JT4 LLC Savings Plan

Notes to Financial Statements

Years Ended December 31, 2018 and 2017

1. Plan Description

General

The following brief description of the JT4 LLC Savings Plan, formerly, the JT3 LLC Savings Plan, (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

JT4 LLC is the successor Company for the previous plan sponsor JT3 LLC, which established the Plan effective as of February 1, 2002, as a profit-sharing plan under Internal Revenue Code (the Code) Section 401(a), and includes a cash or deferred arrangement that is intended to qualify under Code Section 401(k).

JT3 LLC, operated under a single contract with the government known as J-TECH. The J-TECH contract had surpassed its original term of 15 years and was extended into 2018. JT4 LLC was awarded the J-TECH II contract in April 2018. The Plan and Trust Agreement were amended to change the Plan Sponsor and Plan name to JT4 LLC Savings Plan, effective July 16, 2018.

AECOM (formerly known as URS Corporation and EG&G Technical Services, Inc.) is 100% owner of JT4 LLC. JT3 was 50% owned by AECOM and Raytheon. Any employee who transfers from these companies or any of the Company's nine teammate companies is eligible to rollover their account balance from their previous plan. If that employee supported JT4's J-TECH contract while employed by those previous companies, JT4 will provide a vesting service date adjustment equal to their previous employer's service date. Otherwise, the employee will have a vesting service date that is the same as their hire date.

Effective January 1, 2016, the Plan was amended and restated in its entirety with a Letter of Determination issued by the Internal Revenue Service (IRS) on February 9, 2017. This amendment incorporated many trustee and Plan changes since the last restatement on January 1, 2009.

Years Ended December 31, 2018 and 2017

1. Plan Description (continued)

General (continued)

The Trust Agreement was amended to direct full responsibility of the Portfolio Advisory Services to their registered investment advisor, Strategic Advisors, Inc.; amended Schedule B (Fee Schedule) to add the Portfolio Advisory Services; and authorized the trustee and all affiliates to provide Participants with communications related to investment products and services. Further, the trustee will make quarterly payments totaling \$240,000 annually to a suspense account for the purpose of allocating unused Plan expenses back to participant accounts. Lastly, the Trust Agreement was amended to restate the Inspection and Audit section which provides direction in the event of a resignation or removal of the trustee or the termination of the entire Trust Agreement that will provide the Plan Sponsor and auditors access to any trustee data or records.

The Plan was also amended to allow participants unlimited non-hardship withdrawals, redefined compensation as it pertains to military differential pay; defined 415 compensation and vesting rules for any employee who dies while performing qualified military service in accordance with the Veteran's Reemployment Rights, clarified the vested interest of participants in the event of a vesting schedule change, defined Spouse, Covered Employees, Qualified Distributee, and Minimum Required Distributions, and outlined a process if the Plan is unable to locate payees upon Plan termination.

The Plan has been amended once since the 2016 restatement to allow retired or terminated participants the ability to take unlimited partial withdrawals.

The JT4, LLC Plan Committee (the Committee) is responsible for the general administration of the Plan. Fidelity Management Trust Company (Fidelity) and Fidelity Workplace Services were the trustee and recordkeeper, respectively, for the Plan.

Plan Merger

Effective upon the close of business on December 31, 2018, the Company merged the Plan into another plan sponsored by the parent company, AECOM. Contributions to the Plan ceased on December 30, 2018. As a result of the merger, net assets in the amount of \$180,606,615 were transferred to the AECOM plan.

JT4 LLC Savings Plan

Notes to Financial Statements

Years Ended December 31, 2018 and 2017

1. Plan Description (continued)

Contributions

Each year, participants may contribute combined pretax, Roth, and after tax amounts up to 60% of annual eligible compensation subject to IRS limitations. Participants may also contribute combined pretax and Roth amounts up to 25% of annual compensation, subject to IRS limitations to the catch-up account. The Company contributes 50% of the first 8% of eligible base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company's Board of Managers; however, no additional amounts were contributed for 2018 and 2017.

Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions and allocations of plan earnings and is charged with an allocation of the Plan's administrative expenses. Net investment income or loss of each investment is allocated daily based on the participant's share of their respective elected investment options. Allocations are based on participant earnings or account balances, as defined.

Forfeitures

As of December 31, 2018 and 2017, there were \$16,975 and \$42,104, respectively, of unallocated forfeitures. During the years ended December 31, 2018 and 2017, forfeitures were used to reduce employer contributions by \$115,000 and \$55,000, respectively.

Benefit Payments

Upon termination of service or upon death, disability, or retirement, a participant may receive a lump-sum amount equal to the vested value of his or her account.

JT4 LLC Savings Plan

Notes to Financial Statements

Years Ended December 31, 2018 and 2017

1. Plan Description (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on years of vested service in accordance with the service crediting provisions of the Plan. A participant is 100% vested after three years of credited service. However, if employment terminates for a reason other than retirement, death, or disability, the participant's vesting in the value of any matching or other Company contributions will be based upon the participant's years of vested service and in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1	0%
1 or more, but less than 2	33%
2 or more, but less than 3	66%
3 or more	100%

The amount to which the participant is not vested is subject to forfeiture in accordance with the provisions of the Plan.

Notes Receivable from Participants (Participant Loans)

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate as defined in the Plan at the beginning of the month plus 1%. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

Most expenses associated with establishment, operation and administration of the Plan are borne by JT4 LLC as the Plan Sponsor. Officers or employees of the Company perform certain administrative functions for the Plan. Neither the Company nor its officers or employees receive compensation or reimbursement from the Plan for these services.

Years Ended December 31, 2018 and 2017

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Investment Income

Plan investments were held by the Plan's trustee, Fidelity Management Trust Company (Fidelity) and stated at fair value as determined by the trustee based on the quoted market prices of the investments (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net (depreciation)/appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

JT4 LLC Savings Plan

Notes to Financial Statements

Years Ended December 31, 2018 and 2017

2. Summary of Significant Accounting Policies (continued)

Contributions

Contributions are recorded when the Company makes payroll deductions from, or reduces the compensation of, Plan participants.

Benefit Payments

Benefits due to terminated participants and participant withdrawals are recorded on the date distributions are made.

Subsequent Events

In accordance with accounting standards for subsequent events, the Plan's management has evaluated subsequent events through September 23, 2019, the date these financial statements were available to be issued.

3. Investments

All investment information disclosed in the accompanying financial statements, including investments held and notes receivable from participants at December 31, 2017, and net realized and unrealized (depreciation)/appreciation in fair value of investments, interest, and dividends for the year ended, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity as of and for the year ended December 31, 2017 and for the period January 1, 2018 through December 29, 2018.

4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

JT4 LLC Savings Plan

Notes to Financial Statements

Years Ended December 31, 2018 and 2017

4. Fair Value Measurements (continued)

- quoted prices for identical or similar assets or liabilities in markets that are not active
- observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety. The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2017.

	Assets at Fair Value as of December 31, 2017
