Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Capital Bank and Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the Plan administrator by the trustee is complete and accurate.

Contributions

Each year, participants may voluntarily contribute from 2% up to 40% of eligible annual compensation, as defined by the Plan, provided that such contributions do not exceed the limitations under the IRC for 2018 of $18,500, plus a maximum of $6,000 in catch-up contributions for participants who have attained age 50 before the end of the Plan year. Highly compensated employees are subject to additional limits set forth in the IRC. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation for the first year, with incremental increases of 1% until contributions reach a maximum of 10%. Their contributions are invested in a designated balanced fund until changed by the participant.

Note 1 - Description of the Plan (cont'd.)

Contributions (cont'd.)

The Sponsor may make discretionary non-elective contributions in an amount to be determined by the Sponsor and allocated to participants based on the ratio of the eligible compensation to the total eligible compensation paid to all eligible participants. Such contributions are invested as directed by the participant. No such additional contributions were made during the year ended December 31, 2018. Participants are eligible for discretionary contributions upon completion of 1,000 hours of service in a consecutive 12-month period beginning on the date of hire.

Participant Accounts

Each participant account is credited with the participant's contributions and rollover contributions and an allocation of employer contributions, if any, as well as allocations of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants shall have a vested percentage in the Sponsor's matching contributions and/or nonelective contribution accounts according to a graded vesting schedule based on years of service as follows:

Years of Service	Percent Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In addition, participants become 100% vested with respect to the Sponsor's contributions upon death, disability or attaining their 65th birthday while, in each case, in the employment of the Sponsor.

Note 1 - Description of the Plan (cont'd.)

Notes Receivable from Participants

Participants may borrow from their fund one loan at any given time of a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account. The loans are secured by the balance in the participant's account and bear interest based on the prime rate plus 1%, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the funds are used to acquire a principal residence, in which case the maximum repayment period is fifteen years.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary is entitled to receive an amount equal to the value of the participant's vested interest in his or her account as a lump-sum distribution, or in installment distributions over a specified period not to exceed the life expectancy of the participant or beneficiary. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows certain withdrawals at age 59½ and hardship withdrawals.

Forfeitures

At December 31, 2018 and 2017, forfeited accounts totaled $33,479 and $11,817, respectively. These accounts are asset holding accounts and include funds held for unclaimed property, to be disbursed to terminated participants, and investment adviser fee recapture to be used to pay future adviser fees and other administrative expenses of the Plan or reallocated to participant accounts.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Delinquent notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. Interest rates on loans outstanding at December 31, 2018 range from 4.25% to 10.00%.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Plan and charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 3 - Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan, as of December 31, 2018 and 2017 and for the year ended December 31, 2018. This information has not been audited by the independent auditors.

	2018	2017
Investments at fair value:		
Mutual funds	$ 44,122,543	$ 48,287,554
Stable value collective trust fund	3,376,648	2,744,052
	$ 47,499,191	$ 51,031,606
Notes receivable from participants	$ 1,046,221	$ 939,921
Investment (loss) income:		
Net depreciation in fair value of investments	$ (5,259,026)	
Dividend and interest income	2,977,580	
	$ (2,281,446)	
Interest income on notes receivable from participants	$ 47,622	

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Note 4 - Fair Value Measurements (cont'd.)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: Valued at the NAV of units of the bank collective trust and composed primarily of fully benefit-responsive investment contracts. The NAV is used as a practical expedient to fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchase and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Fair Value Measurements (cont'd.)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2018 and 2017. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended December 31, 2018, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

	Assets at Fair Value at December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 44,122,543	$ -	$ -	$ 44,122,543
Stable value collective trust fund (a)				3,376,648
Total investments at fair value				$ 47,499,191

	Assets at Fair Value at December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 48,287,554	$ -	$ -	$ 48,287,554
Stable value collective trust fund (a)				2,744,052
Total investments at fair value				$ 51,031,606

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4 - Fair Value Measurements (cont'd.)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2018 and 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	As of December 31, 2018			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable Value Collective Trust Fund	$ 3,376,648	n/a	Daily	12 Months

	As of December 31, 2017			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable Value Collective Trust Fund	$ 2,744,052	n/a	Daily	12 Months

Note 5 - Related-Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by American Funds, an affiliate of Capital Bank and Trust Company, the Trustee. Therefore, fees paid to this entity qualify as party-in-interest transactions.

American Funds receives revenue from mutual fund and collective trust fund service providers for services American Funds provides to the funds. This revenue is used to offset certain amounts owed to American Funds for its administrative services to the Plan. If the revenue received by American Funds from such mutual fund or collective trust fund service providers exceeds the amount owed, American Funds remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2018, there were excess amounts of $59,925. The Plan or Plan Sponsor may make a payment to American Funds for administrative expenses not covered by revenue sharing.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 6 - Tax Status

The Plan has adopted the American Funds Distributors, Inc. Prototype Non-standardized Profit Sharing Plan. Accordingly, the Plan is permitted to rely on American Funds Distributors, Inc.'s opinion letters. The Internal Revenue Service has determined and informed American Funds Distributors, Inc. by letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is exempt.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax benefit only if it is more likely than not that the tax position would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2015.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Delinquent Participant Contributions

During the year ended December 31, 2018, the Sponsor did not submit employee contributions and loan repayments of $51,934 in a timely manner. This requires the Sponsor to file notice with the Internal Revenue Service and the Department of Labor, which will result in the payment of an excise tax by the Sponsor. These delinquent contributions were corrected by the Sponsor on August 22, 2018.

Note 10 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 31, 2018 through October 2, 2019, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
