We were engaged to audit the accompanying financial statements of MBH Architects 401(k) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2018 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Principal Trust Company, the asset custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the asset custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the asset custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2018 is required by the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter - 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal Trust Company, the asset custodian of the Plan. Their report, dated October 5, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the asset custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2018

The form and content of the information included in the 2018 financial statements and supplemental schedule, other than derived from the information certified by the asset custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The 401(k) arrangement is available to all employees who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Profit sharing contributions to the Plan are determined by MBH Architects on an annual basis. MBH Architects made no contribution to the 401(k) Profit Sharing Plan in 2018.

The maximum annual amount that can be contributed to a 401(k) arrangement as an elective deferral, that is, as a pre-tax contribution, is $18,500 and $18,000 for 2018 and 2017, respectively. Individuals age 50 or over by the end of the plan year are allowed to make additional contributions to a 401(k) plan, in excess of the standard limits. Such additional contributions will be limited to $6,000 in 2018 and 2017.

The Plan also permits Roth deferrals.

Rollover:

The rollover "contribution" was rolled over from the qualified plan(s) maintained by a new employee's prior employer(s).

Participant accounts:

Each participant in the Plan has a segregated account. The objective of the Plan provisions is to afford each participant, within reasonable administrative limits, wide flexibility in selecting investments for his or her account. All investments are participant-directed. Each participant account is credited with the participant's contribution and allocation of: a) the Company's contribution, and b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting:

Participants are subject to vesting under the profit sharing plan. Participants are vested in increments of 20% for each year after one year of employment. After year two, employees are 20% vested. After six years, employees are 100% vested.

Payment of benefits:

Participant accounts are available for withdrawal at the participant’s death, retirement, total disability, age 59 1/2, or termination of employment with the Company. Participants who qualify for benefits and withdrawals are entitled to a lump-sum distribution of his or her vested account balance.

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2018 AND DECEMBER 31, 2017

Note 1. PLAN DESCRIPTION (Continued):

Notes receivables from participants:

Under the terms of the Plan, participants may borrow from their account, a minimum of $1,000 up to a maximum of $50,000 or 50% of the participant's account balance, whichever is less. The loans are secured by the balance in the participant's account. Loans bear a fixed rate of interest determined on the date of advance. Principal and interest is paid ratably through payroll deductions.

Forfeitures:

Forfeitures are retained in the Plan and may be used to pay plan expenses or to reduce amounts otherwise required to be contributed to the Plan. During the plan year ended December 31, 2018, $0 from the forfeiture account was used to pay plan expenses or allocated as an additional plan sponsor contribution.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Method of accounting:

The financial statements are presented on the accrual basis of accounting.

Cash equivalents:

Cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less.

Investment valuation and income recognition:

Investments are generally included in the financial statements at fair value as reported to the Plan by the asset custodian. Shares are stated at quoted market value. Gains and losses on investments are recognized in the period in which the appreciation or depreciation occurs. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains or losses and unrealized appreciation or depreciation on those investments.

As described in the Professional Accounting Standards, investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2018 AND DECEMBER 31, 2017

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in the fair value of investments.

Date of management's review:

The administrative committee has evaluated events through September 27, 2019, which is the date the financial statements were available to be issued.

Note 3. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United State of America requires the Administrative Committee to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Note 4. SIGNIFICANT CONCENTRATION OF CREDIT RISK:

The Plan's investments are held in a trust fund administered by Principal Financial Group.

The Plan provides for various investment options in any one of a combination of pooled separate accounts that invest in stocks, bonds, fixed income securities and other investment securities. These investments are exposed to various risks, such as credit, interest rate and market. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 5. INFORMATION PREPARED AND CERTIFIED BY ASSET CUSTODIAN (UNAUDITED):

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). As permitted under such election, Principal Trust Company, the asset custodian of the Plan, certified information regarding fair value of all investments and notes receivable from participants as of December 31, 2018 and December 31, 2017 and investments and notes receivable from participants transactions entered into during 2018, which was used in the preparation of the accompanying financial statements and supplemental schedules.

Note 6. FAIR VALUE MEASUREMENTS:

Professional accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,
- Level 2 inputs consist of quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and observable inputs other than quoted prices for the assets,
- Level 3 inputs are unobservable and significant to the fair value measurement; these measures have the lowest priority.

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded

As of December 31, 2018 and 2017, the Plan's investments consisted of mutual funds with fair values of $12,139,919 and $11,350,198, respectively.

Note 7. BENEFIT-RESPONSIVE INVESTMENT (GUARANTEED INTEREST CONTRACT):

The Plan entered into a benefit-responsive investment contract with Principal Trust Company. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

As described in Note 2, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to benefit-responsive investment. Contract value, as reported to the Plan by Principal Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed interest contract is presented on the face of the statements of net assets available for benefits at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

As of December 31, 2018 and December 31, 2017, the Plan had $225,075 and $331,520, respectively, in guaranteed interest contracts, a benefit-responsive investment.

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2018 AND DECEMBER 31, 2017

Note 8. PLAN TERMINATION:

Although it has not expressed the intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 9. INCOME TAX STATUS:

The Plan obtained a determination letter in which the Internal Revenue Service stated that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 10. RELATED PARTY TRANSACTIONS:

Plan investments are held and managed by Principal Trust Company. Principal Trust Company is the asset custodian as defined by the Plan. Fees paid by the Plan to Principal Trust Company for investment management services amounted to $8,362 for the year ended December 31, 2018. These transactions qualify as party-in-interest transactions, which are exempt from the ERISA prohibited transaction rules.
