SEVEN SEVENTEEN CREDIT UNION, INC.
401(K) SAVINGS PLAN FOR UNION EMPLOYEES
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of the Seven Seventeen Credit Union, Inc. 401(k) Savings Plan for Union Employees (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Seven Seventeen Credit Union, Inc. (the "Credit Union"). Eligibility is subject to the minimum age requirements specified in the Plan. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility and Vesting: Non-excluded Employees are eligible to participate in the Plan on the first entry date provided the employee has attained the age of 18 and has completed 90 days of credited service. Excluded employees that are not eligible consist of leased employees, independent contractors, and Non-Union employees. Participants are immediately vested in their voluntary and rollover contributions plus actual earnings thereon. The Plan is a safe harbor plan and participants are immediately vested in safe harbor contributions. All Plan participants vest in matching and profit sharing contributions, at a rate of 20% beginning at year two, and would be fully vested at year six. Certain participants, in accordance with the Plan, would receive another employer discretionary contribution annually until the year of retirement, voluntary termination, involuntary termination or death. This employer contribution is 100% vested.

Contributions: Participants may elect to defer to the Plan a portion of their eligible earnings on a pre-tax basis up to the maximum allowed under Section 402(g) of the Internal Revenue Code ("IRC"). Participants may contribute funds from another qualified plan as rollover contributions. Participants also have the option of 401(k) Roth deferrals in this Plan. The Credit Union contributes a safe harbor contribution equal to 3% of compensation each pay period and a 4% profit share contribution at year end. The Credit Union also contributes a matching contribution of 100% of salary deferrals up to a maximum 6%. In addition, certain participants receive another employer discretionary contribution annually of which the amounts are fixed per the Plan.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Credit Union's contribution and allocations of the Plan earnings and losses, reduced by distributions and certain plan expenses. Allocations are based on participant contributions, participant earnings, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participant: Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.50% to 5.25%, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits: Upon termination of service due to death, disability, or retirement, benefits are paid either in a lump sum, in the form of an annuity, or in equal installments over a period not more than the participant's or designated beneficiary's assumed life expectancy at the time of distribution. For termination of service for other reasons, a participant may receive that value of the vested interest in his or her account as a lump-sum distribution.

SEVEN SEVENTEEN CREDIT UNION, INC. 401(K) SAVINGS PLAN FOR UNION EMPLOYEES NOTES TO THE FINANCIAL STATEMENTS
--

Forfeitures: A participant vests in the employer contributions in accordance with the provisions of the Plan. Forfeitures of nonvested amounts remain in the Plan and are used to reduce future contributions/expenses of the Plan sponsor. There were approximately \$45,000 and \$25,000 of forfeited amounts available as of December 31, 2018 and 2017, respectively. There were approximately \$6,000 of forfeiture amounts used to reduce employer contributions/expenses or reallocated for the year ended December 31, 2018.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation: The Plan's financial statements are on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator/Management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

Recent Accounting Pronouncements: In July 2018, the Financial Accounting Standards Board (FASB) issued ASU No. 2018-09, Codification Improvements. The following four FASB ASC improvement directly related to plan accounting and amended the following: 1) FASB ASC 820-10 Fair Value Measurement Overall, specifically FASB ASC 820-10-50-2(bbb)(2), FASB ASC 962-325, Plan Accounting- Defined Contribution Pension Plans - Investment-Other, FASB ASC 962-205, Plan Accounting-Defined Contribution Pension Plans-Presentation of Financial Statements, and added FASB ASC 962-360, Plan Accounting-Defined Contribution Pension Plans-Property, Plant and Equipment.

The amendment to FASB ASC 820-10-50-2(bbb)(2) provided an indefinite deferral related to the requirement that the plan present quantitative information about the significant unobservable inputs used in the fair value measurement of investment in securities of the plan sponsor or the plan sponsor's nonpublic affiliated entities categorized within level 3 of the fair value hierarchy. FASB ASC 820-10-50-2(bbb)(2) is indefinitely deferred for nonpublic EBP's.

SEVEN SEVENTEEN CREDIT UNION, INC. 401(K) SAVINGS PLAN FOR UNION EMPLOYEES NOTES TO THE FINANCIAL STATEMENTS
--

The amendment to FASB ASC 962-325, Plan Accounting-Defined Contribution Pension Plans-Investment-Other, removed the stable value common collective trust fund from the illustrative example in FASB ASC 962-325-55-17 to avoid the interpretation that such an investment would never have a readily determinable fair value. Rather, a plan should evaluate whether a readily determinable fair value exists to determine whether those investments may qualify for practical expedient to measure at net asset value in accordance with Topic 820.

The amendments to FASB ASC 820-10-50-2(bbb)(2) and FASB ASC 962-205 and the addition of FASB ASC 960-360 did not require transition guidance and were effective upon issuance. The amendment to FASB ASC 962-325 follows the transition guidance already in effect in the ASU.

FASB issued ASU No. 2018-03 in August 2018. For nonpublic entities, the following was removed: the changes in unrealized gains and losses for the period included in earnings for recurring level 3 fair value measurements held at the end of the reporting period. The following disclosures were modified: 1) in lieu of rollforward for level 3 fair value measurements, a non-public entity is required to disclose transfers into and out of level 3 of the fair value hierarchy and purchases and issues of new level 3 assets and liabilities; 2) for investments in certain entities that calculate NAV, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced timing publicly; and 3) the amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date.

Administrative Expenses: Essentially all plan expenses are paid for by the Plan. Certain other expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

Subsequent Events: Credit Union Management has evaluated subsequent events through September 17, 2019, the date on which the financial statements were available to be issued.

***NOTE 3: INVESTMENT CONTRACT WITH INSURANCE
COMPANY***

The Plan holds an investment contract with VOYA Retirement Insurance & Annuity Company (VOYA). The assets are invested in a fund, which is fully benefit-responsive, reported as the VOYA Fixed Account in the Plan's accounting records. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because this contract meets the fully benefit-responsive investment contract criteria, the contract is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by VOYA, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

SEVEN SEVENTEEN CREDIT UNION, INC. 401(K) SAVINGS PLAN FOR UNION EMPLOYEES NOTES TO THE FINANCIAL STATEMENTS
--

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a periodic basis.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual agreements may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 4: INVESTMENTS - UNAUDITED

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net appreciation/loss in fair value of investments, interest and dividends for the year ended December 31, 2018, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by VOYA Retirement Insurance & Annuity Company. This information has not been audited by independent public accountants.

NOTE 5: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

The availability of inputs relevant to the asset or liability and the relative reliability of the inputs might affect the selection of appropriate valuation techniques.

Level 1 Inputs

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs

Inputs to the valuation methodology include:

- (a) quoted market prices for similar assets or liabilities in active markets;
- (b) quoted market prices for identical or similar assets or liabilities in inactive markets;
- (c) inputs other than quoted market prices that are observable for the asset or liability;
- (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

SEVEN SEVENTEEN CREDIT UNION, INC. 401(K) SAVINGS PLAN FOR UNION EMPLOYEES NOTES TO THE FINANCIAL STATEMENTS
--

Level 3 Inputs

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2018:

Mutual Funds: Fair values of mutual funds are determined by the mutual fund's Share Prices/Net Asset Values (NAVs) which is published and transacted on an active market.

Common/Collective Trust (CCTs): Fair values of common collective trusts are determined by the mutual fund's Share Prices/Net Asset Values (NAVs) which is published and transacted on an active market.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,893,690	\$ -	\$ -	\$ 7,893,690
Common/collective trusts	106,798	-	-	106,798
Total assets at fair value	\$ 8,000,488	\$ -	\$ -	\$ 8,000,488

Assets at Fair Value as of December 31, 2017				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,533,675	\$ -	\$ -	\$ 8,533,675
Common/collective trusts	115,336	-	-	115,336
Total assets at fair value	\$ 8,649,011	\$ -	\$ -	\$ 8,649,011

***NOTE 6: TRANSACTIONS WITH
PARTIES-IN-INTEREST***

Certain Plan investments are shares and mutual funds managed by VOYA Retirement Insurance & Annuity Company. VOYA Retirement Insurance & Annuity Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

SEVEN SEVENTEEN CREDIT UNION, INC. 401(K) SAVINGS PLAN FOR UNION EMPLOYEES NOTES TO THE FINANCIAL STATEMENTS

NOTE 7: TAX STATUS

The Internal Revenue Service has determined and informed the Credit Union by a letter dated September 1, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan management believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, Seven Seventeen Credit Union, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9: RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at year end to Form 5500:

NOTE 10: RISKS AND UNCERTAINTIES

The Plan invests in various investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

REPORT TO THE

PLAN TRUSTEES

**To the Plan Trustees of
Seven Seventeen Credit Union, Inc. 401(k) Savings Plan for Union Employees
Warren, Ohio**

We have completed a DOL limited-scope audit of the financial statements of the Seven Seventeen Credit Union, Inc. 401(k) Savings Plan for Union Employees (the “Plan”) as of and for the year ended December 31, 2018 and have issued our report thereon dated September 17, 2019. As permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole.

Communication of Matters Related to Plan’s Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan’s internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal controls. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow Management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Credit Union’s financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in

*-For Internal Use Only-
B-1*

To the Plan Trustees of
Pima Federal Credit Union 401(k) Plan and Trust
Tucson, AZ

internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter, our responsibility, as described by professional standards, is to plan and perform our audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement and are fairly presented in accordance with generally accepted accounting principles in the United States of America. Because an audit is designed to provide reasonable, but not absolute, assurance and because we did not perform a detailed examination of all transactions, there is a risk that material errors, fraud, or other illegal acts may exist and not be detected by us.

As part of our audit and except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information summarized in Note 4 to those financial statements, we considered the internal controls of the Plan. Such considerations were solely to determining our audit procedures and not to provide any assurance concerning such internal controls.

Independence

Generally accepted auditing standards require independence for all audits. Relevant matters to consider in reaching a conclusion about independence include circumstances or relationships that create threats to auditor independence and the related safeguards that have been applied to eliminate those threats or reduce them to an acceptable level.

It is the policy of our firm that all Associates be familiar with and adhere to the independence, integrity, and objectivity policies of the firm. In this regard, any transaction, event, circumstance, or action that would impair the firm's independence is prohibited. We are familiar with Rule 101 of the AICPA's Code of Professional Conduct and subsequent auditing standards, and their interpretations and ruling which requires that we are independent in fact and in appearance. All of our Associates are required to sign an Independence Representation Form when hired and annually thereafter. In addition, we inform all Associates on an ongoing basis whenever a new client engages our services in order that our Associates can review their independence with the new client at that time. Any conflicts must be reported to the Quality Control Director. For the period covered by the attached audited financial statements, all of our Associates involved in this engagement are independent of your Credit Union.

In accordance with our professional standards for this engagement, it is required that all Associates of Nearman, Maynard, Vallez, CPAs who were involved in this engagement, are independent of the Credit Union, its staff, and any of its representatives and have not assumed any management responsibilities. It is the responsibility of Management to make all management decisions and perform all management functions with the information provided to them as a result of this engagement and designate a competent individual to oversee the services preferably within senior management, who possesses

suitable skill, knowledge, and/or experience. Management should assess and be satisfied that such an individual understands the services to be performed, the scope, risk, and frequencies of activities which is sufficient to oversee them. These management decisions and functions include, but are not limited, to accepting responsibility for the implementation of and/or the decision to implement the results of the services performed and to evaluate the adequacy of procedures performed and the findings resulting from the performance of those procedures. They also conduct ongoing monitoring activities. It is also part of Management's responsibility for designing, implementing, and maintaining the process of internal controls and to monitor those internal controls to assess the quality of their performance over time. Monitoring activities are procedures performed to assess whether components of internal control are present and functioning. Monitoring can be accomplished through ongoing evaluations, or separate evaluations, or some combination of the two. Ongoing evaluations are generally defined, routine operations built into the Credit Union's business processes and performed on a real-time basis. Ongoing evaluations, including managerial activities and everyday supervision of employees, monitor the presence and functioning of the components of internal control in the ordinary course of managing the business.

Significant Accounting Policies

Management has the responsibility for selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used and adopted by the Plan are described in Note 2 to the financial statements. We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by Management and are based on Management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Significant Audit Adjustments

For purposes of this letter, professional standards define a significant audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An adjustment may include those proposed by us but not recorded by the Plan that could potentially cause future financial statements to be materially misstated, even though we have concluded that such adjustments are not material to the current financial statements. We proposed and posted an employer contribution receivable adjustment of \$310,619 to record the 2018-year end earned contribution which was paid to the Plan during 2019. We proposed no other audit adjustments that

could, in our judgment, either individually or in the aggregate, have a significant effect on the Credit Union's financial reporting process.

Uncorrected Misstatements

We have accumulated all known and likely misstatements, if any, identified during the audit, other than those that we believe are insufficient, and communicated them to the appropriate level of Management. Our communication also revealed the implications of a failure to correct known and likely misstatements and the possible implications in relation to future financial statements, if any.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with Management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during our audit.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Issues Discussed Prior to Retention of Independent Auditors

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Difficulties Encountered in Performing the Audit

Serious difficulties encountered in dealing with Management that relate to the performance of the audit are required to be brought to the attention of the Plan Trustees and Retirement Committee. We encountered no difficulties in dealing with Management in performing our audit.

This report is intended solely for the information and use of the Plan Trustees, Credit Union Officials, and Management of the Plan and should not be used by anyone other than these specified parties.
