To the Plan Administrator
ASSA ABLOY Inc. Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ASSA ABLOY Inc. Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, as of or for the year ended December 31, 2018 are required by the DOL’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CEDES Corporation of America	Traka LLC
	Valli & Valli Inc.

* (which has employees from the following divisions: ASSA ABLOY Service Centers, Curries Company, Ceco Door Products, Security Metal Products, Concept Frames, Pioneer Industries)

Effective January 1, 2018, CEDES Corporation of America and August Home, Inc. became participating employers of AARSP. On August 8, 2018, assets totaling \$1,269,905 were transferred into AARSP from Cedes Corporation of America 401(k) Profit Sharing Plan and Trust. Effective July 1, 2018, Concept Frames Inc. and Pioneer Industries Inc. became participating employers of AARSP.

General

The Plan is a 401(k) defined contribution plan and covers all eligible employees, as defined in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees become eligible to contribute to the Plan on the first day of the month immediately following completion of 30 days of service, as defined by the Plan, and attainment of age 21. Employees become eligible to receive Company matching contributions and non-elective base contributions on the first day of the month immediately following completion of 12 months of service, as defined by the Plan, and attainment of age 21. The Employees Benefit Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The Plan is administered and sponsored by the Company. All funds and investments are held in accounts or invested in mutual funds under a trust agreement with Fidelity Management Trust Company (the “Trustee”), dated December 31, 1989. The expenses of amending, restating and administering the Plan are paid by the Plan to the extent not paid directly by, or reimbursed by, the Company.

ASSA ABLOY Inc. Retirement Savings Plan

Notes to Financial Statements

Contributions

Participants may contribute, on a pre-tax basis, up to 100% of their annual eligible compensation, as defined in the Plan document and subject to certain statutory limitations. The Company will also make matching contributions on the participant's behalf equal to 50% of the participant's pre-tax contribution to the extent that such pre-tax contributions do not exceed 3% of the participant's annual eligible compensation, as defined in the Plan document. The Company makes a base contribution equal to 3% of an eligible participant's eligible compensation for all Plan participants except Rixson-Firemark, as defined by the Plan document. The Company makes base contributions equal to 2.5% of an eligible participant's eligible compensation for Rixson-Firemark. The Plan may receive rollover contributions representing all or part of the entire amount of any distribution from another qualified retirement plan meeting the requirements of Internal Revenue Code ("IRC") Section 401(a).

Employer matching contributions that the Company makes on behalf of the participants are directed pro-rata to the same investment options as the participant contributions. Employer base contributions are directed to an investment option as elected by the participant or, if no election is made, to certain default fund options. Contributions are subject to certain limitations, including the Internal Revenue Service (the "IRS") annual compensation limit of \$275,000, for the year ended December 31, 2018. For the year ended December 31, 2018, each participant's contributions were also limited to a maximum of \$18,500. During 2018, all employees eligible to make salary reduction contributions and who attained age 50 before the close of the 2018 Plan year were eligible to make a \$6,000 catch-up contribution.

Participant Accounts

Each participant's account is credited or charged with the participant's contributions and an allocation of (a) the Company's base and matching contributions, (b) Plan earnings, (c) remaining forfeitures of terminated participants' nonvested accounts, if any, and (d) applicable expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their individual contributions, the Company's base contribution and the Company's matching contribution, plus actual earnings thereon.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

Participants may change their investment options subject to certain limitations and fees.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. With respect to transferred account balances, as defined by the Plan, from the prior Securitron Magnalock Corporation and ASSA ABLOY Hospitality, Inc. plans, a participant may elect to receive a payment in the form of a life annuity, a 50% joint and survivor annuity, or installment payments not extending beyond the life expectancy of the participant and a designated beneficiary. Participants with balances of \$1,000 or less will receive an automatic lump-sum distribution upon termination. If the participant balance is between \$1,000 and \$5,000, the Plan administrator will distribute such funds to an individual retirement account as directed by the Plan document.

ASSA ABLOY Inc. Retirement Savings Plan

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their accounts an amount between \$1,000 and \$50,000, but not to exceed one-half of a participant's vested balance. In addition, the Plan allows loans outstanding under certain prior plans to be rolled over into the Plan. Prior to November 1, 2016, loans could only be made for tuition payments for postsecondary education, major medical expenses of the participant's immediate family members or dependents, purchase of a primary residence, to prevent eviction or foreclosure, or for the payment of burial or funeral expenses for the employee's deceased spouse, children or dependents and expenses for the repair of damage to the employee's principal residence that would qualify for the casualty deduction under IRC Section 165. Effective November 1, 2016, the Plan was amended to eliminate the restriction of loans to only those participants that met these hardship requirements. Each loan is collateralized by the vested balance in the borrowing participant's account and bears interest at a reasonable rate of interest to be determined by the Plan administrator taking into consideration the interest rates being charged by regional and local banks, the prevailing prime rate and general economic conditions. The term of the loan cannot exceed five years, unless the loan is to be used for the purchase of a primary residence, in which case the term of the loan cannot exceed 20 years. All loans are subject to both an origination fee and an annual maintenance fee. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Principal and interest are paid ratably through regular payroll deductions. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the loan. As of December 31, 2018, interest rates on existing loans were between 3.25% and 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator when the loan was initiated.

Revenue Credit Account

The Plan has a revenue credit account with the Trustee to cover Plan expenses. The revenue credit account is treated as a Plan asset and must be used only for legitimate Plan expenses. Unused amounts for expenses may be allocated to participant accounts. During 2018, the Trustee contributed \$54,000 into the revenue credit account. The balance in the account totaled \$390,556 and \$330,162 at December 31, 2018 and 2017, respectively. During 2018, the Company did not use any monies from the account to pay Plan expenses or allocate to participants.

Forfeited Accounts

As of December 31, 2018 and 2017, forfeited non-vested accounts, and credits for other corrected balances, totaled approximately \$23,149 and \$34,504, respectively. These amounts represent forfeitures and other corrections carried forward from prior years and earnings on funds therein. As of January 1, 2002, all contributions are 100% vested; therefore, participant accounts subsequent to that date are not subject to forfeiture. These accounts will be used to reduce future employer contributions. Forfeited amounts not used to reinstate previously forfeited accounts, or to reduce future employer contributions, may be allocated to participants. During the year ended December 31, 2018, Company cash contributions were offset by \$20,319 from forfeitures and credits for other corrected balances. No amounts were used from forfeited accounts to pay administrative expenses of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, with the exception of benefit payments.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Investment transactions are

ASSA ABLOY Inc. Retirement Savings Plan

Notes to Financial Statements

recorded by the Trustee on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 7 – Fair Value Measurements). The Plan's Employee Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

The Plan presents in the statement of changes in net assets available for benefits the net depreciation in the fair value of its investments which consists of the realized losses and the unrealized depreciation on those investments.

Administrative Expenses

The expenses of amending, restating and administering the Plan and trust shall be paid by the Plan, to the extent not paid by the Company. Administrative expenses include fees and expenses of the fiduciaries of the Plan for the performance of their duties under the Plan, reasonable fees and expenses of any legal counsel, accountant, or agent for authorized services rendered, and all other proper charges and disbursements (including settlements of claims or legal actions approved by legal counsel). All loan fees and expenses directly or indirectly caused or incurred as a result of individual investment direction shall be paid from, and constitute a charge against, the respective account of a participant requesting such individual investment direction. Investment related expenses are included in net depreciation of fair value of investments. Administrative expenses paid by the Plan in 2018 were loan setup and maintenance fees, short-term redemption fees and overnight mail fees of \$264,511, which were deducted from the accounts of the respective participants. Administrative expenses paid by the Plan are paid net of any revenue credits that reimburse or pay directly the fees of a service provider or other expense of administering the Plan. During 2018, administrative expenses were offset by \$54,000 in revenue credits received from the Trustee. Any additional administrative expenses were paid by the Company in 2018 (see Note 4 - Related Party Transactions).

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in several mutual funds of which the underlying investments are any combination of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such change could materially affect participants' account balances reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through September 26, 2019, which is the date the financial statements were available to be issued.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Notes to Financial Statements

4. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by the Trustee and, therefore, these investment transactions qualify as party-in-interest transactions. Fees (excluding investment management fees) incurred by the Plan to the Trustee amounted to \$264,511 for the year ended December 31, 2018. In accordance with the terms of the Plan Document, the Company has paid certain fees of \$46,500 during 2018, which qualify as party-in-interest transactions. Participant loans in the amount of \$11,496,943, and the related interest of \$531,369, also qualify as party-in-interest transactions.

5. Tax Status

The IRS had determined and informed the Company by a letter, dated June 11, 2015, that the Plan is designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving this determination letter. However, the Plan administrator believes the Plan is designed and is currently being operated in accordance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be not sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Certified Investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2018 and 2017, and investment income and interest income on notes receivable from participants for the year ended December 31, 2018, that are disclosed in the accompanying financial statements and supplemental schedule, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee of the Plan.

7. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value.

That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

ASSA ABLOY Inc. Retirement Savings Plan

Notes to Financial Statements

- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 597,808,740	\$ -	\$ -	\$ 597,808,740

Assets at Fair Value as of December 31, 2017				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 610,456,455	\$ -	\$ -	\$ 610,456,455

8. Nonexempt Transactions

The Company has determined that nonexempt transactions occurred during 2018. The nonexempt transactions involved the submission of employee contributions and loan repayments to the Plan later than the earliest day on which such contributions could reasonably be segregated from the employer's general assets. During 2018, the Company took corrective action by making a contribution to the Plan for lost earnings and applicable excise tax in the amount of \$894, for the year ended December 31, 2018. During 2019, the Company took corrective action by making contributions to the Plan for lost earnings and applicable excise tax in the amount of \$419, for the year ended December 31, 2018. Management believes that these transactions should not affect the tax-qualified status of the Plan; therefore, no provision for income taxes has been included in the Plan's financial statements.

9. Subsequent Events

- Effective January 1, 2019, Luxer Corporation became a participating employer of AARSP and union employees of Jerith Manufacturing LLC became eligible to participate in AARSP
- Effective January 11, 2019, Cross Match Technologies, Inc. became a participating employer of AARSP
- Effective February 1, 2019, Marcon International, Inc. became a participating employer of AARSP
- Effective May 9, 2019, Door Control, Inc. became participating employer of AARSP
- Effective September 1, 2019, Preferred Technology Systems, Inc. became a participating employer of AARSP
