice Retirement Account (PCRA), which is a self-directed brokerage account or a “core” funds account, or both. Accounts are maintained for each participant and each participant account includes the participants' salary deferral contribution, plus an allocation of the Plan Sponsor matching and discretionary contribution (if any) and plan earnings/losses, including realized and unrealized gains and losses on investments.

Vesting – Participants are immediately fully vested in their salary deferral and rollover contributions and the earnings thereon. Participants are also immediately vested in Plan Sponsor matching and discretionary contributions.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their eligible account balance, reduced by any outstanding loan balance. Participant loans require the employee to sign a promissory note for the face amount of the loan and interest and must be repaid, in most cases, within five years. The interest rate will be determined by the Plan administrator. Participant loans require that payments will be made through payroll deductions

INTEGRITY APPLICATIONS INCORPORATED 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

unless earnings for a pay period are not enough to cover the loan payment, at which point the employee will be responsible to make a payment. The participant may have only one loan outstanding. At December 31, 2018 and 2017, interest rates ranged from 4.25% to 6.25% and the notes receivable from participants mature at various dates through December 2023.

Payment of Benefits – Distributions to participants or their beneficiary are made after retirement, termination of service, death or disability. Generally, a participant may elect to receive (1) a lump-sum cash distribution (which is automatic for vested amounts up to \$5,000), (2) installment payments not exceeding the assumed life expectancy of the employee and his or her beneficiary, or (3) a joint and survivor annuity. The Plan does not permit hardship withdrawals.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates – The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net realized and unrealized appreciation and depreciation are reflected in the Statement of Changes in Net Assets Available for Benefits.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – All administrative expenses of maintaining the Plan are paid by the Company except for recordkeeping services for participant loans and distributions paid by the Plan or by the account of the participant.

Risks and Uncertainties – The Plan utilizes various investment instruments, including mutual funds, a common collective trust, self-directed brokerage accounts, and interest-bearing cash funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits. Individual participants' accounts bear the risk of loss resulting from fluctuations in investment values.

DECEMBER 31, 2018 AND 2017

Note 3—Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices available in active markets for identical assets or liabilities that the Plan has the ability to access on the reporting date.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for instruments measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

PCRA – Securities within the PCRA are valued at closing price reported on the active market for which the individual securities are traded. Money market accounts are valued on a historical cost basis plus accrued interest which approximates fair value. Securities within the PCRA are classified within level 1 of the valuation hierarchy.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust - Composed primarily of fully benefit-responsive investment contracts and is reported at fair value using net asset value (NAV) as a practical expedient. The stable value fund calculates NAV per share in a manner consistent with the measurement principles in FASB Accounting Standards Codification Topic 946 *Financial Services-Investment Companies*. Those measurement principles indicate that, in the determination of a stable value fund's NAV, the relevant measurement is net assets which include the fully benefit-responsive investment contracts held by the fund at contract value. This NAV represents the Plan's fair value since this is the NAV at which the Plan transacts with the fund. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table provides the amount and corresponding level of hierarchy for the Plan's investments that were measured at fair value on a recurring basis.

INTEGRITY APPLICATIONS INCORPORATED 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

The Morley Stable Value Fund (the Fund) is a common collective trust fund whose objective is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile and liquidity for benefit responsive payments. The Fund invests primarily in a variety of high quality stable value investment contracts (the performance of which may be predicted on underlying fixed income securities), as well as cash and cash equivalents.

Participants ordinarily may direct either the withdrawal or transfer of all or a portion of their investment at contract value. The Fund imposes certain restrictions on the Plan, and the Fund itself may be subject to circumstances that affect its ability to transact at contract value. Plan management believes that the occurrence of events that would cause the Fund to transact at less than contract value is not probable.

Redemption is generally permitted daily. Individual participant redemptions for benefit payments and redemptions by participants to reinvest in options that do not compete with the common collective trust are generally permitted without restriction. Were the Plan to initiate a full redemption of the common collective trust, a twelve-month advance written notice is required.

Note 4—Tax status

The Plan obtained its latest determination letter on February 15, 2017, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since submitting the request for the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or require disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2015.

Note 5—Information prepared and certified by the custodian

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Charles Schwab Bank except for comparing such information certified by Charles Schwab Bank to information included in the Plan's financial statements and supplemental schedule.

Charles Schwab Bank has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information presented in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2018 and 2017, the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2018, and the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2018.

The following information and related data included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Bank as of December 31, 2018 and 2017, and for the year ended December 31, 2018:

Note 6—Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA.

Note 7—Related party and Parties-in-interest transactions

Under ERISA rules related to 401(k) plans, transactions with related parties of the plan such as a plan sponsor, administrator, trustees or participant (Parties-in-interest) are considered either exempt or nonexempt from ERISA prohibited transaction provisions. Nonexempt transactions are subject to penalty taxes.

Certain Plan investments and the related transactions at December 31, 2018 and 2017 are invested in funds sponsored by Charles Schwab Bank, the Plan custodian. Transactions involving these investments are considered to be party-in-interest transactions for which statutory exemption exists under the Department of Labor Regulations. Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants.

Note 8—Compliance related matters

In June 2017, an operational issue was identified where incorrect compensation for some participants was used to calculate contributions to the Plan. The Plan administrator determined that, for certain participants from 2014 through early July 2017, deferrals were overstated by approximately \$3,300, and related matching and profit sharing contributions by \$1,386 and \$2,310, respectively. On September 25, 2017, the Plan Sponsor submitted an amendment as well as other documentation, under the Voluntary Correction Plan (VCP), to the IRS to retroactively amend the Plan to correct the oversight.

INTEGRITY APPLICATIONS INCORPORATED 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

The IRS responded to the Plan Sponsor, in a letter dated June 8, 2018, that the IRS agreed that the corrective methods and the revised administrative procedures described in the VCP submission are acceptable. However, the IRS may, at a later date, ask the Plan Sponsor to verify that it corrected the failures and modified the administrative procedures described in the VCP.

Note 9—Plan transfers

In January 2018, the Company terminated another plan that it sponsored. Participants in the terminated plan became eligible to transfer all or a portion of their account balances to the Plan. During the year ended December 31, 2018, amounts transferred to the Plan from the other plan amounted to \$1,744,014.

Note 10—Subsequent events

Effective February 1, 2019, the Plan changed third party administrators. As a result of the change in third party administrators, the Plan adopted a new Non-Standardized proto-type plan agreement. The Plan was restated effective February 1, 2019 with essentially the same provisions as before. In July 2019, the Plan was amended to provide for hardship withdrawals, effective August 15, 2019.

As part of the restated Plan effective February 1, 2019, the Plan changed its name to the IAI, LLC 401(k) Plan to reflect the change in name of the Plan Sponsor during 2018.

The Plan has evaluated events through August 15, 2019 in connection with the preparation of these financial statements, which is the date the financial statements were available to be issued.

****The other service providers listed in this report are those to whom fees have been paid from your plan account(s) at Schwab during the year, at the specific direction of the plan fiduciary or other authorized party. Such fees reported may not represent all amounts that were paid by the plan to these providers. If available, the Employer Identification Numbers ("EINs") listed were provided to us at the time of payment. You should contact these providers for disclosure of their services and fee schedules. If you have retained additional service providers for this plan that are not listed in this report or other fees that were paid from the plan and not specifically disclosed separately from other plan transactions, you may want to contact such other service providers for more information. For example, if the Plan permits a participant self directed brokerage option and a broker, investment advisor or other financial service provider has been authorized to direct investments and charge a fee / commission you will need to contact the broker, investment advisor or other financial service provider for a report summarizing such fees. If Schwab were directed to separately pay a fee to a broker, investment advisor or other financial service provider such payment will be reflected in the list of direct payments to other service providers. However, if a broker, investment advisor or other financial service provider reduces a settled trade amount by the broker, investment advisor or other financial service provider's fee / commission, Schwab may not be privy to such fee / commission amount and you will need to obtain a summary of such fees from the broker, investment advisor or other financial service provider.**

Indirect Compensation Received by Schwab:

Indirect compensation is any compensation received for services related to the plan that is not paid directly by the plan or plan sponsor. Schwab receives the following indirect compensation from your plan:

Shareholder Related Servicing: Charles Schwab & Co., Inc. may receive compensation from fund companies for investments in the plan (including Schwab proprietary and other funds). This compensation may be paid by the fund company or one of its affiliates. Disclosure of this compensation was previously provided by CS & Co, Inc. and its affiliates who provide services for your plan. For more details please refer to your Charles Schwab Bank fee schedule or TPA Master Fee Schedule and Appendix 1 - Shareholder Servicing Payment Rates.

Non-Monetary Compensation: Schwab's Gift's and Entertainment Policy provides that gifts to or from a customer, financial institution, news or financial media (other than a close relative) may not exceed a total value of \$100 in any calendar year without prior approval. If you need additional information, please contact your Schwab service representative.

Eligible Indirect Compensation Received by Schwab:

In general, certain types of indirect compensation that have previously been disclosed may be categorized as eligible indirect compensation. While all amounts paid from the plan should be considered when determining which service providers to report, IRS Form 5500 instructions state that there is no need to report the amount or formula for eligible indirect compensation on Form 5500, Schedule C. The below information lists the types of eligible indirect compensation Schwab may earn for your plan and where to find the written disclosures used to determine Schwab's compensation.

Fund Management: Charles Schwab Investment Management Inc. earns compensation for advisory and certain administrative services performed for the Schwab proprietary funds (Schwab or Laudus funds). Disclosure of this compensation is provided in a fund prospectus, available from Charles Schwab & Co, Inc. (EIN 94-1737782) or its affiliates.

Charles Schwab Bank (EIN 42-1558009) earns compensation for management and operation of the Charles Schwab Bank Collective Trust Funds (including Schwab Managed Retirement Trust Funds and Schwab Institutional Trust Funds). Disclosure of this compensation is provided by Charles Schwab Bank in the collective trust fund declarations of trust, participation agreements, and annual audited financial statements for each collective trust fund. Please contact your Schwab representative to obtain a copy of any of these documents or visit www.schwabbankfunds.com.

Cash Float: Charles Schwab & Co. Inc. and its affiliates may receive compensation on uninvested cash or cash in transit at the end of each business day. For more details, please refer to the current Schwab Explanation of Fees and Services for 408(b)(2) brokerage account agreements applicable to your plan.

Indirect Compensation Paid to Others:

In general, fund companies that your plan invests in receive only Eligible Indirect Compensation from the plan. Details of the amounts or rates received are disclosed in the fund prospectuses provided by Charles Schwab & Co., Inc. (EIN 94-1737782) or its affiliates and agents.

Charles Schwab & Co. Inc. may forward a portion of shareholder servicing related payments that are received from fund companies to the third party administrator for your plan. You may need to report these as indirect compensation on Form 5500, Schedule C. For more details, please contact your third party administrator.

Additional Disclosures:

Schwab may receive certain amounts from various fund companies to offset the costs associated with educational programs such as client conferences, internal seminars, articles and publications. These sponsorships are unrelated to the contractual services provided by Schwab with respect to the plan.

Your service agreement with Schwab may provide for using all or a portion of shareholder servicing payments received by Schwab as directed by the Employer in its role as Plan Administrator (e.g., to pay plan expenses (including Schwab fees)). Illustrations on this report reflect Schwab compensation amounts or rates after all credits have been applied. For more details, please refer to your Schwab services agreement.
