HAVER TYLER PROFIT SHARING & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Haver Tyler Profit Sharing & Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan that covers substantially all employees of Haver Tyler, Inc., Major Wire Screening, Inc., Major Wire Screen Media, Ltd., and Major Wire Texas, Inc. (collectively the "Company"), who are at least 18 years of age and have completed three months of service. The Plan became effective January 1, 1998. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration:

The plan administrator oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the plan administrator.

Contributions:

Participants may elect to contribute on a pre-tax or Roth 401(k) basis a portion of their eligible compensation subject to certain limitations of the Plan and the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible participants are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company has elected to make annual "safe harbor" matching contributions to the Plan equal to 100% of each participant's elective deferrals that do not exceed 4% of each participant's compensation for the Plan year.

Participant Accounts:

Participant and employer contributions are invested in various investment funds in proportions selected by each participant. Dividends, interest, and other income earned are reinvested by the fund managers in the fund for which such income was received. Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of Plan earnings and expenses based on account balances maintained or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Notes Receivable From Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and the loan interest rate is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits:

Upon termination of service due to death, disability, retirement, or attainment of age 70½, a participant may elect to receive distributions either as a lump-sum distribution equal to his or her vested account balance or periodic installments over a period not to exceed the participant's life expectancy. Under certain circumstances, a participant's ability to receive distributions is restricted until the participant reaches age 59½. If a terminated participant's account balance is between \$1,000 and \$5,000, the plan administrator will make an automatic rollover of the account balance to a qualified individual retirement account. If the participant's account balance is less than \$1,000, the plan administrator directs the Trustee to make a lump-sum distribution. Distributions of a participant's account balance may be authorized at any time by the Investment Committee under certain hardship conditions, as defined.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").
- B. Investment Valuation and Income Recognition – Investments are reported at fair value as reported by Reliance Trust Company ("Reliance"), the Trustee of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- C. Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2018 or 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

HAVER TYLER PROFIT SHARING & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

- D. Plan Expenses – All administrative fees of the Plan are paid by the Plan or by the Company at the option of the Company except fees related to participant loans and distributions, which are paid by the affected participants.
- E. Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- F. Benefit Payments – Benefits are recorded when paid.
- G. Subsequent Events – The Plan has evaluated subsequent events through October 4, 2019, the date the financial statements were available to be issued.

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments, with the exception of the participant directed brokerage accounts, and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2018 and 2017, the supplemental schedule at December 31, 2018, the related investment and loan interest activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2018 and 2017, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants as follows:

	<u>2018</u>	<u>2017</u>
Registered investment companies	\$ 6,592,851	\$6,526,346
Notes receivable from participants	208,301	137,820
Interest income on notes receivable from participants	6,222	4,049
Interest and dividends	431,686	351,276
Net (depreciation) appreciation	(1,015,784)	558,548

Note 5. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities

HAVER TYLER PROFIT SHARING & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Fair Value Measurements (Continued)

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 – Unobservable inputs in which little or no market data exists

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- Registered investment companies: Valued at quoted closing market price reported in active markets for identical investments, and are classified as Level 1.
- Common stock: Valued at the closing price reported in the active market in which the individual securities are traded, and are classified as Level 1.
- Cash: Interest bearing cash is classified as Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodologies used from 2017 to 2018. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets at fair value as of December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 6. Income Tax Status

The Plan has adopted a prototype plan provided by Great-West Trust Company. Great-West Trust Company has received an opinion letter dated March 31, 2014, from the Internal Revenue Service stating that the prototype plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. Although the Plan has been amended since adopting the prototype plan, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8. Party-in-Interest Transactions

Certain plan investments are held in funds managed by JPMorgan Chase Bank, N.A. ("JPMorgan"). JPMorgan is the Investment Advisor and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative expenses in the amount of \$15,896 and \$2,500 were paid to the Trustee in 2018 and 2017, respectively.
