BDO USA, LLP
3570 Carmel Mountain Road, Suite 400
San Diego, CA 92130

Ladies and gentlemen:

We are providing this letter in connection with your audit of the financial statements of the Rubio's Restaurants, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the net assets and changes in net assets of the Plan in conformity with accounting principles generally accepted in the United States of America.

We confirm that we are responsible for the preparation and fair presentation in the financial statements of the net assets and changes in net assets of the Plan in conformity with accounting principles generally accepted in the United States of America.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of the date of this representation letter, as entered on the first page, the following representations made to you during your audit:

(1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 29, 2019, for the preparation and fair presentation of the Plan's financial statements in accordance with accounting principles generally accepted in the United States of America. The notes to the Plan's financial statements include all disclosures required by laws and regulations to which the Plan is subject. The Plan's supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

(2) We have fulfilled our responsibility, as set out in the terms of the aforementioned audit engagement letter, for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(3) We acknowledge our responsibility for the fair presentation of the Schedule H - Line 4i - Schedule of Assets (Held at End of Year) in accordance with the applicable criteria and we believe the supplemental schedule including its form and content, is fairly stated, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation have not changed from those used in the prior

period and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

(4) We have made available to you all:

(a) Financial records and related data, as agreed upon in the terms of the aforementioned audit engagement letter.

(b) Additional information that you have requested from us for the purpose of the audit.

(c) Minutes of the meetings of the Board of Directors, Investment Committee, Administrative Committee or other meetings pertaining to the Plan that were held from January 1, 2017, to the date of this letter, or summaries of actions of recent meetings for which minutes have not yet been prepared.

(d) Amendments made to the Plan instrument, the trust agreement, insurance or other relevant contracts during the year, including amendments to comply with applicable laws.

(e) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

(5) There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices.

(6) There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements. All financial statement misstatements relating to accounts and disclosures identified and discussed with us in the course of the Plan audit (*as listed below under "corrected misstatements"*) have been corrected (*except for those listed below under "uncorrected misstatements."* In our opinion, the effects of not correcting such identified financial statement misstatements are, both individually and in the aggregate, immaterial to the financial statements of the Plan taken as a whole.) We have evaluated the propriety of the corrected misstatements based on a review of both the applicable authoritative literature and the underlying supporting evidence from our files and confirm our responsibility for the decision to correct them.

(Significant estimates are estimates at the date of the statement of net assets available for benefits that could change materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur that would significantly disrupt normal finances within the next year.).

(b) Unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with FASB ASC 450.

(c) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.

(11) Receivables recorded in the financial statements represent valid claims against debtors for charges arising on or before the date of the statement of net assets available for benefits and have been appropriately reduced to their estimated net realizable value.

(12) The Plan has complied with all aspects of contractual agreements, including debt covenants, that would have a material effect on the financial statements in the event of noncompliance.

(13) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of FASB ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

(14) For any financial instruments, including non-readily marketable securities, we concur with and accept responsibility for the methods and significant assumptions used to estimate fair value of financial instruments and/or the approach used by the appraiser. (15) All required filings of Plan documents with the appropriate agencies have been made.

(16) The Plan is qualified under the appropriate section of the Internal Revenue Code and intend to continue as a qualified plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status.

(a) Nonexempt party-in-interest transactions (as defined in ERISA section 3(14) and regulations under that section) that were not disclosed in the supplemental schedule or financial statements.

(b) Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.

(c) Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedule.

(22) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

(23) No discussions have taken place with your firm's personnel regarding employment with the Plan or the Plan sponsor.

(24) We have not engaged you to prepare or review the Plan's Form 5500 filing with the DOL; however, the audited financial statements of the Plan are required to be filed with the Form 5500. We acknowledge that professional standards require you to read the Plan's Form 5500 prior to its filing; that the purpose of this procedure is for you to consider whether such information, or the manner of its presentation, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements; and that these procedures are not sufficient nor are they intended for you to ensure that the Form 5500 is completely and accurately prepared.

(25) The version of the Plan's 2018 audited financial statements that we will file with the DOL using the EFAST2 system will be identical to the copy containing your manually-signed report provided to us.

(26) In connection with any electronic presentation of the financial statements, supplemental schedule and your audit report thereon on our website or the DOL website related to the EFAST2 filing, we acknowledge that:

- We are responsible for the preparation, presentation, and content of the financial statements and supplemental schedule in the electronic format.

- In connection with the presentation of your audit report on the DOL's website and if your audit report is presented on our website, the full financial statements and supplemental schedule upon which you reported and to which you appended your signed report will be presented.

- We will clearly indicate in the electronic presentation on our website the financial information that is subject to your audit report. We will clearly differentiate any information that may also be presented by us on or in connection with our website that was contained in the published version of the financial statements and other supplementary information, but which is not part of the audited financial statements or other financial information covered by your audit report. No such changes will be made to the version filed with the Form 5500.

- We have assessed the security over financial statement information and the audit report presented on our website, and are satisfied that procedures in place are adequate to

ensure the integrity of the information provided. We understand the risk of potential misrepresentations inherent in publishing financial information on our website through internal failure or external manipulation.

- If the electronic financial statements are generally made available to the public on our web site, we will include a notification to the reader that such financial statements are presented for convenience and information purposes only, and while reasonable efforts have been made to ensure the integrity of such information, they should not be relied on. A copy of the printed financial statements will be provided on request.

In connection with the presentation of your audit report on the DOL's website, the full financial statements and supplemental schedule upon which you reported and to which you appended your signed report will be presented.

(27) We do not intend to terminate the benefit responsive investment contracts.

(28) We have obtained a copy of the relevant SOC 1 reports that cover the year under audit, related to significant processes and transactions that have been outsourced to those service organizations. In connection with those SOC 1 reports, we have read the reports, evaluated the impact of the exceptions to relevant tests, identified the complementary controls listed under the user entity controls section of the report, and have determined that those user entity controls have been designed appropriately and have been implemented.

To the best of our knowledge and belief, no events have occurred subsequent to the date of the statement of net assets available for benefits and through the date of this representation letter, as entered on the first page that would require adjustment to or disclosure in the aforementioned financial statements.

Very truly yours,

Jennifer Robeson, Plan Administrator

1. Description of the Plan

The following description of the Rubio's Restaurants, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) salary deferral and profit-sharing plan covering substantially all employees of Rubio's Restaurants, Inc. (the "Company") and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Company is the Plan's sponsor and serves as plan administrator.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching age 21 and after completing one year of service in which at least 1,000 hours are worked.

Contributions

Participants may elect to contribute up to 100 percent of eligible compensation, as defined, to the Plan each year, subject to an annual maximum as established by Internal Revenue Service ("IRS") regulations ($18,500 in 2018). Participants age fifty years or over can make catch-up contributions in addition to the above, up to the maximum amount allowed by the IRS ($6,000 in 2018).

The Company may elect to make discretionary matching and profit-sharing contributions to the Plan. Participants must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive any profit-sharing contributions. Profit-sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. There were no profit-sharing contributions for the year ended December 31, 2018. The Company matches 25 percent of employee contributions, up to 6% of eligible compensation deferred to the Plan.

Rollover Contributions

With the Company's approval, an eligible participant may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. Participants may change their investment options on a daily basis directly with VOYA. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their salary deferrals plus actual earnings thereon. In general, vesting in the Company's contributions is based on years of service, as defined, with increases in increments of 20 percent per year until fully vested after five years.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years; however, if the loan is for the purchase of a participant's principal residence, the plan administrator may permit a longer repayment term. Under the terms of the plan agreement, plan loans will bear a reasonable rate of interest determined by the plan administrator. Principal and interest is paid ratably through payroll deductions. As of December 31, 2018, the rates of interest on outstanding loans ranged from 4.25% to 6.25%, with various maturities through October 2032.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or a systematic withdrawal arrangement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and will first be used to pay Plan administrative expenses, with any remaining amount used to reduce future Company contributions. As of December 31, 2018 and 2017, forfeited non-vested accounts totaled $9,830 and $11,816, respectively. The Plan used $13,716 of forfeitures to reduce the Plan's administrative expenses for the year ended December 31, 2018.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could materially differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan invests in investment options that invest in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

Recent Accounting Pronouncements

In January 2016, FASB issued ASU No. 2016-01, *Financial Instruments - Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities*, which addresses certain aspects of recognition, measurement, presentation, and disclosure of financial instruments. The amendments in this ASU are effective for fiscal years beginning after December 15, 2018, and interim periods within fiscal years beginning after December 15, 2019. With certain exceptions, early adoption is not permitted. Plan management is currently evaluating the impact that ASU 2016-01 will have on the plan financial statements.

In September 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 amends the disclosure requirements for recurring and nonrecurring fair value measurements by removing, modifying and adding certain disclosures. ASU 2018-13 removes the following disclosures: the amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy; the policy for timing of transfers; the valuation process for Level 3 fair value measurements; and changes in the unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period. The ASU modifies the following disclosure requirements: transfers in and out of Level 3 and purchases and issues of Level 3 assets and liabilities; for investments in certain entities that calculate net asset value, the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse if timing has been communicated or announced publicly; and clarifies that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date. The additional disclosures required under ASU 2018-13 are applicable only for public entities. The ASU is effective for fiscal years beginning after December 15, 2019, with early adoption permitted. Certain amendments of the ASU may be applied prospectively while others should be applied retrospectively to all periods presented upon the effective date. It is permissible to early adopt any removed or modified disclosures and delay adoption of the additional disclosures, if applicable, until the effective date. Plan management is currently evaluating the impact that the ASU will have on the plan financial statements.

Other accounting standards that have been issued or proposed by the FASB or other standard setting bodies are not expected to have a material impact on the Plan's net assets available for benefits, or changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments have been reported at fair value as certified by VOYA as of December 31, 2018 and 2017. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Notes 4 and 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation/ depreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2018 and 2017, there were no benefit amounts that participants had elected to withdraw which had not been paid.

Administrative Expenses

The Company sponsors the Plan. Personnel within the Company perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included as Plan expenses. Most administrative expenses of the Plan are paid by the Company. Investment expenses incurred by the manager of the funds and directly related administrative expenses are deducted from the earnings of the Plan. Expenses paid by the Plan totaled $33,995 for the year ended December 31, 2018.

3. Investments Certified by VOYA

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, VOYA has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate.

(a) Investments and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2018 and 2017;

(b) Net appreciation in fair value of participant-directed investments, dividends on investments, other income and interest from notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits;

(c) Investment information disclosed in Note 4; and

(d) All information included in the Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2018, as shown in the supplemental schedule.

The Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this certified information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

4. Investment Contracts with Insurance Companies

The Plan invests in a fully benefit-responsive fixed interest account, the VOYA Fixed Account (Fixed Account), which is available through a group funding contract issued by VOYA Retirement Insurance and Annuity Company. The Fixed Account is an obligation of VOYA's general account which supports all of the Company's insurance and annuity commitments. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a Stable Value fund.

The value of the Fixed Account is determined by the daily crediting of interest which is subject to minimum contractual guarantees. The Fixed Account does not have a maturity date. Investment transfers to and from the Fixed Account, and withdrawals to pay participant benefits (as defined in the contract) are made at book (i.e., "contract") value. Non-benefit surrenders from the Fixed Account would either be subject to a market value adjustment (MVA) or paid in installments as elected by the contract holder. A contract surrender charge may also be applicable, depending on the terms of the contract.

5. Investments Measured Using the NAV Per Share Practical Expedient

The variable funds are pooled separate accounts that invest directly in designated mutual funds or, in some cases, collective investment trusts. The separate account owns and holds the underlying mutual fund or collective trust shares which are valued daily at their net asset values ("NAV"). Plans and participants hold "units of participation" in the separate account.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2018 and 2017.

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Holding Period
December 31, 2018				
Pooled separate accounts	$ 4,770,408	N/A	Daily	None
December 31, 2017				
Pooled separate accounts	$ 5,379,195	N/A	Daily	None

6. Tax Status

The Plan adopted a prototype 401(k) profit sharing plan maintained by VOYA. The Plan's prototype received its most recent opinion letter on September 1, 2014, in which the IRS stated that the prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is still currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Corrective Distributions

The Plan failed certain nondiscrimination tests. As a result, refunds of excess contributions were required to be paid out to participants in order for the Plan to meet compliance testing requirements. Refunds of $34,142 were paid during the year ended December 31, 2018.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan or reduce or cease contributions or amend the Plan at any time and in any respect subject to the provisions of ERISA. In the event of Plan termination, amounts allocated to a participant's account become fully vested.

9. Party-In-Interest Transactions

Plan investments include pooled separate accounts which invest in mutual funds managed by VOYA Institutional Trust Company, an affiliate of VOYA. Certain administrative fees related to the administration of the plan were paid by the plan. Transactions with these entities qualify as exempt party-in-interest transactions.

10. Subsequent Events

The Plan has evaluated subsequent events from the date of the Statement of Net Assets Available for Benefits through September 25, 2019, the date the financial statements were available to be issued. During this period, no material recognizable subsequent events were identified.
