Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Newport Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter - Supplemental Schedules

The supplemental Schedule of Assets Held at Year End as of December 31, 2018 and Schedule of Delinquent Participant Contributions as of December 31, 2018 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matters - 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by a predecessor auditor. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the Newport Trust Company, the trustee of the Plan. Their report, dated October 9, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rule and Regulations for reporting under ERISA.

1. Description of the Plan

The following description of the McGraw Group of Affiliated Companies 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a profit-sharing contribution plan in which all qualified employees of the McGraw Group of Affiliated Companies (McGraw, the Group, or the Plan Sponsor). The Plan was established by McGraw on January 1, 1991 to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA). All employees that are over 21 years of age and have been working at the Group for over one month are qualified, excluding non-resident aliens, unionized employees, and leased employees.

Newport Trust Company (Newport) has been contracted to serve as the Record-keeper and the Trustee of the Plan.

Contributions

The Plan includes automatic enrollment for all eligible employees, with deferral contributions set at 4% and allocated to a Vanguard target retirement fund determined by retirement age. Participants may elect to defer between 1% and 100% of their pre-tax or after-tax compensation, as defined by the Plan document, up to the maximum amount allowed by the Internal Revenue Service (IRS). Participants who are age 50 or older are allowed to make additional contributions (catch up) up to the maximum amount allowed by the IRS. Participants may also contribute amounts representing distributions from other qualified plans. The Group makes a non-discretionary matching contribution on a pay period basis equal to 60% of the amount that a participant contributes to the Plan. For the year ended December 31, 2018, the Group's non-discretionary matching contribution was approximately $508,000.

In addition, the Group may elect to contribute a discretionary profit sharing contribution. No discretionary profit sharing contributions were made or approved for the year ended December 31, 2018.

Participant accounts

Each participant's account is credited with the participant's contributions, rollovers, and allocations of McGraw's contributions and the Plan's earnings or losses. The Plan's earnings or losses are allocated based upon each participant's account balance. Certain fees are charged to the fund investments and are offset against the Plan's investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

1. Description of the Plan (Continued)

Vesting

Participant contributions, rollovers, and net earnings on these contributions are fully vested when made or earned.

McGraw's non-discretionary matching contributions and discretionary profit-sharing contributions, if any, as well as all earnings on these contributions, are vested according to the following schedule:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions, in percentage increments, into a series of mutual funds and money market funds offered by the Plan. Participants may change their investment options at any time.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of 50% of their vested account balance, not to exceed $50,000 reduced by the highest outstanding loan balance during the prior 12-month period. Loan terms range from 1 year to a maximum of 5 years, except for loans used to purchase the participants primary residence, which may be extended to 30 years. The loans are secured by the balance in the participant's account and bear an interest rate of 2% plus the prime interest rate. Interest rates on participant loans was 7.25% as of December 31, 2018. The amount of the loan, plus interest, is amortized over the repayment period. Loans are repaid by payroll deduction, personal checks from employees on leave, or cashier's checks for the full payoff of a note.

Payment of benefits

Upon retirement, death, or total disability, a participant's account balance is distributed at the direction of the participant (or his or her beneficiary): (a) in the form of a lump-sum cash payment; (b) for the purchase of a life annuity with payments guaranteed for 20 years; or (c) for the purchase of a 100% joint and survivor annuity. Additionally, under certain financial hardship circumstances, a participant may be permitted to withdraw all or part of their pre-tax contribution account.

Upon termination of employment for reasons other than death, disability, or retirement, the participant's employee accounts and vested portion of his or her employee accounts shall be paid to him or her in a lump sum payment upon the former employee's request.

1. Description of the Plan (Continued)

Forfeitures

Forfeitures that occur during a Plan year will be used to reduce expenses related to the administration of the Plan and to reduce future Group contributions. As of December 31, 2018 and 2017, forfeited non-vested accounts totaled approximately $55,000 and $131,000, respectively. Forfeited funds in the amount of approximately $157,000 were used to reduce the Group's matching contributions for the year ended December 31, 2018. No amounts were used for the year ended December 31, 2017.

2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing these financial statements are reasonable and prudent. Actual results could differ from these estimates.

Notes receivable from participants

Notes receivable are recorded at their unpaid principal balances plus any accrued but unpaid interest. Interest income on participant loans is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor and the Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (Continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Group. Expenses that are paid by the Group are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Information certified by the Trustee

Newport has prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, net realized and unrealized gains and losses on investments, and interest and dividend income, which was used to prepare the accompanying financial statements and supplemental schedules.

3. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the following fair value measurement.

- Level 1: quoted prices in active markets for identical assets or liabilities;

- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for financial instruments measured at fair value.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- Money market funds: Valued using fair value based on the outstanding balance.

3. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31:

2018	Level 1	Level 2	Level 3	Total
Mutual funds	$ 14,884,977	$ -	$ -	$ 14,884,977
Money market funds	1,656,374	-	-	1,656,374
Total	$ 16,541,351	$ -	$ -	$ 16,541,351

2017	Level 1	Level 2	Level 3	Total
Mutual funds	$ 14,987,058	$ -	$ -	$ 14,987,058
Money market funds	1,462,916	-	-	1,462,916
Total	$ 16,449,974	$ -	$ -	$ 16,449,974

4. Administrative Expenses

Administrative expenses of $11,648 were paid directly by the Plan for the year ended December 31, 2018.

5. Information Certified by the Trustee and the Record-keeper

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under this provision of ERISA, certain information certified need not be subject to independent audit.

The Plan Sponsor has obtained certification from the Trustee and the Record-keeper that the following information included in the Plan's financial statements is complete and accurate:

- Investments and participant loans as of December 31, 2018 and 2017, and
- Investment income and investment transactions for the year ended December 31, 2018.

6. Income Tax

The Plan uses a prototype plan document sponsored by Pension Specialists Inc. who received an opinion letter from the IRS dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRS. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes have been included in the Plan's financial statements.

7. Party-in-Interest Transactions

The Plan allows participants to borrow from their vested balances. These transactions qualify as party-in-interest transactions. All of these transactions are exempt from the prohibited transaction rules under ERISA.

8. Plan Termination

The Group has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Group reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, distributions will be made to participants as described in the Plan agreement.

9. Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

10. Subsequent Events

The Plan evaluated subsequent events until July 29, 2019, the date the financial statements were available to be issued. No items have occurred subsequent to December 31, 2018 requiring recording or disclosure in these financial statements.
