(1) **Description of Plan:**

The following description of the Nash Plumbing and Mechanical, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

(a) **General**—The Plan is a defined contribution 401(k) plan covering substantially all employees of Nash Plumbing and Mechanical, LLC (the Company) who are age 21 or older and have a minimum of one year of service on the Plan entrance date as defined by the Plan agreement. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended. As further described in Note 5 to the financial statements, the Plan was terminated and liquidated during the year ended December 31, 2018.

(b) **Contributions**—Each year, participants may contribute up to 100% pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. For the year ended December 31, 2018, the Company made a matching contribution of 100% up to 3% of annual compensation plus another 50% up to 5% of annual compensation that a participant contributes to the Plan until August 9, 2018, when the Company amended the Plan to remove matching contributions. Participants may also contribute amounts representing distribution from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

(c) **Participant's accounts**—Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's matching contribution (if any) and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Prior to termination, the Company offered 35 pooled separate accounts and three guaranteed interest accounts as investment options for participants. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the participant's vested account balance.

(d) **Vesting**—Participants are vested immediately in their contributions and the Company's contributions plus actual earnings thereon.

(e) **Payment of benefits**—Upon termination of service due to retirement, disability, or death, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or in annuity payments. If a terminating participant's account is more than $1,000, but less than $5,000, it will be rolled in an IRA with an affiliate of Principal Life Insurance Group. The Plan's provisions provide for hardships for certain qualifying events as more specifically described in the Plan document.

(f) **Administrative expenses**—The fund administrative expenses reduce the value of account balances of participants in the Plan. However, the Company has elected to pay certain significant operating expenses of the Plan, such as audit fees, on behalf of the Plan. The remaining plan administration and investment management fees reduce the participants' account balances (see Note 8). Expenses relating to specific participant transactions (i.e.: distribution request, etc.) are charged directly against the appropriate participant's account.

(2) **Summary of Significant Accounting Policies:**

(a) **Basis of presentation**—The financial statements of the Plan are prepared using the accrual method of accounting.

(b) **Investment valuation and income recognition**—Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for details regarding fair value measurements. Interest and dividends are recorded when paid. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) **Payment of benefits**—Benefits are recorded against participant accounts when paid.

(d) **Use of estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(e) **Subsequent events**—The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through August 23, 2019, the date the financial statements were available to be issued. No subsequent events have been recognized or disclosed.

(3) **Information Certified by the Trustee:**

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2018 and 2017, and the net depreciation in fair value of investments and interest and dividend income for the period ended December 31, 2018, was obtained or derived from information supplied by the plan administrator and certified as complete and accurate by Principal Life Insurance Company, the custodian of the Plan.

(4) **Investments and Fair Value Measurements:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted market prices for similar assets or liabilities in active markets, (2) quoted prices for identical or similar assets or liabilities in inactive markets, (3) inputs other than quoted prices that are observable for the asset or liability, and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(4) **Investments and Fair Value Measurements:** (Continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Pooled separate accounts – Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV, as provided by the custodian is based on the fair value of the underlying mutual funds held by the fund less its liabilities.

Guaranteed interest accounts – Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceeds crediting rates.

The Plan has no assets for which fair value is determined as of December 31, 2018.

The following tables summarize the assets and liabilities of the Plan for which fair values are determined on a recurring basis as of December 31, 2017:

Description	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Fair Value
Guaranteed interest accounts	$ -	$ -	$ 79,436	$ 79,436
Investments measured at NAV*:				
Pooled separate accounts	-	-	-	2,755,639
Total assets at fair value	$ -	$ -	$ 79,436	$ 2,835,075

* In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(4) **Investments and Fair Value Measurements:** (Continued)

For the years ended December 31, 2018 and 2017, there were no significant transfer between Levels 1 and 2 and no transfers in or out of Level 3.

The following is a summary of activity for the year ended December 31, 2018, of assets measured at fair value on a basis using significant unobservable inputs (Level 3):

	Guaranteed Interest Accounts
Balance, December 31, 2017	$ 79,436
Total realized/unrealized gains (losses) included in changes in net assets	2,223
Purchases, sales, issuances, and settlements (net)	(81,659)
Balance, December 31, 2018	$ -
Total gains (losses) attributed to unrealized gains (losses) for the year ended December 31, 2018	$ 2,223

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share as practical expedient as of December 31, 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. There were no such investments as of December 31, 2018.

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
December 31, 2017:				
Pooled separate accounts	$ 2,755,639	N/A	Daily	12 months

Investment earnings for amounts held in pooled separate accounts reflect a combination of interest income, dividend income, realized gains and losses and unrealized gains and losses depending on the composition of the underlying investments. During the year ended December 31, 2017, the Plan's investments in pooled separate accounts (including bought, sold and held during the year) depreciated in fair value by $127,358.

(5) **Plan Termination:**

HB Global, LLC acquired Nash Plumbing and Mechanical, LLC and approved an amendment to terminate the Nash Plumbing and Mechanical 401(k) Plan effective December 27, 2018. All assets and liabilities of the Plan were transferred to H.B. McClure Company Employees' Profit Sharing Plan on December 28, 2018. All participants in the Nash Plumbing and Mechanical 401(k) Plan had their account balance transferred into the H.B. McClure Company Employees' Profit Sharing Plan. An aggregate of $2,007,378 was transferred into the H.B. McClure Company Employees' Profit Sharing Plan during the year ended December 31, 2018 and is reported as transfers on the statement of changes in assets in liquidation available for benefits. In accordance with generally accepted accounting principles, the Plan has changed its basis of accounting used to value plan assets from the ongoing plan basis to the liquidation basis at December 27, 2018.

(6) **Tax Status:**

The Plan adopted a prototype plan that obtained a favorable determination letter from the Internal Revenue Service dated March 31, 2014. A favorable determination letter qualifies the Plan under Section 401(a) of the Internal Revenue Code (IRC), and is therefore not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (IRC) to maintain its qualification. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan is subject to routine audits by taxing jurisdictions for the last three years; however, there are currently no audits for any tax periods in progress.

(7) **Risk and Uncertainties:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) **Parties-in-Interest:**

Principal Life Insurance Company manages many Plan investments as well as providing administrative services to the Plan and is the trustee, and therefore, Principal Life Insurance qualifies as a party-in-interest to the Plan.

As communicated in our engagement letter dated March 14, 2019, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) except that, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by plan management, we did not perform any auditing procedures with respect to information prepared and certified to by Principal Financial Group, the trustee, in accordance with DOL Regulation 2520.103-5, other than comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information that we did not audit, we did not express an opinion on the financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified to by Principal Financial Group, the trustee, were audited by us in accordance with U.S. GAAS, and were subjected to tests of the plan's accounting records and other procedures we considered necessary to enable us to express an opinion that they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies and other matters noted during our audit in a separate letter to you dated August 23, 2019.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, other individuals in our firm, and our firm has complied with all relevant ethical requirements regarding independence.

We have applied safeguards related to our preparation of the Plan's financial statements, including, but not limited to, an assessment of management's skills, knowledge, and experience.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Company is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2018. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements was:

> Management's estimate of the guaranteed interest contract value is based on management's experience and expertise. We evaluated the key factors and assumptions used to develop the estimated guaranteed interest contract costs in determining that it is reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the disclosures of information certified by the Plan trustee in Note 3 to the financial statements and the liquidation basis of accounting in Note 5 to the financial statements.

Identified or Suspected Fraud

We have not identified nor obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For the purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There are no uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. No material adjustments were proposed as a result of our auditing procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management which are included in the management representation letter dated August 23, 2019.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with Nash Plumbing and Mechanical 401(k) Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the supplementary information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation appearing in the financial statements.

Modification of the Auditor's Report

We have made the following modification to our auditor's report:

As described in Note 5 to the financial statements, the Board of Directors of Nash Plumbing and Mechanical, LLC, the Plan's sponsor, voted to terminate the Plan effective December 27, 2018. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments are stated from the ongoing plan basis to the liquidation basis for the period ending December 31, 2018.

This report is intended solely for the information and use of the Plan Administrator of Nash Plumbing and Mechanical 401(k) Plan, and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

James Moore & Co., P.L.
