INDEPENDENT AUDITOR'S REPORT

To the Trustee of
the Westchester Modular Homes, Inc.
Employee Stock Ownership Plan - ESOP

Report on the Financial Statements
I have audited the accompanying financial statements of Westchester Modular Homes, Inc. Employee Stock Ownership Plan - ESOP , which comprise the statement of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Westchester Modular Homes, Inc. Employee Stock Ownership Plan - ESOP, as of December 31, 2018 and 2017, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Sincerely,

RICHARD J. SIEGLER, C.P.A.

WESTCHESTER MODULAR HOMES, INC.
EMPLOYEE STOCK OWNERSHIP PLAN - ESOP
NOTES TO FINANCIAL STATEMENT

NOTE A - PLAN DESCRIPTION

The following brief description of the sponsor company Employee Stock Ownership Plan (The Plan) is provided for general information purposes only. Participants should refer to the plan agreement for complete information.

Westchester Modular Homes, Inc. established the Westchester Modular Homes, Inc. Employee Stock Ownership Plan and Money Purchase Pension Plan which was adopted effective as of January 1, 2000. The Plan operates as a leveraged Employee Stock Ownership Plan (ESOP), and is designed to comply with Section 4975(E)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (code) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by an Employee Benefits Administration Committee comprising up to three persons appointed by the Board of Directors of Westchester Modular Homes, Inc. Charles W. Hatcher is the Plan's Trustee.

The Plan purchased 100% of the Westchester Modular Homes, Inc. common shares through a promissory note issued by the ESOP to a selling shareholder. The borrowing is to be repaid over a period of twenty years by contributions and "S" distributions to the Trust Fund. As the Plan makes each payment of principal, an appropriate percentage of stock will be allocated to eligible employees accounts in accordance with applicable regulations under the code. Shares vest on a seven year vesting schedule.

The borrowing is collateralized by the unallocated shares of stock. The selling shareholder has no rights against shares once they are allocated under the ESOP. Accordingly, the financial statements of the Plan for the years 2018 and 2017, present separately the assets and liabilities and changes therein pertaining to:

1) The accounts of employees with vested rights in allocated stock (allocated) and
2) Stock not yet allocated to employees (unallocated)

Eligibility

Employees of the company and its participating subsidiaries are generally eligible to participate in the Plan retroactively to the first day of the Plan year (each January 1) during the plan year in which you first complete 1,000 hours of service, provided you have attained age eighteen (18). Participants who do not have at least 1,000 hours of service during such Plan year or are not employed on the last working day of a Plan year are generally not eligible for an allocation of company contributions for such year.

Payment of Benefits

No distributions from the Plan will be made until a participant retires, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), or otherwise terminates employment with the company and its participating subsidiaries. Notwithstanding the other provisions, the Plan shall not be required to distribute any employee securities acquired with the proceeds of a securities acquisition loan until the close of the Plan year in which such securities acquisition loan has been repaid in full.

The auditor's report and the accompanying notes are an integral part of these financial statements.

WESTCHESTER MODULAR HOMES, INC.
EMPLOYEE STOCK OWNERSHIP PLAN - ESOP
NOTES TO FINANCIAL STATEMENT

Voting Rights
Each participant shall be entitled to direct the voting of any voting shares of company stock allocated to your company stock account with respect to any vote required for the approval or disapproval of any corporate merger or consolidation, recapitalization, reclassification, liquidation, dissolution, or sale of substantially all the assets of a trade or business. In accordance with instructions from the Plan committee, the Trustee shall vote any unallocated shares held by the trust as well as any allocated shares for which a participant has failed to give timely voting direction.

Termination
The company has the right to terminate or amend the Plan at any time, but such action will not act to deprive any participant of the nonforfeiture plan benefit which was accrued to participant under the Plan at the time of such an event. Upon termination of the Plan, the trust will be maintained until the Plan benefits of all participants have been distributed in accordance with the terms of the Plan.

Participant Accounts
The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated participants' non vested accounts. Only those participants who are eligible employees of the Company as of the last day of the plan year will receive an allocation. Allocations are based on a participant's eligible compensation, relative to total eligible compensation.

Vesting
If a participant's employment with the Company ends for any reason other than retirement, permanent disability or death, he or she will vest in the balances in his or her account based on total years of service with the Company. Participants vest 20% per year of service starting in the third year and are 100% vested after seven years of service.

Put Option
Under Federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Diversification
Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In

The auditor's report and the accompanying notes are an integral part of these financial statements.

each of the first five years, a participant may diversify up to 25% of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%. Participants who elect to diversify receive a cash distribution.

Participant Accounts and Forfeitures

Employer contributions and Plan forfeitures are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. Forfeitures of terminated non vested account balances allocated to remaining participants at December 31, 2018 and 2017 totaled $96,611 and $116,681 respectively. Plan earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participant's beginning of the year account balances.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through June 18, 2019, which is the date the Financial Statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The common shares of the company are valued at fair value on December 31, 2018 and 2017. Fair value is determined by annual independent appraisals.

Dividend income is accrued on the ex-dividend date.

Purchases and Sales of Securities are recorded on a trade date basis. Realized gains and losses from security transactions are reported on the average cost method.

Risks and Uncertainties

The Plan investments consist primarily of the Company's common stock, which is exposed to various risks such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows or other such techniques. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The auditor's report and the accompanying notes are an integral part of these financial statements.

EMPLOYEE STOCK OWNERSHIP PLAN - ESOP
NOTES TO FINANCIAL STATEMENT

Operating Expenses
All expenses of maintaining the Plan are paid by the Company except direct investment fees.

NOTE C - FAIR VALUE MEASUREMENTS
The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following tables present fair value measurement information for certain financial instruments. The carrying values of receivables, cash, and interest payable included in the accompanying statement of net assets available for benefits approximated fair value at December 31, 2018 and 2017, and are thus not included in the following table:

NOTE C - FAIR VALUE MEASUREMENTS (continued)

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 3 Fair Value Measurements

The fair value of the sponsor company common stock is determined by an annual independent appraisal. This appraisal was based on a combination of the market and income valuation methods consistent with prior years. The appraiser took into account historical and projected cash flow and net income, return on assets, return on equity, market comparables, and estimated fair value of company assets and liabilities. The following table provides further details of this Level 3 fair value measurement. Plan management has concluded that a market participant would also recognize a discount for lack of marketability.

The valuation process involves plan management's selection of an independent appraiser under contract for a term of 3 years with the right to cancel such contract at any time. Plan management accumulates the data for the appraiser from the audited financial statements of the Company. The appraiser prepares a preliminary report which plan management, along with the ESOP trustee, reviews in detail, discusses and approves. The results of this process are documented in minutes of the plan fiduciary.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2018, are reported in net unrealized appreciation in fair value of investments.

The auditor's report and the accompanying notes are an integral part of these financial statements.

NOTE C - FAIR VALUE MEASUREMENTS (continued)

December 31, 2017

Beginning balance	$36,116,851
Total gains or losses (realized and unrealized) included in changes in net assets available for benefits	3,303,370
Ending balance	$39,420,221

Total gains or losses for the year included in changes in net assets available for benefits for the year ended December 31, 2017, are reported in net unrealized appreciation in fair value of investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Quantitative Information About Significant Unobservable Inputs Used In Level 3 Fair Value Measurements

The following table sets forth the basic assumption used in arriving at fair value and the range of value for unobservable inputs.

EMPLOYEE STOCK OWNERSHIP PLAN - ESOP
NOTES TO FINANCIAL STATEMENT

NOTE D - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated January 16, 2016, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE E - ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consist principally of sponsor company common shares, are held by the Trustee of the Plan.

Company contributions are held and managed by the Trustee, which invests cash received, interest and dividend income and market distributions to participants. The trustee also administers the payment of interest and principal on the loan, which is reimbursed to the Trustee through "S" Distribution as determined by the company.

Certain administrative functions are performed by officers or employees of the company or its subsidiaries. No such officer or employee receives compensation from the Plan. Administrative expenses of the trust will be paid by the trust if they are not paid by the company. In 2018 and 2017, the company paid $35,824 and $31,322 respectively, in administrative expenses on behalf of the ESOP.

The auditor's report and the accompanying notes are an integral part of these financial statements.

Estimated Fair Value	$36,863,897	$ 1,939,695	$35,479,184	$ 3,941,037

NOTE G - LOAN PAYABLE

On January 1, 2000, the Plan entered into an $19,600,000 promissory note with former sole shareholder. The Plan purchased 100% of the outstanding stock of the company. Unallocated shares are collateral for the loan. The note provides for the loan to be repaid over twenty years. The scheduled amortization of the loan for the next five years and thereafter is as follows: 2019-$1,756,204 and thereafter - $-0-. The loan bears interest at a fixed rate of 7%. This loan is not guaranteed by Sponsor Company.

NOTE H - EMPLOYER CONTRIBUTIONS

The company is obligated to make contributions and "S" Distributions in cash to the Plan which, when aggregated with the Plan's dividends and interest earnings, equal the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its promissory note.

INDEPENDENT AUDITOR'S REPORT

To the Trustee of
the Westchester Modular Homes, Inc.
Employee Stock Ownership Plan - ESOP

Report on the Financial Statements
I have audited the accompanying financial statements of Westchester Modular Homes, Inc. Employee Stock Ownership Plan - ESOP , which comprise the statement of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Westchester Modular Homes, Inc. Employee Stock Ownership Plan - ESOP, as of December 31, 2018 and 2017, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Sincerely,

RICHARD J. SIEGLER, C.P.A.

NOTE A - PLAN DESCRIPTION

The following brief description of the sponsor company Employee Stock Ownership Plan (The Plan) is provided for general information purposes only. Participants should refer to the plan agreement for complete information.

Westchester Modular Homes, Inc. established the Westchester Modular Homes, Inc. Employee Stock Ownership Plan and Money Purchase Pension Plan which was adopted effective as of January 1, 2000. The Plan operates as a leveraged Employee Stock Ownership Plan (ESOP), and is designed to comply with Section 4975(E)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (code) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by an Employee Benefits Administration Committee comprising up to three persons appointed by the Board of Directors of Westchester Modular Homes, Inc. Charles W. Hatcher is the Plan's Trustee.

The Plan purchased 100% of the Westchester Modular Homes, Inc. common shares through a promissory note issued by the ESOP to a selling shareholder. The borrowing is to be repaid over a period of twenty years by contributions and "S" distributions to the Trust Fund. As the Plan makes each payment of principal, an appropriate percentage of stock will be allocated to eligible employees accounts in accordance with applicable regulations under the code. Shares vest on a seven year vesting schedule.

The borrowing is collateralized by the unallocated shares of stock. The selling shareholder has no rights against shares once they are allocated under the ESOP. Accordingly, the financial statements of the Plan for the years 2018 and 2017, present separately the assets and liabilities and changes therein pertaining to:

1) The accounts of employees with vested rights in allocated stock (allocated) and
2) Stock not yet allocated to employees (unallocated)

Eligibility

Employees of the company and its participating subsidiaries are generally eligible to participate in the Plan retroactively to the first day of the Plan year (each January 1) during the plan year in which you first complete 1,000 hours of service, provided you have attained age eighteen (18). Participants who do not have at least 1,000 hours of service during such Plan year or are not employed on the last working day of a Plan year are generally not eligible for an allocation of company contributions for such year.

Payment of Benefits

No distributions from the Plan will be made until a participant retires, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), or otherwise terminates employment with the company and its participating subsidiaries. Notwithstanding the other provisions, the Plan shall not be required to distribute any employee securities acquired with the proceeds of a securities acquisition loan until the close of the Plan year in which such securities acquisition loan has been repaid in full.

NOTES TO FINANCIAL STATEMENT

Voting Rights
Each participant shall be entitled to direct the voting of any voting shares of company stock allocated to your company stock account with respect to any vote required for the approval or disapproval of any corporate merger or consolidation, recapitalization, reclassification, liquidation, dissolution, or sale of substantially all the assets of a trade or business. In accordance with instructions from the Plan committee, the Trustee shall vote any unallocated shares held by the trust as well as any allocated shares for which a participant has failed to give timely voting direction.

Termination
The company has the right to terminate or amend the Plan at any time, but such action will not act to deprive any participant of the nonforfeiture plan benefit which was accrued to participant under the Plan at the time of such an event. Upon termination of the Plan, the trust will be maintained until the Plan benefits of all participants have been distributed in accordance with the terms of the Plan.

Participant Accounts
The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated participants' non vested accounts. Only those participants who are eligible employees of the Company as of the last day of the plan year will receive an allocation. Allocations are based on a participant's eligible compensation, relative to total eligible compensation.

Vesting
If a participant's employment with the Company ends for any reason other than retirement, permanent disability or death, he or she will vest in the balances in his or her account based on total years of service with the Company. Participants vest 20% per year of service starting in the third year and are 100% vested after seven years of service.

Put Option
Under Federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Diversification
Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In

each of the first five years, a participant may diversify up to 25% of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%. Participants who elect to diversify receive a cash distribution.

Participant Accounts and Forfeitures

Employer contributions and Plan forfeitures are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. Forfeitures of terminated non vested account balances allocated to remaining participants at December 31, 2018 and 2017 totaled $96,611 and $116,681 respectively. Plan earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participant's beginning of the year account balances.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through June 18, 2019, which is the date the Financial Statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The common shares of the company are valued at fair value on December 31, 2018 and 2017. Fair value is determined by annual independent appraisals.

Dividend income is accrued on the ex-dividend date.

Purchases and Sales of Securities are recorded on a trade date basis. Realized gains and losses from security transactions are reported on the average cost method.

Risks and Uncertainties

The Plan investments consist primarily of the Company's common stock, which is exposed to various risks such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows or other such techniques. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The auditor's report and the accompanying notes are an integral part of these financial statements.

Operating Expenses
All expenses of maintaining the Plan are paid by the Company except direct investment fees.

NOTE C - FAIR VALUE MEASUREMENTS
The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following tables present fair value measurement information for certain financial instruments. The carrying values of receivables, cash, and interest payable included in the accompanying statement of net assets available for benefits approximated fair value at December 31, 2018 and 2017, and are thus not included in the following table:

The auditor's report and the accompanying notes are an integral part of these financial statements.

NOTE C - FAIR VALUE MEASUREMENTS (continued)

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 3 Fair Value Measurements

The fair value of the sponsor company common stock is determined by an annual independent appraisal. This appraisal was based on a combination of the market and income valuation methods consistent with prior years. The appraiser took into account historical and projected cash flow and net income, return on assets, return on equity, market comparables, and estimated fair value of company assets and liabilities. The following table provides further details of this Level 3 fair value measurement. Plan management has concluded that a market participant would also recognize a discount for lack of marketability.

The valuation process involves plan management's selection of an independent appraiser under contract for a term of 3 years with the right to cancel such contract at any time. Plan management accumulates the data for the appraiser from the audited financial statements of the Company. The appraiser prepares a preliminary report which plan management, along with the ESOP trustee, reviews in detail, discusses and approves. The results of this process are documented in minutes of the plan fiduciary.

Ending balance	$39,420,221

Total gains or losses for the year included in changes in net assets available for benefits for the year ended December 31, 2017, are reported in net unrealized appreciation in fair value of investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Quantitative Information About Significant Unobservable Inputs Used In Level 3 Fair Value Measurements

The following table sets forth the basic assumption used in arriving at fair value and the range of value for unobservable inputs.

WESTCHESTER MODULAR HOMES, INC.
EMPLOYEE STOCK OWNERSHIP PLAN - ESOP
NOTES TO FINANCIAL STATEMENT

NOTE D - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated January 16, 2016, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE E - ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consist principally of sponsor company common shares, are held by the Trustee of the Plan.

Company contributions are held and managed by the Trustee, which invests cash received, interest and dividend income and market distributions to participants. The trustee also administers the payment of interest and principal on the loan, which is reimbursed to the Trustee through "S" Distribution as determined by the company.

Certain administrative functions are performed by officers or employees of the company or its subsidiaries. No such officer or employee receives compensation from the Plan. Administrative expenses of the trust will be paid by the trust if they are not paid by the company. In 2018 and 2017, the company paid $35,824 and $31,322 respectively, in administrative expenses on behalf of the ESOP.

NOTE G - LOAN PAYABLE

On January 1, 2000, the Plan entered into an $19,600,000 promissory note with former sole shareholder. The Plan purchased 100% of the outstanding stock of the company. Unallocated shares are collateral for the loan. The note provides for the loan to be repaid over twenty years. The scheduled amortization of the loan for the next five years and thereafter is as follows: 2019-$1,756,204 and thereafter - $-0-. The loan bears interest at a fixed rate of 7%. This loan is not guaranteed by Sponsor Company.

NOTE H - EMPLOYER CONTRIBUTIONS

The company is obligated to make contributions and "S" Distributions in cash to the Plan which, when aggregated with the Plan's dividends and interest earnings, equal the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its promissory note.
