SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Sheely's Furniture & Appliance Co., Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined contribution plan covering all non-union employees of Sheely's Furniture & Appliance Co., Inc. ("the Company") who have one year of service consisting of at least 1,000 service hours and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is an American Funds Distributors, Inc. Defined Contribution Prototype Plan and Trust.

Effective January 1, 2016, the Plan was amended and restated in its entirety to incorporate certain amendments, revise certain administrative procedures and make the amendments necessary to maintain the Plan's qualified status under the Internal Revenue Code of 1986, as amended, and regulations there under as discussed in Note 6 to these financial statements.

Contributions - Participants may contribute up to the lesser of the annual limitation (\$18,500 and \$18,000 for 2018 and 2017, respectively), or 100% of their pretax compensation, as defined in the Plan document. The Company provides a safe harbor matching contribution whereby the Company matches the participants' contributions equal to the sum of 100% of the amount of their salary reductions that are not in excess of 3% of their compensation, plus 50% of the amount of their salary reductions that exceed 3% of their compensation but not in excess of 5% of their compensation. The Company may elect to make additional matching contributions. During 2018 and 2017, the Company exceeded the safe harbor requirements by matching the participant's contributions equal to the sum of 100% up to the first 5% of the elected contribution percentage.

The Plan provides for additional elective deferrals for eligible participants subject to certain limitations. Eligible participants are those participants who will attain at least age 50 before the close of the Plan year who would otherwise be eligible to make elective deferrals under the Plan. The maximum additional elective deferral for 2018 and 2017 is limited to \$6,000.

Notes Receivable from Participants - The Plan does not permit notes to be made to the participants.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings and losses thereon. Allocations are based on participant earnings or account balances, as defined in the Plan document.

Investment Options - Participants may invest their voluntary contributions and the Company's contributions, plus actual earnings thereon into any of the 28 investment options provided by Capital Bank and Trust Company (the "Trustee") as listed in Note 3 to the financial statements. The participants may change their investment election for new contributions and existing balances daily.

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Vesting - Participants are immediately 100% vested in their voluntary contributions, rollover contributions, and Company contributions plus actual earnings thereon.

Forfeitures - No forfeitures are present in the Plan since all contributions are immediately 100% vested.

Payment of Benefits – A participant who has attained age 62, has incurred a hardship (as defined in the Plan document), or has become disabled may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service or death. Upon termination of service or death, if the participant's account balance is \$1,000 or less, a participant will automatically receive a lump-sum payment, less applicable withholding taxes. If the participant's account balance exceeds \$1,000 but is less than \$5,000, the participant must consent to an automatic distribution. If the participant does not elect to have such distribution paid, then the participant's account shall be distributed in a direct rollover to an Individual Retirement Account (IRA) designated by the plan administrator. If the participant's account balance is greater than \$5,000, the participant may elect to either (a) receive an immediate lump-sum amount equal to the value of his/her account or (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. In any event, withdrawal of the account balance must commence once the participant attains the age of 70 ½.

Plan Administration Expenses – Expenses incurred by the plan administrator and Trustee for their services and costs in administering the Plan are paid by the Company, except for certain transaction fees which are paid by the participants.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net Appreciation (Depreciation) in Fair Value of Investments - The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consist of the realized gains and losses from sales of investments and unrealized appreciation (depreciation) on investments. The net change in unrealized appreciation (depreciation) in the fair value of investments is determined by the change in fair value from the beginning of the year if held for the entire year or from date of purchase to the end of the year.

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Income Recognition - Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

New Accounting Pronouncements - During 2018 and 2017, various new Accounting Standards Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The plan administrator of the Plan has determined, based on their review, that none of the new accounting pronouncement that were issued are applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable and if they are applicable, their effect will be included in the notes to the financial statements.

The Plan's independent auditors did not perform auditing procedures with respect to information certified by the Trustee at December 31, 2018 and 2017, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

SHEELY'S FURNITURE & APPLIANCE CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

The Plan's mutual funds and money market fund are valued using quoted market prices.

The Plan's investments at fair value that are classified as Level 1, within the fair value hierarchy, are as follows as of December 31, 2018 and 2017.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service ("IRS") as to the Plan's tax-exempt status, the restated volume submitter plan from which the Plan was drafted has received a favorable determination from the IRS dated March 31, 2014. The Plan has been amended since receiving its determination letter. The plan administrator believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code ("IRC"). Therefore, the plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator believes as of December 31, 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee as defined by the Plan document. Transactions with the Trustee qualify as party-in-interest transactions. Direct fees paid by the Plan for benefits paid to participants were \$800 and \$400 for the years ended December 31, 2018 and 2017, respectively.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, assets will be allocated to each participant based on his/her respective account balance after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.
