INDEPENDENT AUDITORS' REPORT

Plan Administrator
The Leyman Manufacturing Corporation Pension Plan
Cincinnati, Ohio

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of **The Leyman Manufacturing Corporation Pension Plan** (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Matrix Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

INDEPENDENT AUDITORS' REPORT

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Reportable Transactions as of and for the year ended December 31, 2018 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

The Plan Sponsor has had recurring losses from operations and negative cash flows from operations in 2018. In addition, the Plan Sponsor has little to no availability on its line of credit and is stretching its payables to vendors. These factors raise doubt about the Plan Sponsor's ability to fund future contributions, if required by the Plan.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Matrix Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. INDEPENDENT AUDITORS' REPORT

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Reportable Transactions as of and for the year ended December 31, 2018 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

The Plan Sponsor has had recurring losses from operations and negative cash flows from operations in 2018. In addition, the Plan Sponsor has little to no availability on its line of credit and is stretching its payables to vendors. These factors raise doubt about the Plan Sponsor's ability to fund future contributions, if required by the Plan.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of **The Leyman Manufacturing Corporation Pension Plan** (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a non-contributory defined benefit pension plan covering all employees of **The Leyman Manufacturing Corporation** (the "Company") who were employed on or before June 30, 2008. Employees who had completed one year of service, as defined in the Plan, and had attained age 21 were eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 30, 2008, an amendment was executed to freeze the Plan. The amendment effectively closed participation in the Plan after June 30, 2008, and froze additional benefit accruals after June 30, 2008. As a result of the freezing of the Plan, every participant in the Plan as of June 30, 2008 was deemed to be 100% vested in their accrued benefit.

Funding Policy - Employee contributions are not permitted under the Plan. The Plan's funding policy is to fund pension costs that at a minimum would satisfy the minimum requirements of the Employee Retirement Income Security Act of 1974 (ERISA), and would be deductible under Section 404 of the Internal Revenue Code. Contributions are intended to fund the Plan's normal cost on a current basis. There was no required minimum annual contribution for the 2018 and 2017 Plan years. In 2018 and 2017, the Plan Sponsor contributed \$0 and \$50,000 to the Plan. The Plan has met ERISA's minimum funding requirements.

Pension Benefits - The amount of an employee's monthly benefit depends upon their years of service with the Company, their age at the time they receive benefits, and their average salary or wages for their five highest consecutive years.

Employees with five or more years of service are entitled to full annual retirement benefits at the normal retirement age of 65, calculated as the greater of:

- The sum of 1.10% of the average monthly covered compensation, plus 1.70% of average monthly compensation in excess of covered compensation multiplied by years of credited service (with a maximum of 30 years of credited service).
- \$4.00 for each year of credited service (with a maximum of 30 years of credited service).
- The result of 2% of monthly plan compensation times years of service during which the Plan is top heavy with a maximum of 10 years.

Participants who have attained age 55 and have completed at least 10 years of service are eligible for early retirement. The accrued retirement benefit is reduced for early retirement.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participants may elect to receive the value of their accumulated plan benefits as a life annuity payable monthly from retirement, or they may elect a 50% or 100% joint and survivor annuity or a single life with a 10 year certain annuity. During February 2018, the Plan was amended to allow for a special lump sum payment option. Under the amendment, certain participants that terminated prior to March 1, 2018 that are not currently receiving pension benefits may elect to receive their deferred vested retirement benefit in a lump sum payment or in any applicable optional form of annuity as defined in the Plan. These eligible participants must have elected to receive this type of distribution between March 1, 2018 and June 15, 2018 for the lump sum payment option or by July 15, 2018 for the annuity payment option. Payments under this amendment were made or commenced on or before August 1, 2018 and totaled \$1,094,156 for the year 2018.

Death Benefits - If an active employee dies before normal retirement age (65) and prior to actual retirement or any other severance of employment and has a vested interest, the employee's spouse will be entitled to a death benefit equal to 50% of the amount the employee would have received under the qualified joint and survivor annuity.

Vesting Provisions - Participants become fully vested upon completion of five years of service. As a result of the freezing of the Plan, every participant in the Plan as of June 30, 2008 was deemed to be 100% vested in their accrued benefit.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Administrative Expenses - Administrative expenses are paid directly by the Plan to the extent not paid by the Company. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 9, 2019, the date the financial statements were available to be issued.

NOTE 3 - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

Actuarial Present Value of Accumulated Plan Benefits - Accumulated plan benefits are those future periodic payments, including lump-sum distributions, that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to retired or terminated employees or their beneficiaries, beneficiaries of employees who have died, and the present employees or their beneficiaries. Benefits under the Plan for retired or terminated employees or their beneficiaries are based on the monthly average of the highest five consecutive participants' annual compensation amounts. The accumulated plan benefits for active employees are based on their average highest five consecutive years of annual compensation preceding the valuation date. Benefits payable under all circumstances (retirement, death, disability, or termination of employment) are included to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an actuary and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as death, withdrawal, retirement or disability) between the valuation date and the expected date of payment.

The actuarial present value of accumulated plan benefits as of January 1, 2018 and 2017 are summarized as follows:

	2018	2017
ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS		
Vested benefits		
Participants currently receiving payments	\$ 2,762,477	\$ 2,744,420
Other participants	<u>2,595,279</u>	<u>2,676,052</u>
TOTAL ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS	<u>\$ 5,357,756</u>	<u>\$ 5,420,472</u>

THE LEYMAN MANUFACTURING CORPORATION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS - CONTINUED

The changes in actuarial present value of accumulated plan benefits for the years ended January 1, 2018 and 2017 were as follows:

	2018	2017
ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS		
AT BEGINNING OF YEAR	\$ 5,420,472	\$ 5,388,003
INCREASE (DECREASE) DURING THE YEAR ATTRIBUTED TO		
Benefits accumulated and other	(149,037)	(62,923)
Benefits paid	(283,362)	(272,396)
Interest	369,683	367,788
NET INCREASE (DECREASE)	(62,716)	32,469
ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS		
AT END OF YEAR	\$ 5,357,756	\$ 5,420,472

The significant actuarial assumptions used in the valuations were as follows:

- Investment return at an average rate of 8.00% as of January 1, 2018 and 2017.
- Discount rate of 3.45% and 3.95% as of January 1, 2018 and 2017.
- Life expectancy of participants (IRS 2018 and 2017 Combined Static Mortality Table).
- Normal retirement age of 65.

The net increase (decrease) in the actuarial present value of accumulated benefits is the result of benefits paid, discounts for interest, changes in participant mix, actuarial experience gain and losses, and changes in actuarial assumptions.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions, and other factors will be applicable in determining the actuarial present value of accumulated Plan benefits.

NOTE 4 - SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE

The fair value of investments and cash held by the Trustee at December 31, 2018 and 2017 was \$4,529,109 and \$6,438,038. The Trustee of the Plan has supplied the Plan Administrator with a certification as to the completeness and accuracy of the following information at December 31, 2018 and 2017:

- Cash
- Investments
- Interest and dividend income
- Net appreciation (depreciation) in fair value of investments

NOTE 5 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018.

Investments in registered investment companies: Valued at the daily closing price as reported by the funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are held in trust with Matrix Trust Company. Thus, Matrix Trust Company, as Trustee defined by the Plan, qualifies as a party-in-interest. Fees paid by the Plan for Trustee services for the years 2018 and 2017 totaled \$3,682 and \$6,752.

Cuni, Rust, and Strenk Actuarial Consulting, as actuaries, qualifies as a party-in-interest. Actuarial fees paid by the Plan for the years 2018 and 2017 totaled \$23,525 and \$15,425.

The Asset Advisory Group, as investment advisors, qualifies as a party-in-interest. Advisory fees paid by the Plan for the years 2018 and 2017 totaled \$36,666 and \$36,701.

The Plan Sponsor provides certain accounting, record-keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, the Plan provides that the Plan Administrator shall allocate the assets of the Plan in accordance with Title IV of ERISA.

Under ERISA, certain benefits would be guaranteed by the Pension Benefit Guaranty Corporation (PBGC). Generally, the PBGC guarantees most vested, normal age retirement benefits, early retirement benefits and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the Plan's termination, subject to a statutory ceiling on the amount of the individual's monthly benefit.

THE LEYMAN MANUFACTURING CORPORATION PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - PLAN TERMINATION - CONTINUED

Whether a particular participant's accumulated plan benefits will be paid depends on both the priority of those benefits and the level of benefits guaranteed by the PBGC at that time. Some benefits may be fully or partially provided for by the then existing assets and the PBGC guaranty while other benefits may not be provided for at all. Reference should be made to the Plan document for further details.

NOTE 8 - TAX STATUS

The Plan adopted a Prototype Plan which received a favorable opinion letter from the Internal Revenue Service on March 31, 2010, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee compensation and demographics. Due to the changing nature of these assumptions, it is at least reasonably possible that changes in these assumptions will occur in the near term and, due to the uncertainties inherent in establishing assumptions, that the effect of such changes could be material to the financial statements.

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2018 and 2017, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2018 and 2017, there were no differences between the financial statements and the Form 5500.
