INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Bretford Manufacturing, Inc. Employee Benefit Trust

We have audited the accompanying financial statements of Bretford Manufacturing, Inc. Employee Benefit Trust, which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Bretford Manufacturing, Inc. Employee Benefit Trust as of December 31, 2018 and 2017, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held for Investment Purposes at End of Year is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

BRETFORD MANUFACTURING, INC.
EMPLOYEE BENEFIT TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

(1) DESCRIPTION OF PLAN:

The following description of the Bretford Manufacturing, Inc. Employee Benefit Trust (Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General -

The Plan provides health and other benefits to eligible employees of Bretford Manufacturing, Inc. (the Sponsor) and covered dependents.

Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Benefits -

The Plan provides health benefits (medical, vision, dental, and prescription drugs) and temporary disability benefits to all participants and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage -

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits -

All other Plan benefits are self-insured. The claims for self-insured benefits (other than short-term disability) are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Sponsor. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions -

The Sponsor's policy is to contribute the maximum amounts allowed as a tax deduction by the Internal Revenue Code. Employees contribute specified amounts, determined periodically by the Sponsor, and have the option to extend coverage to eligible dependents.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting -

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affected the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits -

Premiums paid by either the Sponsor or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors or the Sponsor that have yet to be reimbursed by the Plan are recorded as accounts payable in the accompanying statements of net assets available for benefits. Short-term disability payments are processed through the Sponsor's payroll system and paid from the general assets of the Sponsor. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Stop Loss -

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. For the years ended December 31, 2018 and 2017, stop loss refunds totaling $495,838 and $45,468 have been netted with claims paid in the accompanying statement of changes in net assets.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies and procedures and reports to the Plan management. See note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned.

Subsequent Events -

Management has evaluated subsequent events for the Plan through October 3, 2019, the date the financial statements were available to be issued.

(3) CLAIMS INCURRED BUT NOT REPORTED:

Plan obligations at December 31, 2018 and 2017, for benefit claims incurred by participants but not reported at that date are estimated by the Plan based mainly on health benefits lag reports provided by the administrator. Such estimated amounts are reported in the accompanying statements of the Plan's benefit obligations at estimated present value. These amounts are paid by the Plan only if claims are submitted and approved for payment.

(4) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

The money market fund is valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily Net Asset Value ("NAV") and to transact at that price.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2018:

	Assets at Fair Value as of December 31, 2018:			
	Fair Value	Level 1	Level 2	Level 3
Money market funds *	$ 695,527	$ -	$ 695,527	$ -

(4) FAIR VALUE MEASUREMENTS (CONTINUED):

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2017:

	Assets at Fair Value as of December 31, 2017:			
	Fair Value	Level 1	Level 2	Level 3
Money market funds *	$ 967,720	$ -	$ 967,720	$ -

* - Represents a nonparticipant directed investment and an investment that is more than 5% of the plan's ending net assets for the year reported.

(5) ADMINISTRATIVE EXPENSES:

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Sponsor on behalf of the Plan.

(6) TAX STATUS:

The VEBA trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)9 of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the appropriate taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) TERMINATION OF THE PLAN:

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

(8) RISKS AND UNCERTAINTIES:

The Plan invests in a money market fund with a bank. This money market fund is not covered by the bank's FDIC insurance.

The present value of benefit obligations is reported based on certain assumptions noted on health benefit lag reports. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500 as of December 31, 2018:

Net assets available for benefits per the financial statements	$ 707,363
Benefit obligations currently payable	(93,145)
Net assets available for benefits per Schedule H of Form 5500	$ 614,218

The following is a reconciliation of benefits paid to participants per the accompanying financial statements to Schedule H of Form 5500 as of December 31, 2018:

Benefits paid to participants per the financial statements	$ 1,271,063
Add: Amounts payable at end of year	91,074
Less: Amounts payable at beginning of year	(93,145)
Benefits paid to participants per Schedule H of Form 5500	$ 1,268,992

Amounts currently payable to or for participants and dependents are recorded on Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date.
