To the Plan Administrator of Hull and Associates, Inc.
Retirement Plan
Dublin, Ohio

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Hull and Associates, Inc. Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan. Their report, dated August 28, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2018

The form and content of the information included in the 2018 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HULL AND ASSOCIATES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2018 and 2017

DESCRIPTION OF PLAN

The following brief description of the Hull and Associates, Inc. Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Hull and Associates, Inc. (the Company) who have one month of service and are age 21 and over. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the first day of the month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan provides for employee salary deferrals up to 90% of eligible wages, as defined in the Plan, on either a pre-tax or Roth basis subject to statutory limitations. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes Safe Harbor employer non-elective contributions in an amount equal to 4% of the employees' eligible compensation contributed to the Plan. Safe Harbor employer non-elective contributions totaled \$325,926 and \$318,768 for the years ended December 31, 2018 and 2017, respectively.

The Company may also make discretionary matching or non-elective contributions. Discretionary non-elective contributions are allocated based on an excess integrated allocation formula. The participant must complete 1,000 hours of service and be employed on December 31 of the Plan year in order to receive any Company contributions.

The Plan also provides for an employer profit sharing contribution, which is in addition to the employer's Safe Harbor contribution. Profit sharing contributions totaled, \$178,601 and \$142,029 for the years ended December 31, 2018 and 2017, respectively. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Code (IRC).

Participant Accounts

Separate accounts are maintained for each participant. Each participant's account is credited with the participant's voluntary contribution, rollover contributions, any matching, or profit sharing contributions made by the Company, and earnings or losses on those contributions. Company discretionary and profit sharing contributions are allocated based on participants' compensation as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all employee contributions and the Company's Safe Harbor contributions, plus actual earnings or losses thereon. Vesting in the Company's discretionary and profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 4 years of credited service.

Notes Receivable from Participants

Participants may borrow from their vested account balance, up to 50%, not less than \$1,000 and not to exceed \$50,000. Loans bear interest at prime rate plus 1% at the time of issuance. Terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS - Continued

December 31, 2018 and 2017

DESCRIPTION OF PLAN – Continued

Forfeited Accounts

Forfeitures represent the non-vested portion of employer contributions to accounts of former participants. The balance in the account at December 31, 2018 and 2017 was \$21 and \$20, respectively. These accounts will be used to pay Plan expenses or to reduce future Company contributions. During the years ended December 31, 2018 and 2017, \$6,876 and \$4,276, respectively, were used to reduce Company contributions.

Payment of Benefits

Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount at that time or defer receipt of their account balance until age 70 ½. For termination of service due to death of a participant, the beneficiary will receive a lump-sum distribution that will be equal to the balance in the participant's account. Upon death the participant becomes fully vested in their account balance. If the participant's account balance is \$5,000 or less, the Plan administrator may elect to automatically distribute the balance to the participant in a single-sum payment.

In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships. However, only salary deferrals may be distributed to participants that qualify for hardship. Earnings on salary deferrals and contributions made by the Company may not be distributed to the participants that qualify for hardship.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document.

Investment Options

Upon enrollment in the Plan, a participant may currently direct contributions in any of the various investment options offered by the Plan in 1% increments. Participants may change their investment options at any time.

Plan Termination

The Plan Sponsor reserves the right at any time to amend or terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, all participants will become fully vested in the employer portion of contributions.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan prepares its financial statements using the accrual basis of accounting. Following are the significant accounting policies followed by the Plan:

Contributions

Contributions are recorded as earned on the accrual basis when withheld from the participant's earnings.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition

At December 31, 2018 and 2017, the Plan was invested in various mutual funds and a common collective trust fund. Investments in mutual funds are recorded at fair value based upon quoted market prices. Cost of investments is determined using average cost and is used when determining realized gains and losses upon disposition.

The common collective trust value is based on net asset value per share (NAV), as reported in the fund's audited financial statements. The NAV, which is determined and made available to the Plan on a daily basis, is based on the fair value of the underlying investments held by the trust less its liabilities. Transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations at the then current NAV will be carried out in an orderly business manner. The common collective trust has a daily redemption frequency, a redemption notice period of one year and no unfunded commitments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on the Plan administrator's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

New Accounting Standards

In January 2016, Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-01, *Financial Instruments - Overall Recognition and Measurement of Financial Assets and Financial Liabilities*. ASU 2016-01 amended Accounting Standards Codification (ASC) 825, *Financial Instruments*, and eliminates the requirement to disclose the fair value of financial instruments not recorded at fair value required under ASC 825. This ASU is effective for years beginning after December 15, 2018. The Company does not expect the adoption of this ASU to have a significant impact on the financial statements.

REPORTABLE TRANSACTIONS

The Plan's assets are participant-directed, and thus, the schedule of reportable transactions and certain cost information is not required.

HULL AND ASSOCIATES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - Continued

December 31, 2018 and 2017

INCOME TAX STATUS

The Plan is based on a prototype plan which has received a favorable opinion letter from the Internal Revenue Service that the prototype plan is designed to qualify as being exempt from Federal income taxes. The Plan Administrator has not separately applied for a determination letter from the Internal Revenue Service. However, the Plan Administrator believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no provision for income taxes have been included in the financial statements.

The Plan complies with ASC 740-10 related to uncertain tax positions. This standard prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. Plan administration is not aware of any tax positions taken by the Plan that it considers to be uncertain. Tax returns for the years ended 2015, 2016 and 2017 are open and subject to examination by the Internal Revenue Service.

CERTIFIED INFORMATION

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected to restrict the scope of the auditor's examination with the regard to statements or information prepared and certified by Reliance Trust Company, the Trustee. Reliance Trust Company has certified as to the completeness and accuracy of the investments it holds, notes receivable from participants and interest income thereon, changes in net assets arising from investment activity, and the schedule of assets held at the end of the year as of and for the years ended December 31, 2018 and 2017.

PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by the Plan's investment advisor, as is customary in retirement plans. Reliance Trust Company is the plan's trustee. Everhart Advisors is the investment advisor of the Plan. BHM CPA Group, Inc. serves as the Plan's auditors. As a result, transactions with these entities qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee received compensation from the Plan. Certain administrative expenses of the Plan are paid directly by the Plan Sponsor and are not charged to the Plan.

RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The information included on the Form 5500 for 2018 was consistent with the audited financial statements.

FAIR VALUE MEASUREMENTS

The Plan complies with ASC 820, *Fair Value Measurements and Disclosures*, to account for and report fair value. ASC 820 provides a single definition of fair value, a framework for measuring fair value and expanded disclosures concerning fair value. It also defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

NOTES TO FINANCIAL STATEMENTS - Continued

December 31, 2018 and 2017

FAIR VALUE MEASUREMENTS - Continued

Fair value of certain assets and liabilities are determined based on the fair value hierarchy established in the standard, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The standard describes three levels within its hierarchy that may be used to measure fair value which are:

Level 1

Values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2

Values are based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3

Values are generated from unobservable inputs that are supported by little or no market activity and that are a significant component of the fair value of the assets or liabilities. These unobservable inputs would reflect management's estimates of assumptions that market participants would use in pricing related assets or liabilities. Valuation techniques might include the use of pricing models, discounted cash flow models or similar techniques.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the classification of fair value assets and liabilities within the fair value hierarchy levels.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2018 and 2017:

		Fair Value Measurements Using:		
	<u>Current Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2018				
Mutual funds	<u>\$ 25,471,482</u>	<u>\$ 25,471,482</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2017				
Mutual funds	<u>\$ 26,422,846</u>	<u>\$ 26,422,846</u>	<u>\$ -</u>	<u>\$ -</u>

The fair value of the mutual funds is based on the closing price reported on the active market on which the individual securities are traded. As a result, they are considered Level 1.

The common collective trust fund was valued at fair value using NAV as the practical expedient and thus was excluded from the fair value hierarchy above.
