Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matters

Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee of the Plan. Their report, dated July 31, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974.

AMERICAN LEGEND SERVICES 401(k) PLAN

Notes to Financial Statements

1 - Description of Plan

The following description of American Legend Services 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

A. General - The Plan became effective October 1, 2003 and is a defined contribution 401(k) plan covering substantially all eligible employees of American Legend Services , Inc. (the "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is intended to be a qualified retirement plan under the Internal Revenue Code.

B. Plan Amendment - On March 9, 2017, the Plan was amended to change the Plan's name from American Legend Homes 401(k) Plan to American Legend Services 401(k) Plan.

C. Contributions - Participants may voluntarily contribute to the Plan up to an annual maximum of 60% of eligible compensation, pursuant to a salary reduction arrangement. Total participant contributions in any calendar year are restricted to the applicable limit under Internal Revenue Code Section 402(g). The applicable limit for the plan year ended December 31, 2018 is $18,500 with an additional $6,000 catch-up provision for participants age fifty or older. The Sponsor's discretionary matching contribution was based on a percentage of employee deferrals subject to a maximum of 50% of 3% of participants' eligible compensation for the year ended December 31, 2018. The Plan allows for the Sponsor to make additional discretionary profit sharing contributions at the end of each plan year. The Sponsor elected not to make discretionary profit sharing contributions for the year ended December 31, 2018. The participants direct the investment of the employee deferrals and the Sponsor discretionary matching and profit sharing contributions to the various investment options offered by the Plan.

D. Expenses of Administering the Plan - Administrative expenses recorded in the financial statements represent expenses that were absorbed by participants related to the administration of the Plan.

E. Participants' Accounts - Each participant's account is credited with the participant's contributions, the Sponsor's matching and discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined within the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

F. Eligibility and Vesting - Employees of the Sponsor become eligible to participate in the Plan once they have attained the age of twenty-one.

Participants' contributions plus actual earnings thereon are 100% vested at all times. Vesting of Sponsor matching and discretionary contributions plus earnings thereon is based upon four full years of credited service allowing for various severance periods as follows:

Years of Service	Vested Percentage
1	25%
2	50%
3	75%
4	100%

A participant is 100% vested upon termination by reason of retirement, death, or disability. Upon termination, any amount in which the participant is not vested shall be forfeited.

AMERICAN LEGEND SERVICES 401(k) PLAN
Notes to Financial Statements

1 - Description of Plan (continued)

G. Notes Receivable from Participants - Participants may borrow from their accounts a minimum of $1,000, and up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. The loans bear interest at variable rates and are secured by the balances in the participants' account. Principal and interest payments are redeposited in the participants' accounts based on their current allocation elections within the Plan.

H. Payment of Benefits - Upon termination of service or retirement, participants entitled to payment under the Plan will have the option of receiving a lump sum distribution equal to their vested account balance or rolling their distribution over to an IRA or other qualified retirement plan.

I. Forfeited Accounts - Forfeitures may be applied to reduce future Sponsor contributions or to pay Plan expenses. As of December 31, 2018, forfeited non-vested accounts which had not yet been used to reduce Sponsor contributions totaled $42. During the year ended December 31, 2018, forfeited non-vested accounts used to reduce Sponsor contributions totaled $3,000.

2 - Summary of Significant Accounting Policies

A. Basis of Presentation - The accompanying financial statements were prepared on the accrual basis of accounting. Therefore, revenues are recognized when earned, and expenses are recorded when the obligation is incurred.

B. Valuation of Investments - Investments are stated at fair value as determined and certified by Fidelity Management Trust Company (the "Trustee"). Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

C. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

D. Payment of Benefits - Benefits are recorded when paid. Corrective distributions generally represent the distribution of certain assets to employees in order for the Plan to comply with ERISA nondiscrimination rules. There were no corrective distributions for the year ended December 31, 2018.

E. Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

F. Reclassification - Certain reclassifications were made to the 2017 financial statements presentation in order to conform to the 2018 financial statements presentation.

G. Subsequent Events - The Sponsor has evaluated subsequent events through September 20, 2019, the date the financial statements were available to be issued.

AMERICAN LEGEND SERVICES 401(k) PLAN
Notes to Financial Statements

3 - Information Certified by the Trustee

The Sponsor elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan has certified that all of the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2018 and 2017.

Net investment loss and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2018.

Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2018.

4 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become fully vested in their accounts.

5 - Income Tax Status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

AMERICAN LEGEND SERVICES 401(k) PLAN
Notes to Financial Statements

7 - Fair Value Measurements

As required by the Fair Value Measurements topic of the Financial Accounting Standards Board *Accounting Standards Codification* ("FASB ASC"), all financial assets and liabilities are measured at fair value on a recurring basis. The topic establishes a framework for measuring fair value and enhances disclosure requirements for fair value measurements. The topic defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The topic establishes market or observable inputs as the preferred sources of values, followed by assumptions based on hypothetical transactions in the absence of market inputs. The topic establishes a hierarchy for grouping these assets and liabilities, based on the significance level of the following inputs:

Level I - Quoted prices in active markets for identical assets or liabilities.

Level II - Quoted prices in active markets for similar assets and liabilities, quoted prices for identical or similar instruments in markets that are not active and model-derived valuations whose inputs are observable or whose significant drivers are observable.

Level III - Significant inputs to the valuation model are unobservable.

The following is a listing of assets and liabilities required to be measured at fair value on a recurring basis and where they are classified within the hierarchy as of December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018				
	Level I	Level II	Level III	Other	Total
Interest in registered investment companies	$ 7,566,721	$ -	$ -	$ -	$ 7,566,721
Interest-bearing cash	634,616	-	-	-	634,616
Total assets at fair value	$ 8,201,337	$ -	$ -	$ -	$ 8,201,337

	Assets at Fair Value as of December 31, 2017				
	Level I	Level II	Level III	Other	Total
Interest in registered investment companies	$ 7,871,201	$ -	$ -	$ -	$ 7,871,201
Interest-bearing cash	115,304	-	-	-	115,304
Total assets at fair value	$ 7,986,505	$ -	$ -	$ -	$ 7,986,505

Interest in registered investment companies include money market and mutual funds that are valued using quoted prices on nationally recognized securities exchanges.

Interest-bearing cash investments are valued based on cost, which approximates fair value in a non-inflationary economy.

The preceding methods described may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AMERICAN LEGEND SERVICES 401(k) PLAN

Notes to Financial Statements

8 - Parties-in-Interest Transactions

The Plan pays fees for various administrative and custodial services provided during the year. Fees paid using Plan assets during the year ended December 31, 2018 for these services totaled $400. These fees were based on customary and reasonable rates for such services.

The Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged and pays annual auditing fees on behalf of the Plan.
