VANGUARD SPACE TECHNOLOGIES, INC.
401(k) RETIREMENT SAVINGS PLAN
(A MERGED PLAN)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 1, 2018

1. PLAN DESCRIPTION

The following description of the Vanguard Space Technologies, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees, as defined by the Plan, who are employed by Vanguard Space Technologies, Inc. (the "Company" and the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective May 11, 2016, the Plan Sponsor was acquired by SolAero Technologies Corp. and effective July 1, 2017, all remaining Plan Sponsor employees were transferred to Alliance Spacesystems, LLC, a subsidiary of SolAero Technologies Corp., and began participating in the SolAero Technologies Corp. 401(k) Plan. As a result, no contributions were made to the Plan after July 1, 2017.

Effective December 1, 2018, the Plan was merged into the SolAero Technologies Corp. 401(k) Plan and accordingly, assets of \$2,765,133 were transferred to the SolAero Technologies Corp. 401(k) Plan.

Participant Accounts - Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with allocations of Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions and Company contributions plus actual earnings thereon.

Payment of Benefits - On termination of service for any reason, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as permitted under the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America, primarily from data provided by Massachusetts Mutual Life Insurance Company in its capacity as administrative services agent for contracts issued by Hartford Life Insurance Company (the "Custodian").

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments are valued daily and interest is recognized on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative Expenses - Certain administrative expenses incidental to the administration of the Plan, including fees of the Custodian and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees which reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

Benefits Payable to Participants - Benefits are recorded when paid.

Fair Value - The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 1, 2018

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 1, 2018 and December 31, 2017.

Pooled Separate Accounts – Valued at the net asset value (“NAV”) of units of a pooled separate account (“PSA”) maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The primary investment objective of the PSA is to allow participants to achieve the same rate of return as the underlying mutual funds, less fees charged by the insurance company. The PSA do not have any unfunded commitments relating to their investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

Due to the merger of the Plan (see Note 1), there were no Plan assets as of December 1, 2018.

All of the Plan's investments are valued at NAV as a practical expedient and the following table sets forth the Plan's investments at fair value:

As of December 31,	2017
Investments measured at NAV practical expedient	\$ 3,786,141
Total investments at fair value	\$ 3,786,141

3. FINANCIAL DATA CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Custodian and was not subjected to any auditing procedures performed by the independent public accountants:

- a. Investments, at fair value and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 1, 2018 and December 31, 2017.
- b. Net appreciation of investments as shown in the accompanying statement of changes in net assets available for benefits for the period ended December 1, 2018.

4. FEDERAL INCOME TAX STATUS

The Company adopted a volume submitter plan which is the subject of a favorable tax opinion letter from the IRS dated March 31, 2014. The Company believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 1, 2018, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Plan was merged into the SolAero Technologies Corp. 401(k) Plan effective December 1, 2018.

6. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held and managed by the Custodian. Transactions with the Custodian qualify as party-in-interest transactions for which exemptions exist. The Custodian received direct fees of \$1,376 for administration fees, all of which were paid by the participants through the Plan, and received indirect compensation based on a formula. In addition, the Company utilizes a broker who received indirect compensation of \$7,556 and the Plan's third party administrator received direct and indirect fees of \$2,914 and \$1,321, respectively.

7. NOTES RECEIVABLE FROM PARTICIPANTS

Participants in the Plan could borrow against their vested account balance within specified guidelines, as defined in the Plan. The loan interest rate was set at one percent above the prime rate, as defined in the Plan. There were no participant loans issued or outstanding after December 31, 2017.

8. SUBSEQUENT EVENTS

The Company has evaluated subsequent events that have occurred through September 10, 2019, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements.
