NOTE 1 - DESCRIPTION OF PLAN

The following description of the SLMP, LLC 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 2010, covering substantially all employees of SLMP, LLC (the "Employer"). The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), and the Internal Revenue Code, as amended (IRC). In addition, the Plan's financial statements have been prepared in compliance with accounting principles generally accepted in the United States of America (US GAAP) and with ERISA.

Eligibility

All non-union, full-time employees who have completed one month of service and have attained the age of 18 are eligible to participate in the Plan. Employees may begin participating on the entry date following the date they satisfy the Plan's eligibility requirements.

Employee Contributions

Participants may elect to defer up to 100% of their annual compensation, subject to certain IRC limitations ($18,500 in 2018), with the contributions and earnings thereon being nontaxable until withdrawn from the Plan. The Plan also allows participants to contribute on an after-tax basis as a Roth elective contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant may elect to change the percentage of their compensation deferred and their investment options daily. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions subject to IRC limits ($6,500 in 2018).

Employer Contributions

The Plan provides for an Employer discretionary matching contribution as determined and approved by the Employer's Board of Directors. In addition, the Employer may elect to make additional profit-sharing contributions. For the year ended December 31, 2018, the Employer authorized and funded discretionary contributions totaling approximately $171 thousand.

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions and Employer contributions. The amount of investment earnings or losses is allocated to a participant's account based upon the individual participant's pro-rata mix of investments or the net asset value of the funds in which the participant invests. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. The allocation of expenses is based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting

Participants are 100% vested in their contributions, rollovers, and actual earnings thereon. Participants vest in Employer contributions on a six-year schedule as follows:

Years of Service	Percentage Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Participants are eligible to receive benefit payments when they terminate service or reach age 59 ½. On termination of service, a participant may elect to receive an annuity, installment payments, lump-sum payment or a direct rollover to another qualified plan equal to the value of the participant's vested interest in his or her account. Upon death of a participant, the Plan allows for extended payments for all beneficiaries. Hardship distributions are permitted subject to certain limits.

Forfeitures

Forfeitures of non-vested employer contributions may be used to pay administrative expenses or to reduce future employer matching contributions. As of and for the year ended December 31, 2018, forfeited amounts totaled approximately $28 thousand.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of addition to and deductions from net assets during the reporting period. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Distributions to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to distributions and administration of participants accounts are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

Management has evaluated the impact of all subsequent events through September 23, 2019, the date the financial statements were available to be issued, and has determined that there were no subsequent events requiring adjustment to or disclosure in the financial statements, except as follows.

During December 2018, the Plan's trustee changed the Plan's custodian from John Hancock Life Insurance Company to Empower Retirement with an effective date of January 1, 2019. On December 31, 2018, the Plan liquidated its plan investment assets and transferred approximately $4.4 million in cash to Empower Retirement. The cash transfer was received and completed by Empower Retirement on January 2, 2019.

On January 1, 2019, the Plan was amended and restated to allow for automatic enrollment of participants upon satisfaction of eligibility requirements with a deferral rate of 6%. Additionally, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balances in the participant's accounts and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator at the time the loan is approved. General purpose loan terms are for a maximum of five years and up to 10 years for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN, UNAUDITED

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, and related activity, certified by the custodian, except for comparing such information with information included in the Plan's financial statements.

The following is a summary of financial information certified by the custodian as complete and accurate as of and for the year ended December 31, 2018:

Investment income:	
Net depreciation in fair value of investments	$ (304,843)

NOTE 4 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has investments in participation units held in pooled separate accounts through sub-accounts of John Hancock Life Insurance Company (John Hancock). John Hancock provides services to the Plan as the custodian and record keeper; therefore, these investments and transactions qualify as party-in-interest transactions.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - TAX STATUS

The Plan is based on a volume submitter prototype 401(k) profit sharing plan developed by National Retirement Services, Inc. which received a favorable opinion letter dated March 31, 2014 issued by the Department of the Treasury of the Internal Revenue Service that the Plan is qualified under Code Section 401. Although the Plan has been amended since the date of the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.
