INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Peoples First Properties, Inc. Section 125 Plan

We have audited the accompanying financial statements of Peoples First Properties, Inc. Section 125 Plan, which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Peoples First Properties, Inc. Section 125 Plan as of December 31, 2018 and 2017, and the changes in its net assets available for benefits for the year ended December 31, 2018 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4j – Schedule of Reportable Transactions, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

PEOPLES FIRST PROPERTIES, INC. SECTION 125 PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

General

The following description of Peoples First Properties, Inc. Section 125 Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan provides various benefits to eligible employees and their covered dependents of Peoples First Properties, Inc. Section 125 Plan (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Affordable Care Act ("ACA").

Eligibility

TGI Friday's non-management employees are eligible to join the Plan after completing 12 months of service. All other employees of the Company are eligible to join the Plan upon completion of 60 days of service. Part-time employees, as defined, are not eligible to participate in the Plan. Upon meeting eligibility requirements, employees may elect to participate in the Plan on the first day of the month coinciding with or following the date the employee met the eligibility requirements.

Benefits

The Plan offers several coverage options, including medical, dental, vision, life, and short-term and long-term disability and accidental death and dismemberment insurance. Except for medical and dental benefits, all benefits offered under the Plan are fully insured. The Plan uses multiple third-party administrators to process benefits offered by the Plan to eligible participants and their beneficiaries. The Plan also offers an employee health savings account (HSA) option for single and dependent coverage and dependent care assistance.

Reinsurance

The Plan has specific reinsurance coverage in the amount of $220,000 per covered individual. The individual deductible for this coverage is $110,000. If an individual's claim exceeds the deductible, the reinsurer will reimburse the Plan for the claim expense which exceeds $110,000.

Contributions

Each year, participants may elect certain benefits to be funded by deductions from their payroll. The Company also contributes amounts to the Plan to cover the difference between claims, premiums, and expenses paid and the amount funded by the Participant deductions.

Administrative Expenses

The majority of costs to administer the Plan are paid by the Plan. These costs include accounting and third-party administration. A portion of administrative costs are paid by the Plan Sponsor.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("generally accepted accounting principles" or "GAAP"). Annual returns are filed under applicable provisions of ERISA and the IRC.

Use of Estimates and Risks and Uncertainties

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, claims payable, and disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in mutual funds are valued based on the quoted market prices. The Plan's investment in a common collective trust fund is valued by the custodian of the fund based upon the quoted market prices of the underlying investments held by the fund. The fair values of common stock are based on quoted market prices from active markets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes both realized and unrealized gains and losses on investments.

Payment of Benefits

Claims and premiums are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Benefit Obligations

As of December 31, 2018 and 2017, the Plan had claims payable in the amount of $377,895 and $390,026, respectively. The Plan's liability for incurred but unreported claims ("IBNR") is estimated using historical trend information. As of December 31, 2018 and 2017, the Plan's IBNR was approximately $350,000 and $550,000, respectively.

As of December 31, 2018 and 2017, the change in benefit obligations is as follows:

	2018	2017
Claims payable	$ 377,895	$ 390,026
IBNR	350,000	550,000
Total plan benefit obligations	$ 727,895	$ 940,026
Change in plan benefit obligations	$ (212,131)	

3. FAIR VALUE MEASUREMENTS

The Plan has adopted ASC 820, *Fair Value Measurement Disclosures ("ASC 820").* ASC 820 established a fair value hierarchy that prioritized the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities inputs (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. FAIR VALUE MEASUREMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methods described in Note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2018, the Plan held no investments. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017.

December 31, 2017	Level 1	Level 2	Fair Value
Money market	$ 28,755	$ -	$ 28,755
U.S. government securities	35,475	-	35,475
Corporate bonds	260,733	-	260,733
Corporate stocks	115,153	-	115,153
Total	$ 440,116	$ -	$ 440,116

4. DUE TO AFFILIATED COMPANY

During 2018 and 2017, the Plan was advanced $632,000 and $225,000 from Royal American Development, which is wholly owned by Peoples First Properties and included in the Plan. As of December 31, 2018, $0 had been repaid and $857,000 was due to the affiliated company. During 2017, the Plan received $111,500 from First Spectrum, which is wholly owned by Peoples First Properties and included in the Plan. As of December 31, 2018, $0 had been repaid and $111,500 was due to the affiliated company.

5. EXEMPT PARTY IN INTEREST TRANSACTIONS

During 2018 and 2017, the Plan paid administrative expenses to First Service Corporation for the administration of the Plan. The Plan also paid administrative expenses to Florida Blue and Sun Life for the administration of claims processing and to Tarwater & Company for administration of the audit.

6. INCOME TAX STATUS

The trust was established for purposes of holding the Plan's assets and is intended to qualify pursuant to Section 501(c)(9) of the IRC. The Company has not obtained an exemption letter from the Internal Revenue Service. The Plan Administrator believes that the trust continues to qualify and to operate in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Administrator has the right under the Plan to amend and terminate the Plan, subject to the provisions set forth in ERISA. In the event of termination, the Company will contribute the necessary amounts to fund all claims and expenses incurred prior to the date of termination.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2018 and 2017 is as follows:

	2018	2017
Net assets available for benefits per the financial statements	$ (642,328)	$ 230,843
Benefit obligations currently payable	(727,895)	(940,026)
Net assets available for benefits per the Form 5500	$ (1,370,223)	$ (709,183)

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2018 is as follows:

Net decrease per the financial statements	$	(873,171)
Less benefit obligations payable - December 31, 2017		940,026
Benefit obligations payable - December 31, 2018		(727,895)
Total net income (loss) per the Form 5500	$	(661,040)

9. CONCENTRATIONS

Concentration of Credit Risk

The Plan maintains its cash in bank deposit accounts, which, at time, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan believes it is not exposed to any significant credit risk on cash and cash equivalents.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 25, 2019, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure under the Subsequent Events topic of ASC 855, *Subsequent Events.*
