Other Matter

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Emphasis of Matter – Plan Termination and Use of Liquidation Basis of Accounting

As described in Note G to the financial statements, the Board of Trustees of MGH Wind Down, Inc., the Plan's sponsor, plan of liquidation was approved in April 2018, with management determining liquidation to be imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2018 financial statements. Our opinion is not modified with respect to that matter.

NOTES TO FINANCIAL STATEMENTS

MARQUETTE GENERAL HOSPITAL EMPLOYEE DEFERRED COMPENSATION PLAN

NOTE A--PLAN DESCRIPTION

The following description of the Marquette General Hospital Employee Deferred Compensation Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covered substantially all full-time employees of Marquette General Hospital, Inc., d/b/a Marquette General Health System (System) who were age 21 or older as of September 1, 2012. On September 1, 2012 (Acquisition Date), the System was acquired by an unrelated, for-profit healthcare entity. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees of MGH Wind Down, Inc., oversees governance of the Plan.

Contributions

As of the Acquisition Date, all employees of the System were deemed to be terminated; therefore, subsequent to that date, there were no additional employee or employer contributions made to the Plan.

Participant Accounts

Each participant's account is credited with an allocation of Plan earnings and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

As of the Acquisition Date, participants with account balances greater than \$5,000 had the option of remaining in the Plan. All participants with account balances less than \$5,000 were to have distributions be made to the participant as soon as administratively feasible.

Remaining participants are still able to change their investment options and their accounts continue to be credited with an allocation of Plan earnings and charged with an allocation of administrative expenses.

Vesting

Participant accounts are fully vested.

Benefit Payments

As of the Acquisition Date, all employees of the System were deemed to be terminated. Participants remaining in the Plan are able to request a withdrawal at any time in the form of a lump sum paid to the participant or through a direct rollover to an IRA or another qualified retirement plan.

NOTE A--PLAN DESCRIPTION--Continued

Unallocated Accounts

At December 31, 2018 and 2017, unallocated accounts totaled \$-0- and \$287,468, respectively. Unallocated assets of the Plan shall be distributed in such a manner as set forth in the Plan agreement.

NOTE B--SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). As a result of the Plan termination in 2018, the Plan's financial statements as of December 31, 2018, and for the year then ended, have been prepared on the liquidation basis and the Plan's financial statements as of December 31, 2017, and for the year then ended, have been prepared on a going concern basis, in accordance with U.S. GAAP. There were no material changes to the 2018 financial statements as a result of the change to the liquidation basis of accounting.

The liquidation basis of accounting is considered appropriate when, among other things, liquidation of a plan is probable and the net realizable value of assets is reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value, which approximates fair value, and liabilities are stated at their anticipated settlement amounts.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

NOTE B--SUMMARY OF ACCOUNTING POLICIES--Continued

Administration

Certain administrative functions are performed by officers or employees of UP Health System - Marquette. No such officer or employee receives compensation from the Plan for these services. Certain administrative costs of the Plan are paid by MGH Wind Down, Inc. (Plan Sponsor), and are not included in these financial statements. These administrative expenses approximated \$-0- and \$8,500 for the years ended December 31, 2018 and 2017, respectively.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated through October 1, 2019, which is the date the financial statements were available to be issued.

NOTE C--INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by State Street Bank and Trust Company, the Plan's trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE D--FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

Level 1: Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2: Inputs consist of observable inputs other than quoted prices for identical assets.

Level 3: Inputs consist of unobservable inputs and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: The fair value of mutual funds is based on quoted net asset values (NAVs) of the shares as reported by the fund. The mutual funds held by the Plan have quoted prices and are considered actively traded.

Common/Collective Funds: The fair value of the collective funds is determined by each fund's trustee, based on the fair value of the underlying securities within the fund, which represent the NAV of shares held by the Plan at year end as disclosed in the collective funds annual report.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value, with the exception of the collective funds measured at fair value using the NAV practical expedient. The fair value for the collective funds is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE E--RELATED-PARTY TRANSACTIONS

Certain Plan investments are collective investment funds managed by a third-party trustee; therefore, these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

MARQUETTE GENERAL HOSPITAL EMPLOYEE DEFERRED COMPENSATION PLAN

NOTE F--INCOME TAX STATUS

The Plan obtained its latest opinion letter, dated April 25, 2018, in which the Internal Revenue Service (IRS) stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code; therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate the tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G--PLAN TERMINATION

The Board of Trustees of MGH Wind Down, Inc., the Plan Sponsor, voted in October 2016, to terminate the Plan. The Plan Sponsor filed Form 5310 with the IRS in October 2017, pursuing an advance determination of the qualification status of the Plan, which was received in April 2018. Following receipt of the favorable determination letter, the Plan Sponsor began the process of directing the trustee to distribute all remaining assets of the Plan, which are distributable as a result of the Plan's termination. As of April 8, 2019, all account balances were distributed from the Plan.
