To the Plan Administrator
Cedar Village 403(b) Matching Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Cedar Village 403(b) Matching Plan (the "Plan"), which comprise the statement of net assets in liquidation as of March 8, 2019 and December 31, 2018 and the statement of net assets as of December 31, 2017 and the related statement of changes in net assets in liquidation for the period from January 1, 2019 through March 8, 2019 and for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2019 Financial Statements

Our responsibility is to express an opinion on the financial statements as of March 8, 2019 and for the period from January 1, 2019 through March 8, 2019 based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements as of March 8, 2019 and for the period from January 1, 2019 through March 8, 2019.

Auditor's Responsibility for the 2018 and 2017 Financial Statements

Our responsibility is to express an opinion on the financial statements as of December 31, 2018 and 2017 and for the year ended December 31, 2018 based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion on the 2018 and 2017 Financial Statements* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

To the Plan Administrator
Cedar Village 403(b) Matching Plan

Basis for Disclaimer of Opinion on the 2018 and 2017 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the investments held by Reliance Trust Company (the "Trustee") and related transactions in those investments were excluded from the scope of our audit of the Plan's financial statements as of December 31, 2018 and 2017 and for the year ended December 31, 2018, except for comparing the information provided by the Trustee, which is summarized in Note 3, with the related information included in the financial statements.

Disclaimer of Opinion on the 2018 and 2017 Financial Statements

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2018 and 2017 Financial Statements* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements as of December 31, 2018 and 2017 and for the year ended December 31, 2018.

Opinion on the 2019 Financial Statements

In our opinion, the 2019 financial statements referred to above present fairly, in all material respects, the net assets of the Plan as of March 8, 2019 and the changes in net assets for the period from January 1, 2019 through March 8, 2019, on the liquidation basis of accounting described in Note 2.

Emphasis of Matter

As discussed in Note 6 to the financial statements, the plan sponsor of Cedar Village 403(b) Matching Plan terminated the Plan effective July 31, 2018. As a result, the Plan changed its basis of accounting for periods subsequent to December 31, 2017 from the going-concern basis to a liquidation basis. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule of assets held at end of year in liquidation as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2018 and 2017 Financial Statements* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2018 and 2017 Financial Statements

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Plan Description

The following description of Cedar Village 403(b) Matching Plan (the "Plan"), prior to its termination, as described in Note 6, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Jewish Home of Cincinnati, Inc. d/b/a Cedar Village (the "Organization") who have completed 12 months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan provides for employee salary 401(k) contributions up to a maximum of 100 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Plan allows participants to contribute up to 3 percent of their compensation on an after-tax basis. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. No contributions were allowed after the Plan termination described in Note 6.

The Plan provides for discretionary employer matching contributions of 100 percent of the participant's contribution not to exceed 3 percent of the employee's deferred compensation, which, at the discretion of the board of trustees, ceased on February 28, 2017.

The Plan also provides for employer discretionary contributions allocated based on a percentage of compensation upon attaining age 18 and one year of service. During the period from January 1, 2019 through March 8, 2019 and the year ended December 31, 2018, there were no employer discretionary contributions made.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Organization's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Benefit Payments

Distributions are payable upon retirement, death, disability, termination of employment, or termination of the plan in the form of a lump-sum amount equal to the vested balance of a participant's account.

Participants may request that all or a portion of their account be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

Vesting

Participants' contributions, the employer matching contribution, and the employer discretionary contributions and related earnings are fully vested at all times and are not subject to forfeiture for any reason.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by The Standard Insurance Company or its affiliates. The Standard Insurance Company is the recordkeeper of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

March 8, 2019, December 31, 2018, and December 31, 2017

Note 1 - Plan Description (Continued)

Termination

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. As discussed in Note 6, the Plan was terminated effective July 31, 2018.

Participant Notes Receivable

Participants may borrow from their accounts subject to certain maximum and minimum amounts, as prescribed in the Plan and in the Internal Revenue Code. Notes receivable bear interest at a market rate.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

As discussed in Note 6 to the financial statements, the plan sponsor terminated the Plan effective July 31, 2018. As a result, the Plan changed its basis of accounting for periods subsequent to December 31, 2017 from the full accrual basis to the liquidation basis.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process, and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Organization.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

March 8, 2019, December 31, 2018, and December 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 2, 2019, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

Reliance Trust Company (the "Trustee") held the Plan's investments and executed all investment transactions. The investment balances as of December 31, 2018 and 2017 and related investment income and losses included in the accompanying financial statements for the year ended December 31, 2018 and supplemental schedule of assets held at end of year as of December 31, 2018 are based solely on information certified by the Trustee.

Interest and dividend income of \$1,144 and net realized and unrealized gains on investments of \$18,800 for the period ended March 8, 2019, included in the accompanying financial statements, are based solely on information provided by the Trustee.

Note 4 - Tax Status

The Internal Revenue Service (IRS) is not currently accepting applications for individual 403(b) plan determination letters. The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of Internal Revenue Code Section 403(b). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 5 - Fair Value Measurements

The following valuation methodologies have been used to value the Plan's investments:

Common Collective Trust Fund

The common collective trust fund is valued at net asset value per share (NAV) or its equivalent of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on this investment. The common collective trust fund is a fixed income fund that invests in a variety of fixed-income investments, which may include corporate bonds, both U.S. and non-U.S. municipal securities, interest rate swaps, options, and futures. The common collective trust fund totaled \$37,924 and \$164,867 as of December 31, 2018 and 2017, respectively. There was no balance outstanding for the common collective trust fund as of March 8, 2019, as all assets of the Plan were fully liquidated.

Pooled Separate Accounts

The pooled separate accounts are valued at net asset value per share or its equivalent of the funds, which is based on the fair value of the funds' net underlying assets. There are no redemption restrictions or unfunded commitments on these investments. The following table presents the balance of the pooled separate accounts as of December 31, 2018 and 2017. There was no balance outstanding for the pooled separate account as of March 8, 2019, as all assets of the Plan were fully liquidated.

Note 6 - Termination - Liquidation Basis

Effective July 31, 2018, the plan sponsor elected to terminate the Plan. All contributions ceased after the plan termination and participants were fully vested in their account balances. The Plan adopted the liquidation basis of accounting in periods subsequent to December 31, 2017, as described in Note 2.

Liquidation of assets through distributions to participants with account balances occurred during 2018 and 2019, and the Plan was fully liquidated by March 8, 2019.
