Luminex Home Décor & Fragrance Company 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Luminex Home Décor & Fragrance Company 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal"), the former trustee of the Plan, and Ascensus as agent for Ascensus Trust Company ("Ascensus"), the current trustee of the Plan, except for comparing such information with the related information included in the 2018 financial statements. We have been informed by the Plan administrator that Ascensus held a portion of the Plan's investment assets and executed investment transactions from January 1, 2018 to December 31, 2018, and that Principal held a portion of the Plan's investment assets and executed investment transactions for the period from January 1, 2018 to April 11, 2018. The Plan administrator has obtained a certification from Ascensus as of December 31, 2018 and for the year then ended and from Principal for the period from January 1, 2018 to April 11, 2018, that the information provided to the Plan administrator by Ascensus and Principal is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements.

Other Matter - Supplemental Schedules

The supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) for the year ended December 31, 2018 and Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2018 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Other Matter - 2017 Financial Statement

The financial statement of the Plan as of December 31, 2017 was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal. Their report, dated October 11, 2018, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by Principal, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2018

The form and content of the information included in the 2018 financial statements and supplemental schedules, other than that derived from the information certified by Ascensus and Principal, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

Note 1 - Description of Plan

The following description of Luminex Home Décor & Fragrance Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Candle-Lite Company, LLC and participating employers: Candle-Lite, LLC ("Candle-Lite") and PartyLite Gifts, Inc. ("PartyLite") (collectively referred to as the "Company") who are at least 21 years of age. All participating employers are subsidiaries of Luminex Home Décor & Fragrance Company, LLC. Eligible employees can participate in the Plan immediately following their date of hire. Employees covered by a collective bargaining agreement, non-resident aliens, employees resulting from a recent merger, acquisition or similar transaction, leased employees and individuals classified as an independent contractor, are excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code (the "Code"). The Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

In 2018, the Company elected to change Plan service providers. As a result, all Plan assets and recordkeeping transferred from Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal") to Ascensus Trust Company ("Ascensus").

Contributions

Each year, participants may make salary deferral contributions to the Plan based upon a percentage of their pre-tax annual compensation, as defined by the Plan, up to Code limits. Participants may also designate all or a portion of their contributions as Roth deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching contributions to the Plan on behalf of each eligible participant. For the year ended December 31, 2018, the Company elected to make discretionary matching contributions equal to 40% of the first 4% of eligible compensation for all eligible Candle-Lite employees and 100% of the first 1% of eligible compensation, plus 50% on the next 5% of eligible compensation for all eligible PartyLite employees. The Company may, at its discretion, also make profit sharing contributions to the Plan. Employees must be employed on the last day of the Plan year to receive a discretionary profit sharing contribution. For the year ended December 31, 2018, there were no discretionary profit sharing contributions made to the Plan. Participants also direct the investment of Company contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limits.

Participant accounts

Each participant's account is credited with the participant's contributions, discretionary matching contributions as well as allocations of the Company's profit sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. In the event of termination due to death, disability or upon reaching early or normal retirement age, participants shall become 100% vested in the Company discretionary matching contribution and discretionary profit sharing contribution portions of their account. For all other participants, vesting in the Company discretionary matching contribution and discretionary profit sharing contribution portions of their account is based on credited years of service, as defined by the Plan, according to the following schedule:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

For purposes of vesting, participants will be given credit for prior service earned while employed with Lancaster Colony Corporation.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. The loan interest rate is set at the prime rate published in *The Wall Street Journal*, at the time of the loan. Principal and interest are paid ratably through payroll deductions. Loans are not permitted from the Roth deferral portion of a participant's account.

Payment of benefits

Upon termination of service due to death, disability, normal retirement or other reasons, a participant with an account balance of \$1,000 or less will receive a lump-sum distribution. If the participant's account balance is greater than \$1,000, but less than \$5,000, the Plan administrator will roll the amount into an individual retirement account established by the Plan administrator, unless the participant elects to receive a lump-sum distribution. Participants with an account balance greater than or equal to \$5,000 may elect to receive a single lump-sum amount, partial payments, or installment payments for a specified term equal to the value of the participant's interest in his or her account.

Withdrawals from the vested portion of a participant's account may be made in the event of a financial hardship, in accordance with the provisions specified in the Plan. Withdrawals from a participant's rollover account may be made at any time. Additionally, in-service withdrawals are allowed in accordance with the provisions specified in the Plan for participants who have attained age 59½ or who have reached normal retirement age.

Forfeited accounts

At December 31, 2018 and 2017, forfeited nonvested accounts totaled \$49,012 and \$107,807, respectively. These amounts will be used to reduce future Company contributions or to pay Plan expenses. In 2018, forfeited nonvested accounts of \$60,096 were used to pay Plan expenses.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other transactional fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net depreciation in fair value of investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2018 excess contributions in August 2019.

Subsequent events

The Plan has evaluated events through October 8, 2019, the date the financial statements were available to be issued.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

Note 3 - Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2018 and investment income (loss) and interest income on notes receivable from participants for the year ended December 31, 2018, that are disclosed in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i), were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal and Ascensus.

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at fair value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 50,428,614</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 50,428,614</u>

For the year ended December 31, 2018, there were no significant transfers between Level 1 and 2 and no transfers in or out of Level 3.

The Plan held an investment in a common collective trust as of December 31, 2017, which was valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. In accordance with Subtopic 820-10, the investment that was measured at NAV per share (or its equivalent) is not required to be classified in the fair value hierarchy.

Fair value of investment that uses NAV

The following table summarizes the investment for which fair value is measured using NAV per share practical expedient as of December 31, 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2017</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
T. Rowe Price Stable Value Common Trust Fund	<u>\$ 6,385,259</u>	N/A	Daily	1 Day

Note 5 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 6 - Tax status

The Plan uses a prototype plan document designed by Ascensus, Inc., which the Plan has adopted via a non-standardized adoption agreement. The IRS has informed Ascensus, Inc. by an opinion letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Related party and party-in-interest transactions

Certain Plan investments are proprietary investments managed by Vanguard. Vanguard is the Plan's recordkeeper and third-party administrator. Therefore, these transactions qualify as party-in-interest transactions. Indirect fees incurred by the Plan for investment management services are included in the net depreciation in fair value of investments. Direct fees of \$93,987 for the year ended December 31, 2018 were charged directly to participant accounts for investment advisory services, professional fees and administrative expenses. The Company pays directly any other fees related to the Plan's operations. The Plan allows participants to take loans against certain portions of their account balance, which are also considered party-in-interest transactions.

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Nonexempt transactions

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain participant contributions were not remitted to the Plan within the time frame specified by the DOL's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company. These delinquent participant contributions were fully corrected through a corrective contribution of lost earnings that was deposited into the Plan and allocated to the affected participant accounts in September 2019.

Luminex Home Décor & Fragrance Company 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Luminex Home Décor & Fragrance Company 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal"), the former trustee of the Plan, and Ascensus as agent for Ascensus Trust Company ("Ascensus"), the current trustee of the Plan, except for comparing such information with the related information included in the 2018 financial statements. We have been informed by the Plan administrator that Ascensus held a portion of the Plan's investment assets and executed investment transactions from January 1, 2018 to December 31, 2018, and that Principal held a portion of the Plan's investment assets and executed investment transactions for the period from January 1, 2018 to April 11, 2018. The Plan administrator has obtained a certification from Ascensus as of December 31, 2018 and for the year then ended and from Principal for the period from January 1, 2018 to April 11, 2018, that the information provided to the Plan administrator by Ascensus and Principal is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements.

Other Matter - Supplemental Schedules

The supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) for the year ended December 31, 2018 and Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2018 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Other Matter - 2017 Financial Statement

The financial statement of the Plan as of December 31, 2017 was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal. Their report, dated October 11, 2018, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by Principal, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2018

The form and content of the information included in the 2018 financial statements and supplemental schedules, other than that derived from the information certified by Ascensus and Principal, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

Note 1 - Description of Plan

The following description of Luminex Home Décor & Fragrance Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Candle-Lite Company, LLC and participating employers: Candle-Lite, LLC ("Candle-Lite") and PartyLite Gifts, Inc. ("PartyLite") (collectively referred to as the "Company") who are at least 21 years of age. All participating employers are subsidiaries of Luminex Home Décor & Fragrance Company, LLC. Eligible employees can participate in the Plan immediately following their date of hire. Employees covered by a collective bargaining agreement, non-resident aliens, employees resulting from a recent merger, acquisition or similar transaction, leased employees and individuals classified as an independent contractor, are excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code (the "Code"). The Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

In 2018, the Company elected to change Plan service providers. As a result, all Plan assets and recordkeeping transferred from Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company ("Principal") to Ascensus Trust Company ("Ascensus").

Contributions

Each year, participants may make salary deferral contributions to the Plan based upon a percentage of their pre-tax annual compensation, as defined by the Plan, up to Code limits. Participants may also designate all or a portion of their contributions as Roth deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching contributions to the Plan on behalf of each eligible participant. For the year ended December 31, 2018, the Company elected to make discretionary matching contributions equal to 40% of the first 4% of eligible compensation for all eligible Candle-Lite employees and 100% of the first 1% of eligible compensation, plus 50% on the next 5% of eligible compensation for all eligible PartyLite employees. The Company may, at its discretion, also make profit sharing contributions to the Plan. Employees must be employed on the last day of the Plan year to receive a discretionary profit sharing contribution. For the year ended December 31, 2018, there were no discretionary profit sharing contributions made to the Plan. Participants also direct the investment of Company contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limits.

Participant accounts

Each participant's account is credited with the participant's contributions, discretionary matching contributions as well as allocations of the Company's profit sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. In the event of termination due to death, disability or upon reaching early or normal retirement age, participants shall become 100% vested in the Company discretionary matching contribution and discretionary profit sharing contribution portions of their account. For all other participants, vesting in the Company discretionary matching contribution and discretionary profit sharing contribution portions of their account is based on credited years of service, as defined by the Plan, according to the following schedule:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

For purposes of vesting, participants will be given credit for prior service earned while employed with Lancaster Colony Corporation.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. The loan interest rate is set at the prime rate published in *The Wall Street Journal*, at the time of the loan. Principal and interest are paid ratably through payroll deductions. Loans are not permitted from the Roth deferral portion of a participant's account.

Payment of benefits

Upon termination of service due to death, disability, normal retirement or other reasons, a participant with an account balance of \$1,000 or less will receive a lump-sum distribution. If the participant's account balance is greater than \$1,000, but less than \$5,000, the Plan administrator will roll the amount into an individual retirement account established by the Plan administrator, unless the participant elects to receive a lump-sum distribution. Participants with an account balance greater than or equal to \$5,000 may elect to receive a single lump-sum amount, partial payments, or installment payments for a specified term equal to the value of the participant's interest in his or her account.

Withdrawals from the vested portion of a participant's account may be made in the event of a financial hardship, in accordance with the provisions specified in the Plan. Withdrawals from a participant's rollover account may be made at any time. Additionally, in-service withdrawals are allowed in accordance with the provisions specified in the Plan for participants who have attained age 59½ or who have reached normal retirement age.

Forfeited accounts

At December 31, 2018 and 2017, forfeited nonvested accounts totaled \$49,012 and \$107,807, respectively. These amounts will be used to reduce future Company contributions or to pay Plan expenses. In 2018, forfeited nonvested accounts of \$60,096 were used to pay Plan expenses.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other transactional fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net depreciation in fair value of investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2018 excess contributions in August 2019.

Subsequent events

The Plan has evaluated events through October 8, 2019, the date the financial statements were available to be issued.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

Note 3 - Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2018 and investment income (loss) and interest income on notes receivable from participants for the year ended December 31, 2018, that are disclosed in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i), were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal and Ascensus.

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at fair value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 50,428,614</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 50,428,614</u>

For the year ended December 31, 2018, there were no significant transfers between Level 1 and 2 and no transfers in or out of Level 3.

The Plan held an investment in a common collective trust as of December 31, 2017, which was valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. In accordance with Subtopic 820-10, the investment that was measured at NAV per share (or its equivalent) is not required to be classified in the fair value hierarchy.

Fair value of investment that uses NAV

The following table summarizes the investment for which fair value is measured using NAV per share practical expedient as of December 31, 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2017</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
T. Rowe Price Stable Value Common Trust Fund	<u>\$ 6,385,259</u>	N/A	Daily	1 Day

Note 5 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 6 - Tax status

The Plan uses a prototype plan document designed by Ascensus, Inc., which the Plan has adopted via a non-standardized adoption agreement. The IRS has informed Ascensus, Inc. by an opinion letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Luminex Home Décor & Fragrance Company 401(k) Plan

Notes to Financial Statements December 31, 2018

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Related party and party-in-interest transactions

Certain Plan investments are proprietary investments managed by Vanguard. Vanguard is the Plan's recordkeeper and third-party administrator. Therefore, these transactions qualify as party-in-interest transactions. Indirect fees incurred by the Plan for investment management services are included in the net depreciation in fair value of investments. Direct fees of \$93,987 for the year ended December 31, 2018 were charged directly to participant accounts for investment advisory services, professional fees and administrative expenses. The Company pays directly any other fees related to the Plan's operations. The Plan allows participants to take loans against certain portions of their account balance, which are also considered party-in-interest transactions.

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Nonexempt transactions

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain participant contributions were not remitted to the Plan within the time frame specified by the DOL's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company. These delinquent participant contributions were fully corrected through a corrective contribution of lost earnings that was deposited into the Plan and allocated to the affected participant accounts in September 2019.
