INDEPENDENT AUDITOR'S REPORT

To the Trustees
Kistner Concrete Products, Inc.
401(k) Retirement Trust Fund:

Report on the Financial Statements

We have audited the accompanying financial statements of Kistner Concrete Products, Inc. 401(k) Retirement Trust Fund, which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Kistner Concrete Products, Inc. 401(k) Retirement Trust Fund as of December 31, 2018 and 2017, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (Schedule H, Line 4i – Schedule of Assets Held at End of Year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

(1) Description of Plan

The following description of the Kistner Concrete Products, Inc. 401(k) Retirement Trust Fund provides only general information. The Plan was established in 1994. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees of Kistner Concrete Products, Inc. (the Company). An eligible employee is one who is employed by the Company and covered under the terms of the summary plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Company contributes to the plan 25% of employee contributions up to a maximum of 4% of each employee's wages.

Participant Accounts - Each participant's account is credited with the participant's contribution, and the allocation of the Company's contribution and plan earnings. Additionally, each participant's account is charged with an allocation of plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeited balances of terminated participants' nonvested accounts are used to reduce future employer contributions.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service according to the following schedule:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a single lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 5 year period.

Forfeited Accounts - At December 31, 2018 and 2017, forfeited nonvested accounts totaled $0 and $626, respectively. These accounts will be used to reduce future employer contributions.

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

(2) Summary of Significant Accounting Policies

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Cash and Cash Equivalents - The Plan considers highly liquid investments with an original maturity of three months or less to be cash equivalents.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Administrative Expenses - Administrative costs are paid by the Plan and the Company. During the year ended December 31, 2018 significant administrative costs were absorbed by the employer.

(3) Investments

		2018	2017
Net appreciation in fair value of unitized managed accounts	$	43,269	204,208
Interest and dividends		296	-
Total investment income	$	43,565	204,208

The following presents investments that represent 5% or more of the Plan's net assets:

		2018	2017
Investments, at fair value:			
Kistner Concrete Long Term Growth	$	2,773,180	2,794,909
Kistner Concrete Conservative Growth		931,587	976,036
Kistner Concrete Income		498,301	482,383
Kistner Concrete Short Term Income		230,117	-

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value within the unitized managed accounts. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Cash and cash equivalents: The fair value of cash and cash equivalents, consisting of a FDIC insured deposit account is classified as Level 1, as this financial instrument is highly liquid.

(4) Fair Value Measurements, continued

U.S. Government Securities, Corporate Debt Instruments and Options: The fair value of U.S. government securities, corporate debt instruments and options are based on the closing price reported in the active market where the individual securities are traded, when available.

Exchange traded funds: The fair value of exchange traded funds is based on the closing price reported in the active market where the exchange traded funds are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Unitized managed accounts	$ 4,451,053	-	-	4,451,053
	$ 4,451,053	-	-	4,451,053

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Unitized managed accounts	$ 4,492,953	-	-	4,492,953
	$ 4,492,953	-	-	4,492,953

(5) Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 14, 1994, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

(6) Plan Termination

Although the Company has not expressed any intent to do so, the Company reserves the right under the Plan to terminate the Plan at any time for any reason. Upon termination, participants will become 100% vested in amounts credited to their account.

(7) Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(8) Reconciliation to Form 5500

The financial statements are prepared on the accrual basis of accounting and the Form 5500 is prepared on the cash basis of accounting for the years ended December 31, 2018 and 2017. The following is a reconciliation of net assets available for benefits on Form 5500 to the financial statements as of December 31, 2018 and 2017, respectively:

		2018	2017
Net assets available for benefits per Form 5500	$	4,451,053	4,492,953
Receivables		3,593	3,858
Net assets available for benefits per the financial statements	$	4,454,646	4,496,811

The following is a reconciliation of the net income per Form 5500 to the net increase (decrease) in net assets per the financial statements for the years ended December 31, 2018 and 2017, respectively:

		2018	2017
Net income (loss) per Form 5500	$	(41,900)	159,662
Adjustment to convert cash basis contributions to accrual basis contributions		(265)	3,858
Adjustment to convert cash basis administrative expenses to accrual basis administrative expenses		-	10,842
Net increase (decrease) in net assets per the financial statements	$	(42,165)	174,362

(9) Party-in-Interest Transactions

The Plan investments are managed by Sauberan & Company LLC. Fees paid by the Plan for the investment management services amounted to $33,130 and $10,949 for the years ended December 31, 2018 and 2017, respectively. Schaefer, Sciarrino & Schulenberg, LLP is the Plan's auditor. Audit fees paid by the plan include $7,980 and $8,984 for the years ended December 31, 2018 and 2017, respectively.

(10) Subsequent Events

The Plan has evaluated the nature of events occurring subsequent to December 31, 2018 through October 2, 2019, which is the date the financial statements were available to be issued, and has identified no events requiring adjustments to or disclosure in the financial statements.
