Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Rising Phoenix Holdings Corporation, LLC 401(k) Retirement Savings Plan as of December 31, 2018, 2017 and 2016, and the change in its net assets available for benefits for the years then ended in accordance with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held At End Of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 - Description of Plan:

The following description of the Rising Phoenix Holdings Corporation, LLC ("the Company") 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General - The Plan is a defined contribution plan covering all eligible employees of the Company and certain affiliates, see Note 8. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Merger – On November 10, 2016, the Board of Directors of Adjusters International, Inc., a controlling party of Tidal Basin, Inc., approved the merger of the Tidal Basin-GC 401(k) & PS Plan into the Adjusters International 401(k) Retirement Savings Plan, effective January 1, 2017. As a result, all investments from the Tidal Basin Plan were transferred to the Adjusters International Plan on January 1, 2017.

C. Eligibility – Employees become eligible for participation after attaining age twenty one (21) and completing six months of service.

D. Contributions – Participants may contribute up to 95% of their compensation not to exceed $18,500 for 2018. Participants age 50 or older may contribute additional "catch-up" contributions of up to $6,000. The Company may make a matching contribution and/or a profit sharing contribution. Those contributions are determined annually. In all years presented, the Company match was 50% of the first 6% of an employee's deferral (maximum 3% match) and a profit sharing contribution of 2% of eligible compensation. The matching contributions were approximately $196,000, $160,000 and $110,000 and the profit sharing contributions were approximately $192,000, $150,000 and $105,000 in 2018, 2017 and 2016, respectively.

Forfeitures of non-vested amounts are used to reduce future Company contributions. Forfeitures for all years presented were immaterial.

E. Participant Accounts – Individual accounts are maintained for each participant. Each participant's account is credited with their contributions, their share of Company contributions and the earnings thereon. Participants direct investment of their account into various mutual funds selected by the Plan's administrator.

F. Vesting - Participants are immediately 100% vested in their contributions and earnings thereon. Company matching and profit-sharing contributions and earnings thereon are vested 20% per year starting after the employee completes two years of service and become 100% vested after six years of service (six year graded schedule). A participant's account balance also becomes 100% vested upon reaching normal retirement age, or in the event of death or disability while employed by the Company.

1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE 1 - Description of Plan (Continued):

G. Payment of Benefits

On termination of service due to death, disability or retirement, a participant (or their beneficiary) will receive their total vested balance in a lump-sum payment.

H. Withdrawals

The Plan allows for hardship withdrawals for uninsured medical expenses, tuition payments, purchase of a primary residence, prevention of eviction or foreclosure on a primary residence, expenses to repair damage to a principal residence that would qualify as a casualty loss, and payment for funeral or burial expenses of a parent, spouse, child or dependent. The Plan also allows for in-service withdrawals to participants who have attained age 59 1/2.

I. Inactive Accounts

Accounts of participants who have withdrawn from participation in the Plan, but for whom disbursement from the Plan has not been made totaled approximately $510,000, $360,000 and $330,000 at December 31, 2018, 2017 and 2016, respectively.

J. Participant Loans

Participants may borrow a minimum of $1,000 up to a maximum of 50% of their vested accounts (not to exceed $50,000) for certain expenses. Repayments are over a period not to exceed 60 months, unless the loan is to be used to acquire a principal residence, in which case the loan is to be repaid within 15 years. Interest is fixed at the prime rate as of the preceding calendar quarter plus 1%. The maximum number of loans outstanding per participant is two.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make certain estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Notes Receivable from Participants

Loans to participants are reported at the unpaid principal balance plus any accrued interest.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

D. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. (See Note 3)

Changes in Fair Value are included in the Statement of Change in Net Assets. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Changes in Fair Value [net appreciation (depreciation)] includes gains (losses) on investments sold during the year as well as unrealized gains (losses) on investments held at year end.

E. Payments of Benefits

Benefit payments to participants are recorded upon distribution.

F. Expenses

Administrative expenses are paid by the Plan. Loan initiation and distribution fees are charged directly to participant accounts. Certain expenses of maintaining the Plan, such as audit fees, are paid by the Company and are therefore excluded from these financial statements.

G. Date of Management's Review of Subsequent Events

Subsequent events were evaluated through September 27, 2019, which is the date the financial statements were available to be issued. There were no subsequent events requiring recording or disclosure in the financial statements.

NOTE 3 – Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for the identical assets.
- Level 3 inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure Fair Value of its investments. When available, the Plan measures Fair Value using Level 1 inputs because they generally provide the most reliable evidence of Fair Value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring Level 2 or Level 3 inputs for the periods presented.

NOTE 3 – Fair Value Measurement (Continued):

Level 1 – Fair Value Measurement

The Fair Value of Mutual Funds are based on quoted net asset values of the shares held by the Plan at year-end.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit and are summarized below by Level within the Fair Value hierarchy.

	Fair Value Measurement Using: Quoted Prices In Active Markets For Identical Assets (Level 1)
December 31, 2018	
Mutual Funds	$6,683,890
December 31, 2017	
Mutual Funds	$6,674,286
December 31, 2016	
Mutual Funds	$5,437,227

The Plan's investments are all participant-directed and are held by TD Ameritrade.

NOTE 4 - Tax Status:

The Plan adopted a Prototype Plan which received a favorable Opinion Letter from the IRS dated March 31, 2014, specifying the form of the Plan satisfies the requirements of Code Section 401 and therefore is exempt from tax. The Plan has been amended since receiving the Opinion Letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The tax status of the Plan is subject to audit. Generally, years after January 1, 2016 are open to audit.

NOTE 5 - Plan Termination:

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate it at any time, subject to the provisions set forth in ERISA. In the event of termination participants will become 100% vested in their accounts.

NOTE 6 – Risks, Uncertainties and Concentrations:

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. It is likely that changes in the value of the mutual funds will occur in the near term and possible that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The Plan's assets, although diversified through investment in several different mutual funds, are all held by TD Ameritrade. The Plan is dependent on this Custodian for the safeguarding of its assets.

NOTE 7 – Legal Proceedings/Contingencies:

The Plan may engage legal counsel to defend it against such potential litigation matters whether asserted or anticipated as the Plan's management judges necessary in the circumstances. The Plan does not believe that there are any current actions that are either not covered by insurance or would have a material effect on its financial condition.

NOTE 8 – Plan Amendments:

The Plan was amended in 2018 to change the name of the Plan from Adjusters International, Inc. 401(k) Retirement Savings Plan to Rising Phoenix Holdings Corporation, LLC 401(k) Retirement Savings Plan.

The Plan was amended in 2017 to allow other related employers to adopt its provisions. This includes Tidal Basin, Inc. and Adjusters International Puerto Rico, LLC.
