NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of Raymond Handling Concepts Corporation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan that was established in 1988 by Raymond Handling Concepts Corporation (the "Company") to provide retirement benefits to eligible employees as defined in the Plan document.

The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration

The Company designated an Administrative Committee (the "Committee") to manage the operation and administration of the Plan. The Committee appointed Fidelity Management Trust Company ("Fidelity") trustee and to serve as record keeper.

Fund operating expenses, record keeping, trust and administrative fees are charged directly to investment accounts and are thereby factored into each account as a reduction of investment return. Administrative fees for participant requested transactions including participant loan administration and benefit payment processing are charged directly to participants. Other costs incurred for administering the Plan are paid by the Company.

C. Eligibility

All employees of the Company who are age 18 or older are eligible for the Plan. There is no service requirement. Eligible employees may enter the Plan on the first day of the quarter following their date of hire.

D. Contributions

Participants may elect to make pre-tax contributions, Roth after-tax contributions or a combination of both to the Plan up to the maximum amount permitted under provisions of the Code. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation. Participants age 50 or older may make additional catch-up contributions of up to $6,000 for the years ended December 31, 2018 and 2017. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are invested in accordance with participant investment directions and Plan provisions.

Eligible employees who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are auto enrolled at a deferral rate of 6% of eligible compensation.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Contributions (Continued)

The Company may make discretionary matching contributions as defined in the Plan and as approved by the Board of Directors. In 2018 and 2017, the Company matched 35% of the first 10% of compensation deferred by participants to a maximum of $1,500. The Plan also allows for discretionary profit sharing contributions. No discretionary profit sharing contributions were made for 2018 or 2017.

E. Vesting and Forfeitures

Participants are immediately 100% vested in amounts attributable to their salary deferrals and rollover contributions. Participants vest 20% annually in Company contributions and become fully vested after 5 years of service.

Forfeitures may be used to offset Plan expenses or to reduce future Company contributions. Forfeiture activity for the years ended December 31 is as follows:

	2018	2017
Forfeiture Account Balance:		
Beginning of Year	$ 14,430	$ 23,501
Amounts Forfeited	24,084	28,575
Investment Gains (Losses)	(1,102)	1,199
Transfers	127	1,003
Forfeitures Used to Reduce Company Contributions	(29,940)	(39,848)
End of Year	$ 7,598	$ 14,430

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions and the participant's share of investment earnings or losses and expenses. Plan assets are invested based on instructions received from participants. Contributions allocated to the accounts of participants who decline to make an investment election are invested in the Fidelity Advisor Freedom Fund appropriate for an individual's age and projected date of retirement.

G. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability or retirement, a participant or beneficiary may maintain his or her account in the Plan or choose to receive benefits in a lump sum equal to the value of the participant's vested account balance. Hardship withdrawals are permitted under limited circumstances. Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan maintains its accounting records on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 7).

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation (depreciation) in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market value, interest rates or other factors in the near term would materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2018 and 2017, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 4 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date.

NOTE 5 - INCOME TAX STATUS

The Company adopted a volume submitter plan document that has received an Internal Revenue Service advisory letter stating that the form of the Plan qualifies under applicable provisions of the Code. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and that the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED PARTY TRANSACTIONS

Payments of direct and indirect administrative fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Certain Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the closing market price of shares held by the Plan at year end. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date. The following table summarizes Plan investments at December 31 based on the inputs used to value them:

	Level 1	
	2018	2017
Mutual Funds	$ 15,311,551	$ 17,278,126

NOTE 8 - SUBSQUENT EVENTS

On July 1, 2019, all participants in this Plan were merged into The Raymond Corporation 401(k) Plan, and this Plan was terminated.

Management has evaluated subsequent events through September 25, 2019, the date on which the financial statements were available to be issued. Other than mentioned above, there are no additional material subsequent events that require recognition or additional disclosure in these financial statements.
