NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Approved Oil Co. of Brooklyn, Inc. 401(K) Profit Sharing Plan & Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all full-time employees (1,000 hours of service) of the Company who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees governance of the Plan. The Plan's Custodian determines the appropriateness of the Plan's investment of offerings, monitors investment performance, and reports to the Plan's Trustee.

Contributions
Employer Profit Sharing Contributions: The amount of the Employer Profit Sharing Contribution if any, will be determined accordingly to a discretionary formula in an amount determined each year by the managing body of the Employer and will be allocated to each Qualifying Participant's Individual Account under the Pro Rata Formula.
Qualifying Participant:
For any Plan Year that an Employer Profit Sharing Contribution is made, you will be entitled to share in that contribution if you satisfy the following conditions: (1) You are a Participant, and (2) If you terminate employment, you work at least 500 hours of service during the Plan Year. The Profit Sharing Contribution will be calculated based on an annual frequency.
Elective Deferrals:
Elective deferrals will be permitted under this Plan. The following types of elective deferrals are permitted under this Plan: (1) Roth and (2) Pre-tax. By completing a Salary Reduction Agreement to make an Elective Deferral to this Plan, your Compensation will be reduced each pay period by a percentage of your Compensation from 0% to 92% in increments of 1%.
Matching Contributions: Employers will make Matching Contributions, but only on Elective Deferrals. If Matching Contributions will be made under this Plan, your Employer will make contributions on behalf of Qualifying Contributing Participants making Elective Deferrals based on an amount equal to 100% of the portion of your Elective Deferrals which does not exceed 5% of your Compensation.

Participant Accounts
Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. The vesting schedule below applied to Employer Profit Sharing and Matching Contributions.

Year	Percent Vested

NOTE A – DESCRIPTION OF PLAN (continued)

Notes Receivables from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 47.5% of their account balance. The notes are secured by the balance in the participant's account and bear interest rate of Prime plus 1%. Principal and interest is paid ratably for a term of 12 months to 54 months (General Loan); 55 to 120 months (Primary Loan). Roth Contributions may not be used.

Payment of Benefits
On termination of service due to death, disability or retirement, a participant may elect to receive either lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payment or annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts
At December 31, 2018, no employees forfeited their accounts.

NOTE B – SUMMARY OF SIGNIFICANT POLICIES

Basis of Accounting – the financial statements of the Plan are prepared under the accrual method of accounting.

Estimates – the preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments Valuation – the Plan's investments are stated at fair value.

Payment of Benefits – are recorded when paid.

Forfeited Accounts – during the year ended December 31, 2018, $2,744 of the total invested participant account balances from prior years were forfeited.

Operating Expenses – all expenses of maintaining the Plan are paid by the Company.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobserved and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 were not available.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Organization may determine.

NOTE H – FEDERAL INCOME TAX STATUS

The Plan has adopted a prototype "standardized" plan and the prototype sponsor has received a determination letter from the Internal Revenue Service indicating that the Plan is a qualified plan meeting the requirements of applicable sections of the Internal Revenue Code. Accordingly, Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE I –PLAN ADMINISTRATION

Certain administrative functions are performed by officers or employees of the Organization. No such officers or employee receive compensation from the Plan. Generally, administrative expenses, other than those expenses charged directly to the Plan by Paychex, Inc., are paid directly by the Organization.

NOTE J – RISKS AND UNCERTAINTIES

The participants through the Plan invest in various investment securities (See Note C). Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statement of net assets available for benefits.

NOTE K – SUBSEQUENT EVENTS

Subsequent events were evaluated through October 7 2019, which is the date the financial statements were available to be used.
