We were engaged to audit the accompanying financial statements of LDI Trucking, Inc. Retirement Plan which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance (U.S.A), the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental schedule of Schedule of Assets (held at end of year) as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance (U.S.A), the trustee of the Plan. Their report, dated October 11, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2018

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. DESCRIPTION OF PLAN

The following description of the LDI Trucking, Inc. Retirement Plan ("Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The plan is a defined contribution plan covering all employees of LDI Trucking, Inc. ("the Company" or "Employer"), who are at age twenty-one or older except employees included in a bargaining unit covered by a collective bargaining agreement with the Employer and non-resident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees has been delegated with the responsibility of administrative and fiduciary oversight of the Plan.

Contributions

Employee contributions are based on voluntary elections by the participants directing the Company to defer a stated amount from the participant's compensation. Participants may elect to defer up to 100% of their eligible compensation.

The safe harbor matching contribution will be determined on an annual basis; however, on a per pay period basis, the Company makes a matching contribution on behalf of each eligible participant equal to 100% of participant deferral up to the first 3% of the participant's compensation. Additional profit-sharing amount may be contributed at the discretion of the Company's management and are allocated as a percentage of compensation of eligible participants for the plan year. Contributions are limited by Section 401(k) of the Internal Revenue Code (the "IRC"). The Plan permits rollover contributions from other qualified plans; however, rollover contributions are not eligible for the Company matching contribution.

Investment Alternatives

Plan participants may direct their entire account balances in partial percentage increments to any of the various investment options offered by the Plan. Company contributions are also invested based upon participant allocation elections. Participants may change their investment options on a daily basis.

Participant Accounts and Allocation

Each participant's account is credited with the participant's contributions, Company matching contributions, and Plan earnings (losses). Transaction fees charged for participant loans and distributions are allocated directly to that participant's account. Allocations of Plan earnings (losses) are based on participant account balances in relation to total fund account balances, as defined by the Plan document.

NOTE 1. DESCRIPTION OF PLAN, continued

Vesting and Distributions

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continues service. A participant is 100% vested after five years of credit services.

Participant accounts are distributable, in full or as partial withdrawals, in the form of a lump sum payment of cash as elected by the participant upon retirement, termination of employment, death, disability, financial hardship, attainment of age 59-1/2, or if a qualified reservist is called to active military duty. Participant account balances of less than $5,000 are automatically distributed in a single lump sum. In addition, participant accounts can be rolled over into an individual retirement account ("IRA") or another qualified defined contribution plan. Forfeitures of unclaimed distributions are used to offset Company matching contributions.

Notes Receivable from Participants.

Participants may borrow from accounts a minimum of $1,000 up to a maximum $50,000 or 50% of their vested account balance. Loans are collateralized by the balance in the participant's account and bear interest at a rate determined by the Plan administrator at the time the loan is executed based on the prevailing rate charged by other lenders for a similar loan. Principal and interest are paid ratably through payroll deductions.

Forfeited Accounts

In the event that a participant terminates employment prior to 100% vesting, the portion of the Company's contributions which is not vested is forfeited at that time. Participant forfeitures are used to reduce administrative fees and any remaining amounts will be used to reduce employer contributions. The forfeited non-vested accounts balance was $3,858 as of December 31, 2018.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Investment Valuation and Income Recognition

The Plan's investments are presented at fair value, based on the quoted market prices of the underlying securities within each fund. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation/(depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income recognized when earned. Dividends are recorded on the ex-dividend date. New appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents.

Risk and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the value of investment securities will occur in the near term that such change could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Payments of Benefits

Benefits are recorded when paid except for any excess contributions payable to participants, which are recorded as they become payable.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are not reflected within the financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation/(depreciation) of the fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2019, the date the financial statements were available to be issued.

NOTE 3. UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Investment activities included in the Plan's financial statements, the accompanying notes, and supplemental schedule were prepared in part or entirely from information certified by Mid Atlantic Trust Company in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. The Plan administrator has obtained certifications from John Hancock Life Insurance (U.S.A) that such information is complete and accurate.

The following is a summary of the unaudited information regarding the Plan:

The value of investments as indicated in the statements of net assets available for benefits and notes to financial statements.

All information indicated in the statement of changes in net assets available for benefits, with the exception of contributions, benefits paid to participants and administrative expense.

All information indicated in the supplemental schedule.

NOTE 4. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Valuation based on quoted prices for identical assets and liabilities in active markets.

Level 2 – Valuation based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Valuations based on unobservable inputs reflecting the Company's own assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

Following is a description of the valuation methodologies used for assets measures at fair value. There have been no changes in the methodologies used at December 31, 2018.

Mutual Funds and Money Market: Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV is a quoted price in an active market.

Common Stock: Valued at the closing price reported on the active market on which the common stock is traded

Common/Collective Trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018			
	Quoted Price in Active Markets For Identical Assets (Level 1)	*Significant Other Observable Inputs (Level 2)*	*Significant Unobservable Inputs (Level 3)*	*Total*
Pooled separate accounts	$423,414		-	$423,414
Total investments, at fair value	$423,414	-	-	$423,414

	Assets at Fair Value as of December 31, 2017			
	Quoted Price in Active Markets For Identical Assets (Level 1)	*Significant Other Observable Inputs (Level 2)*	*Significant Unobservable Inputs (Level 3)*	*Total*
Pooled separate accounts	$94,198		-	$94,198
Total investments, at fair value	$94,198	-	-	$94,198

NOTE 5. RELATED PARTY TRANSACTIONS

Notes receivable from participants qualify as party-in-interest transactions, but are exempted from the prohibited transactions of ERISA.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7. TAX STATUS

The plan sponsor adopted a third-party prototype plan that is pre-approved by the Internal Revenue Service in 2014. On the determination letter provided by the IRS dated March 31, 2014 indicated that, in the opinion of the IRS, the prototype plan is in compliance with the provision of the applicable section of Internal Revenue Code (IRC). Although the prototype plan has made amendments since the issuance of determination letter, the Plan administrator believe the prototype Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt. As of December 31, 2018, the Plan has not received nor requested a determination letter from the Internal Revenue Service.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that would likely not be sustained upon examination by a taxing authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
