Note 1 - Plan Description

The following description of Harting, Inc. Profit Sharing 401(k) Plan & Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Harting, Inc. and Subsidiaries (the "Company") who have completed six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan provides for employee salary 401(k) contributions subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Plan allows participants to contribute a portion of their compensation on an after-tax basis. Employees are automatically enrolled in the Plan at a 2 percent pretax contribution rate, unless they elect otherwise. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

Certain participant contributions in 2018 were paid after the time frame required by the Department of Labor. The Company remitted these contributions during 2018 and remitted related lost earnings to the Plan in 2019.

The Company makes safe harbor matching contributions equal to 400 percent of the first 1 percent of each participant's deferral contribution.

The Company may make an annual discretionary profit-sharing contribution. Participants who have completed 1,000 hours of service during the plan year and continue employment through December 31 will be eligible to receive an allocation of the discretionary profit-sharing contribution. The Company did not make such a contribution for the year ended December 31, 2018.

Vesting

Participants are immediately 100 percent vested in employee salary and rollover contributions, safe harbor matching contributions, and any income or loss thereon. The Company's discretionary contributions, if any, vest according to the following schedule:

Years of Service	Vesting Percentage
1	33 %
2	66
3	100

Forfeitures

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce company contributions or to pay administrative expenses of the Plan. At December 31, 2018 and 2017, forfeited account balances totaled $4,506 and $63, respectively. There were no forfeitures used to reduce company contributions, and forfeitures used to pay administrative expenses totaled $63 in 2018.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by Transamerica Life Insurance Company (Transamerica or the "Custodian") or its affiliates. Transamerica is the Custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Note 1 - Plan Description (Continued)

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA.

Upon termination of the Plan, participants become 100 percent vested in their account balances.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balances. The notes receivable are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates, as determined periodically by the plan administrator. Principal and interest are paid ratably through periodic payroll deductions. A participant may not have more than one loan outstanding at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the employer's contributions and plan earnings and charged with an allocation of administrative expenses and plan losses. Allocations are based on participants' compensation or account balances, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Benefit Payments

On termination of employment, the participant, or in the case of death, the surviving spouse can elect to receive the participant's account balance in a single lump sum or in various installment annuities. Account balances less than $5,000 are paid in a single lump sum upon termination.

Hardship Withdrawals

Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation

The Plan's investments are stated at fair value except the fully benefit-responsive unallocated contract valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The pooled separate accounts are valued at net asset value (NAV) per share (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

Participant Notes Receivable

Participant notes receivable are recorded at unpaid principal balances. Participant notes receivable are written off when deemed uncollectible.

Benefit Payments

Benefits are recorded when paid. There were benefit payments requested but not paid totaling $745,761 for the year ended December 31, 2018. There were no benefit payments requested but not paid as of December 31, 2017.

Note 2 - Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Various administrative costs are paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including August 19, 2019, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

Transamerica Life Insurance Company (the "Custodian") holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held are based solely on information certified by the Custodian.

Note 4 - Investment Contracts

The Plan has a benefit-responsive investment contract with Transamerica, the Transamerica Stable Value Advantage Option (TSVAO). Transamerica maintains plan contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest is credited on contract balances using a single portfolio rate approach. Under this methodology, a single interest rate is applied to all contributions made to the product regardless of the timing of those contributions. There is no minimum interest crediting rate under this contract. Interest crediting rates are reviewed on a semiannual basis for resetting. When establishing interest crediting rates for this product, Transamerica considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer’s general account.

Note 4 - Investment Contracts (Continued)

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (iii) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (iv) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is not probable. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

As described in Note 2, because the contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets attributable to the investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Note 5 - Tax Status

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2008. The Plan has not individually sought its own determination letter.
