1 Description of Plan

The following description of the Express Messenger Systems, Inc. 401(k) Plan (the Plan) provides general information only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

a) General

The plan was established effective January 1, 1997. Subsequently all employees of Express Messenger Systems, Inc. (the Employer) may become eligible to participate in the Plan. Employees will become eligible to participate in the Plan after six months of service and the attainment of age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b) Contributions

Participants may make salary deferral contributions during the Plan year up to the annual deferral limit as set by the Internal Revenue Code (IRC). A participant may also contribute cash to the Plan in the form of a "rollover contribution" from another qualified employer-sponsored retirement plan.

For 2017 and 2018 the Employer contributed to the account of each participant a matching contribution of 25% on the first 3% of each participant's elective deferral plus an additional 10% on the next 2% of elective deferral. The Employer may also make a discretionary contribution each year.

c) Participants Accounts

Each participant's account is credited (debited) with the participant's elective deferral contribution, the employer matching contribution and an allocation of (1) the Employer's discretionary contribution, if any, and (2) Plan earnings/losses. The Employer's discretionary contribution, if any, as allocated based on each participant's proportionate share of the total compensation paid during the Plan year to all the Plan's participants. Allocations of Plan earnings/losses are based on the same proportion as a participant's account balance (before allocation of Plan earnings/losses) bears to the total of all participants' account balances. Contributions are invested, as directed by the participant, within the funds selected by the Employer. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

d) Forfeitures

Forfeited balances of terminated participants' nonvested accounts shall be used to reduce the Employer's future contribution. If the Employer does not make a contribution, the forfeitures will be treated as the Employer's contribution for that year.

e) Vesting

Participants are immediately vested in their salary deferral contributions and any earnings on such contributions. The remainder of the participant's account balance is vested based on years of service. For Employer contributions, participants vest according to the following schedule:

Years of Service:	Vesting %:
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

f) Investment Options

Participants may direct the allocation of their contributions to one or more investment options held by Principal Trust Company (Principal) in a guaranteed account, pooled separate accounts or mutual funds.

g) Payment of Benefits

Payment of benefits is only available upon retirement, death, total and permanent disability, or termination. Benefits are paid in the form of a lump-sum payment. On termination of service, distribution of balances in excess of $5,000 may be deferred until normal retirement age. Participants may withdraw amounts from their account as set forth in the provisions of the Plan document for certain hardship situations.

h) Participant Loans

Participants may borrow their employee and employer match contributions that are funded directly to their accounts and employee rollover amounts at a minimum of $1,000 and a maximum equal to the lesser of $50,000 or 50% of their vested benefits. Loan terms range from one through five years. The loans are secured by the balance in the participant's account. The loans accrue interest at a fixed rate of prime plus 1%. Principal and interest are payable through monthly payroll deductions. Participant loans are stated at their unpaid principal balance.

2 Summary of Significant Accounting Policies

a) Basis of Presentation
The accompanying financial statements have been prepared on the cash basis of accounting and present the net assets available for benefits and changes in those assets.

b) Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

c) Investment Valuation and Income Recognition
The investments in mutual funds and the guaranteed interest contract are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis.

d) Payments of Benefits
Benefits are recorded when paid.

e) Administrative expenses
Substantially all administrative expenses of the Plan are paid by the Employer.

f) Subsequent events
Subsequent events have been evaluated through July 18, 2019, which is the date the financial statements were issued.

3 Fair Value Measurements

Financial Accounting Standards Board Statement ASC 820-10, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy in ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets of liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

Investments at Fair Value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 41,777,361	$ --	$ --	$ 41,777,361
Total	$ 41,777,361	$ --	$ --	$ 41,777,361

Investments at Fair Value as of December 31, 2017:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 46,186,912	$ --	$ --	$ 46,186,912
Total	$ 46,186,912	$ --	$ --	$ 46,186,912

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2018 are reported in net appreciation in fair value of investments.

4 Investments – Unaudited

The Plan's custodian provided the Plan sponsor a certification that the Plan's investments, except for participant loans, as shown on the statements of net assets available for benefits at December 31, 2018 and 2017 and investment income as shown on the statement of changes in net assets available for benefits for the year ended December 31, 2018 are complete and accurate.

5 Plan Termination

Although the Employer has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan at any time. Upon any full or partial termination, all amounts credited to the participants' accounts shall become 100% vested.

6 Income Tax Status

The plan has received a favorable determination letter from the Internal Revenue Service, which stated the Plan qualifies under the applicable provisions of the IRC. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of Internal Revenue Code.

7 Related Party Transactions

Certain Plan investments are shares of mutual funds of Principal Trust Company. Principal Trust Company is the custodian of the Plan as defined by the Plan document and therefore, the transactions qualify as party-in-interest transactions.
