INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Atlas Construction Supply, Inc. Retirement Savings Plan
San Diego, California

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Atlas Construction Supply, Inc. Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee/custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee/custodian holds the Plan’s investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee/custodian as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the Plan administrator by the trustee/custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedules (Schedule H, Part IV, Line 4a and Schedule H, Part IV, Line 4i) as of and for the year ended December 31, 2018 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee/custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. DESCRIPTION OF PLAN

The Atlas Construction Supply, Inc. Retirement Savings Plan (the "Plan") is sponsored by Atlas Construction Supply, Inc. (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective on May 1, 1993, is a defined contribution plan covering all eligible employees of the Company. The Plan's trustee/custodian is Wells Fargo Bank, N.A. ("Wells Fargo"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the provisions of the Internal Revenue Code (the "Code").

Eligibility

Employees who have reached 21 years of age and have completed six months of service with the Company are eligible to participate in the Plan. Ineligible employees include leased employees, reclassified employees (as defined), and those whose employment is governed by a collective bargaining agreement. Employees may enter the Plan on the first day of any calendar quarter coincident with or next following the date upon meeting these requirements.

Contributions

Participant contributions – Participants may elect to contribute any percentage of their eligible compensation, as defined by the Plan, up to the maximum allowed by the Code. The Plan permits both pre-tax deferral contributions and after-tax amounts designated as "Roth" contributions. In addition, employees who are age 50 or older may elect to defer additional amounts (referred to as "catch-up contributions") to the Plan up to the maximum allowed by the Code. Participant contributions are 100% vested and non-forfeitable.

Eligible employees and participants may also contribute amounts representing rollover distributions from other qualified sources.

Employer matching contributions – Each pay period, the Company provides matching contributions to the Plan in an amount equal to 50% of each dollar contributed by a participant, up to 6% of eligible compensation. Catch-up contributions are not eligible for employer matching contributions.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions, as well as any employer contributions, to any of the Plan's investment options. Subsequently, participants may change their allocation and transfer their account balances between investment options in accordance with Plan provisions.

Participant Accounts

Each participant's account is credited with the (i) participant's contributions, (ii) employer matching contributions, and (iii) an allocation of investments earnings (losses) and administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants (Participant Loans)

Participants may borrow against their accounts a minimum of $1,000 up to a maximum generally equal to the lesser of $50,000 or 50% of their vested account balance. Loans are required to be repaid within five years unless the loan is used to acquire a principal residence, in which case the repayment period may be up to ten years. Loans are secured by a participant's vested account balance. Participants may have up to two loans outstanding at any time. Principal and interest are paid regularly through payroll deductions according to a level amortization schedule, with the frequency of payments based on the Company's payroll schedule (weekly). The loans bear interest at a reasonable rate to be determined by the Plan Administrator, determined to be the Wells Fargo prime rate, plus 1%. As of December 31, 2018, the interest rate on outstanding loans ranged from 4.25% to 6.25%.

Vesting

Participants are always fully vested in their contributions plus actual earnings thereon. Participants vest in employer matching contributions, including actual earnings thereon, based on years of continuous service. A participant vests in the Company's contributions in accordance with the following schedule:

Years of Credited Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant also becomes 100% vested in employer matching contributions upon plan termination, reaching normal retirement age (65), the occurrence of death or total disability, or reaching early retirement age, as defined.

Forfeitures

Participants who terminate employment without being fully vested in their accounts forfeit all nonvested employer matching contributions. Forfeitures of terminated participants' nonvested accounts may be used to reduce employer matching contributions or to pay administrative expenses. As of December 31, 2018 and 2017, there was a balance of $16,885, and $11,605, respectively, in the forfeiture account. During 2018, amounts totaling $5,090 were forfeited, amounts totaling $45 were used to pay Plan expenses and no amounts were used to reduce employer matching contributions. During 2018, forfeited funds were allocated earnings in the amount of $236.

Payment of Benefits

Participants are entitled to a distribution of their vested benefits in the event of termination of employment, retirement, death, disability, attaining age 59½ and/or financial hardship. Generally, distributions may be taken in the form of a lump-sum payment, payments over a fixed period, or a rollover distribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain of the Plan's administrative expenses, such as custodian/trustee, accounting, and legal expenses are generally paid by the Company, except for certain administrative fees associated with distributions and loans, which are paid by the requesting participant. Other expenses, including investment advisory fees and asset-based fees, are paid by the Plan.

Subsequent Events

Plan management has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY THE TRUSTEE/CUSTODIAN

The Plan's investments were held by Wells Fargo, the trustee/custodian of the Plan, as of December 31, 2018 and 2017. All investments are participant-directed. All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2018 and 2017, as well as in the supplemental schedule (Schedule H, Part IV, Line 4i) as of December 31, 2018, and the net realized and unrealized appreciation (depreciation) in fair value of mutual funds and common/collective trust, and dividend, interest, and other income for the year ended December 31, 2018, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Wells Fargo.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to observable inputs for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs are either directly or indirectly observable for the asset or liability through correlation with related market data at the measurement date and for the duration of the instrument's anticipated life. Inputs include, for example, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2018 and 2017. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Common/collective trusts: Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer may reserve the right to require a notification period in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan offers as an investment a single common/collective trust, the Wells Fargo Stable Return Fund N, a stable value collective trust which primarily consists of indirect investments in fully benefit-responsive investment and security-backed contracts through an investment company. Consistent with FASB ASC 820, the stable value collective trust's contract value is considered its fair value for financial reporting purposes as that is the amount at which participants would normally transact with the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,291,449	$ -	$ -	$ 6,291,449
Total assets in the fair value hierarchy	$ 6,291,449	$ -	$ -	6,291,449
Common/collective trust measured at net asset value[(a)]				1,957,158
Total investments at fair value				$ 8,248,607

	December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,845,123	$ -	$ -	$ 6,845,123
Total assets in the fair value hierarchy	$ 6,845,123	$ -	$ -	6,845,123
Common/collective trust measured at net asset value[(a)]				1,373,300
Total investments at fair value				$ 8,218,423

(a) In accordance with FASB ASC 820, Subtopic 10, certain investments that are measured at net asset value per share (or its equivalent) shall not be classified in the fair value hierarchy. The fair value amount of the common/collective trust (Wells Fargo Stable Return Fund N) is presented in these tables to permit reconciliation of the fair value hierarchy to the total investments presented in the statements of net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

There were no transfers between Levels 1 and 2, and no transfers in or out of Level 3 between December 31, 2017 and December 31, 2018.

The following table presents Plan investments where fair value is measured using the net asset value per share practical expedient as of December 31, 2018 and 2017. There are no participant redemption restrictions for this investment, and the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (Participant)	Redemption Notice Period (Plan)
As of December 31, 2018:				
Wells Fargo Stable Return Fund N	$ 1,957,158	N/A	Daily	12 months
As of December 31, 2017.:				
Wells Fargo Stable Return Fund N	$ 1,373,300	N/A	Daily	12 months

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's operating expenses are paid by the Company (Note 2). The Company also provides administrative services for the Plan at no cost to the Plan. Certain investments are managed by the trustee/custodian of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7. INCOME TAX STATUS

The Company has adopted a volume submitter plan, and relies upon its opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014 in which the IRS stated that the plan's design was in accordance with the applicable requirements of the Code. The Company has not applied for a determination letter from the IRS specific to the Plan. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. DELINQUENT REMITTANCES

The Company identified six instances in 2016 where amounts withheld from employees, totaling $70,376, were not forwarded to the custodian within the reasonableness timeframe established by the Department of Labor. The Company remitted lost earnings of approximately $14 during 2018.

NOTE 10. SELF-CORRECTION OF OPERATIONAL FAILURES

During 2017, the Company identified operational failures primarily related to the implementation of participant deferral elections which resulted in missed deferral opportunities during 2017. As of the report date, the Company and the Plan administrator are working to determine the participants affected, and the self-corrective actions needed under the IRS Employee Plans Compliance Resolutions System's Self-Correction Program.

Based on such actions, Plan management and the Company believe the aforementioned operational failures will not cause the Plan to be disqualified by the IRS and that the self-corrective actions would allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Atlas Construction Supply, Inc. Retirement Savings Plan
San Diego, California

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Atlas Construction Supply, Inc. Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee/custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee/custodian holds the Plan’s investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee/custodian as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the Plan administrator by the trustee/custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedules (Schedule H, Part IV, Line 4a and Schedule H, Part IV, Line 4i) as of and for the year ended December 31, 2018 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee/custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. DESCRIPTION OF PLAN

The Atlas Construction Supply, Inc. Retirement Savings Plan (the "Plan") is sponsored by Atlas Construction Supply, Inc. (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective on May 1, 1993, is a defined contribution plan covering all eligible employees of the Company. The Plan's trustee/custodian is Wells Fargo Bank, N.A. ("Wells Fargo"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the provisions of the Internal Revenue Code (the "Code").

Eligibility

Employees who have reached 21 years of age and have completed six months of service with the Company are eligible to participate in the Plan. Ineligible employees include leased employees, reclassified employees (as defined), and those whose employment is governed by a collective bargaining agreement. Employees may enter the Plan on the first day of any calendar quarter coincident with or next following the date upon meeting these requirements.

Contributions

Participant contributions – Participants may elect to contribute any percentage of their eligible compensation, as defined by the Plan, up to the maximum allowed by the Code. The Plan permits both pre-tax deferral contributions and after-tax amounts designated as "Roth" contributions. In addition, employees who are age 50 or older may elect to defer additional amounts (referred to as "catch-up contributions") to the Plan up to the maximum allowed by the Code. Participant contributions are 100% vested and non-forfeitable.

Eligible employees and participants may also contribute amounts representing rollover distributions from other qualified sources.

Employer matching contributions – Each pay period, the Company provides matching contributions to the Plan in an amount equal to 50% of each dollar contributed by a participant, up to 6% of eligible compensation. Catch-up contributions are not eligible for employer matching contributions.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions, as well as any employer contributions, to any of the Plan's investment options. Subsequently, participants may change their allocation and transfer their account balances between investment options in accordance with Plan provisions.

Participant Accounts

Each participant's account is credited with the (i) participant's contributions, (ii) employer matching contributions, and (iii) an allocation of investments earnings (losses) and administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants (Participant Loans)

Participants may borrow against their accounts a minimum of $1,000 up to a maximum generally equal to the lesser of $50,000 or 50% of their vested account balance. Loans are required to be repaid within five years unless the loan is used to acquire a principal residence, in which case the repayment period may be up to ten years. Loans are secured by a participant's vested account balance. Participants may have up to two loans outstanding at any time. Principal and interest are paid regularly through payroll deductions according to a level amortization schedule, with the frequency of payments based on the Company's payroll schedule (weekly). The loans bear interest at a reasonable rate to be determined by the Plan Administrator, determined to be the Wells Fargo prime rate, plus 1%. As of December 31, 2018, the interest rate on outstanding loans ranged from 4.25% to 6.25%.

Vesting

Participants are always fully vested in their contributions plus actual earnings thereon. Participants vest in employer matching contributions, including actual earnings thereon, based on years of continuous service. A participant vests in the Company's contributions in accordance with the following schedule:

Years of Credited Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant also becomes 100% vested in employer matching contributions upon plan termination, reaching normal retirement age (65), the occurrence of death or total disability, or reaching early retirement age, as defined.

Forfeitures

Participants who terminate employment without being fully vested in their accounts forfeit all nonvested employer matching contributions. Forfeitures of terminated participants' nonvested accounts may be used to reduce employer matching contributions or to pay administrative expenses. As of December 31, 2018 and 2017, there was a balance of $16,885, and $11,605, respectively, in the forfeiture account. During 2018, amounts totaling $5,090 were forfeited, amounts totaling $45 were used to pay Plan expenses and no amounts were used to reduce employer matching contributions. During 2018, forfeited funds were allocated earnings in the amount of $236.

Payment of Benefits

Participants are entitled to a distribution of their vested benefits in the event of termination of employment, retirement, death, disability, attaining age 59½ and/or financial hardship. Generally, distributions may be taken in the form of a lump-sum payment, payments over a fixed period, or a rollover distribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain of the Plan's administrative expenses, such as custodian/trustee, accounting, and legal expenses are generally paid by the Company, except for certain administrative fees associated with distributions and loans, which are paid by the requesting participant. Other expenses, including investment advisory fees and asset-based fees, are paid by the Plan.

Subsequent Events

Plan management has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY THE TRUSTEE/CUSTODIAN

The Plan's investments were held by Wells Fargo, the trustee/custodian of the Plan, as of December 31, 2018 and 2017. All investments are participant-directed. All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2018 and 2017, as well as in the supplemental schedule (Schedule H, Part IV, Line 4i) as of December 31, 2018, and the net realized and unrealized appreciation (depreciation) in fair value of mutual funds and common/collective trust, and dividend, interest, and other income for the year ended December 31, 2018, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Wells Fargo.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to observable inputs for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs are either directly or indirectly observable for the asset or liability through correlation with related market data at the measurement date and for the duration of the instrument's anticipated life. Inputs include, for example, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2018 and 2017. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Common/collective trusts: Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer may reserve the right to require a notification period in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan offers as an investment a single common/collective trust, the Wells Fargo Stable Return Fund N, a stable value collective trust which primarily consists of indirect investments in fully benefit-responsive investment and security-backed contracts through an investment company. Consistent with FASB ASC 820, the stable value collective trust's contract value is considered its fair value for financial reporting purposes as that is the amount at which participants would normally transact with the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,291,449	$ -	$ -	$ 6,291,449
Total assets in the fair value hierarchy	$ 6,291,449	$ -	$ -	6,291,449
Common/collective trust measured at net asset value[(a)]				1,957,158
Total investments at fair value				$ 8,248,607

	December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,845,123	$ -	$ -	$ 6,845,123
Total assets in the fair value hierarchy	$ 6,845,123	$ -	$ -	6,845,123
Common/collective trust measured at net asset value[(a)]				1,373,300
Total investments at fair value				$ 8,218,423

(a) In accordance with FASB ASC 820, Subtopic 10, certain investments that are measured at net asset value per share (or its equivalent) shall not be classified in the fair value hierarchy. The fair value amount of the common/collective trust (Wells Fargo Stable Return Fund N) is presented in these tables to permit reconciliation of the fair value hierarchy to the total investments presented in the statements of net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

There were no transfers between Levels 1 and 2, and no transfers in or out of Level 3 between December 31, 2017 and December 31, 2018.

The following table presents Plan investments where fair value is measured using the net asset value per share practical expedient as of December 31, 2018 and 2017. There are no participant redemption restrictions for this investment, and the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (Participant)	Redemption Notice Period (Plan)
As of December 31, 2018:				
Wells Fargo Stable Return Fund N	$ 1,957,158	N/A	Daily	12 months
As of December 31, 2017.:				
Wells Fargo Stable Return Fund N	$ 1,373,300	N/A	Daily	12 months

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's operating expenses are paid by the Company (Note 2). The Company also provides administrative services for the Plan at no cost to the Plan. Certain investments are managed by the trustee/custodian of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7. INCOME TAX STATUS

The Company has adopted a volume submitter plan, and relies upon its opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014 in which the IRS stated that the plan's design was in accordance with the applicable requirements of the Code. The Company has not applied for a determination letter from the IRS specific to the Plan. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. DELINQUENT REMITTANCES

The Company identified six instances in 2016 where amounts withheld from employees, totaling $70,376, were not forwarded to the custodian within the reasonableness timeframe established by the Department of Labor. The Company remitted lost earnings of approximately $14 during 2018.

NOTE 10. SELF-CORRECTION OF OPERATIONAL FAILURES

During 2017, the Company identified operational failures primarily related to the implementation of participant deferral elections which resulted in missed deferral opportunities during 2017. As of the report date, the Company and the Plan administrator are working to determine the participants affected, and the self-corrective actions needed under the IRS Employee Plans Compliance Resolutions System's Self-Correction Program.

Based on such actions, Plan management and the Company believe the aforementioned operational failures will not cause the Plan to be disqualified by the IRS and that the self-corrective actions would allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Atlas Construction Supply, Inc. Retirement Savings Plan
San Diego, California

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Atlas Construction Supply, Inc. Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee/custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee/custodian holds the Plan’s investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee/custodian as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the Plan administrator by the trustee/custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedules (Schedule H, Part IV, Line 4a and Schedule H, Part IV, Line 4i) as of and for the year ended December 31, 2018 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee/custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. DESCRIPTION OF PLAN

The Atlas Construction Supply, Inc. Retirement Savings Plan (the "Plan") is sponsored by Atlas Construction Supply, Inc. (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective on May 1, 1993, is a defined contribution plan covering all eligible employees of the Company. The Plan's trustee/custodian is Wells Fargo Bank, N.A. ("Wells Fargo"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the provisions of the Internal Revenue Code (the "Code").

Eligibility

Employees who have reached 21 years of age and have completed six months of service with the Company are eligible to participate in the Plan. Ineligible employees include leased employees, reclassified employees (as defined), and those whose employment is governed by a collective bargaining agreement. Employees may enter the Plan on the first day of any calendar quarter coincident with or next following the date upon meeting these requirements.

Contributions

Participant contributions – Participants may elect to contribute any percentage of their eligible compensation, as defined by the Plan, up to the maximum allowed by the Code. The Plan permits both pre-tax deferral contributions and after-tax amounts designated as "Roth" contributions. In addition, employees who are age 50 or older may elect to defer additional amounts (referred to as "catch-up contributions") to the Plan up to the maximum allowed by the Code. Participant contributions are 100% vested and non-forfeitable.

Eligible employees and participants may also contribute amounts representing rollover distributions from other qualified sources.

Employer matching contributions – Each pay period, the Company provides matching contributions to the Plan in an amount equal to 50% of each dollar contributed by a participant, up to 6% of eligible compensation. Catch-up contributions are not eligible for employer matching contributions.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions, as well as any employer contributions, to any of the Plan's investment options. Subsequently, participants may change their allocation and transfer their account balances between investment options in accordance with Plan provisions.

Participant Accounts

Each participant's account is credited with the (i) participant's contributions, (ii) employer matching contributions, and (iii) an allocation of investments earnings (losses) and administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants (Participant Loans)

Participants may borrow against their accounts a minimum of $1,000 up to a maximum generally equal to the lesser of $50,000 or 50% of their vested account balance. Loans are required to be repaid within five years unless the loan is used to acquire a principal residence, in which case the repayment period may be up to ten years. Loans are secured by a participant's vested account balance. Participants may have up to two loans outstanding at any time. Principal and interest are paid regularly through payroll deductions according to a level amortization schedule, with the frequency of payments based on the Company's payroll schedule (weekly). The loans bear interest at a reasonable rate to be determined by the Plan Administrator, determined to be the Wells Fargo prime rate, plus 1%. As of December 31, 2018, the interest rate on outstanding loans ranged from 4.25% to 6.25%.

Vesting

Participants are always fully vested in their contributions plus actual earnings thereon. Participants vest in employer matching contributions, including actual earnings thereon, based on years of continuous service. A participant vests in the Company's contributions in accordance with the following schedule:

Years of Credited Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant also becomes 100% vested in employer matching contributions upon plan termination, reaching normal retirement age (65), the occurrence of death or total disability, or reaching early retirement age, as defined.

Forfeitures

Participants who terminate employment without being fully vested in their accounts forfeit all nonvested employer matching contributions. Forfeitures of terminated participants' nonvested accounts may be used to reduce employer matching contributions or to pay administrative expenses. As of December 31, 2018 and 2017, there was a balance of $16,885, and $11,605, respectively, in the forfeiture account. During 2018, amounts totaling $5,090 were forfeited, amounts totaling $45 were used to pay Plan expenses and no amounts were used to reduce employer matching contributions. During 2018, forfeited funds were allocated earnings in the amount of $236.

Payment of Benefits

Participants are entitled to a distribution of their vested benefits in the event of termination of employment, retirement, death, disability, attaining age 59½ and/or financial hardship. Generally, distributions may be taken in the form of a lump-sum payment, payments over a fixed period, or a rollover distribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain of the Plan's administrative expenses, such as custodian/trustee, accounting, and legal expenses are generally paid by the Company, except for certain administrative fees associated with distributions and loans, which are paid by the requesting participant. Other expenses, including investment advisory fees and asset-based fees, are paid by the Plan.

Subsequent Events

Plan management has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY THE TRUSTEE/CUSTODIAN

The Plan's investments were held by Wells Fargo, the trustee/custodian of the Plan, as of December 31, 2018 and 2017. All investments are participant-directed. All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2018 and 2017, as well as in the supplemental schedule (Schedule H, Part IV, Line 4i) as of December 31, 2018, and the net realized and unrealized appreciation (depreciation) in fair value of mutual funds and common/collective trust, and dividend, interest, and other income for the year ended December 31, 2018, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Wells Fargo.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to observable inputs for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs are either directly or indirectly observable for the asset or liability through correlation with related market data at the measurement date and for the duration of the instrument's anticipated life. Inputs include, for example, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2018 and 2017. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Common/collective trusts: Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer may reserve the right to require a notification period in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan offers as an investment a single common/collective trust, the Wells Fargo Stable Return Fund N, a stable value collective trust which primarily consists of indirect investments in fully benefit-responsive investment and security-backed contracts through an investment company. Consistent with FASB ASC 820, the stable value collective trust's contract value is considered its fair value for financial reporting purposes as that is the amount at which participants would normally transact with the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

	December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,291,449	$ -	$ -	$ 6,291,449
Total assets in the fair value hierarchy	$ 6,291,449	$ -	$ -	6,291,449
Common/collective trust measured at net asset value[(a)]				1,957,158
Total investments at fair value				$ 8,248,607

	December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,845,123	$ -	$ -	$ 6,845,123
Total assets in the fair value hierarchy	$ 6,845,123	$ -	$ -	6,845,123
Common/collective trust measured at net asset value[(a)]				1,373,300
Total investments at fair value				$ 8,218,423

(a) In accordance with FASB ASC 820, Subtopic 10, certain investments that are measured at net asset value per share (or its equivalent) shall not be classified in the fair value hierarchy. The fair value amount of the common/collective trust (Wells Fargo Stable Return Fund N) is presented in these tables to permit reconciliation of the fair value hierarchy to the total investments presented in the statements of net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

There were no transfers between Levels 1 and 2, and no transfers in or out of Level 3 between December 31, 2017 and December 31, 2018.

The following table presents Plan investments where fair value is measured using the net asset value per share practical expedient as of December 31, 2018 and 2017. There are no participant redemption restrictions for this investment, and the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (Participant)	Redemption Notice Period (Plan)
As of December 31, 2018:				
Wells Fargo Stable Return Fund N	$ 1,957,158	N/A	Daily	12 months
As of December 31, 2017.:				
Wells Fargo Stable Return Fund N	$ 1,373,300	N/A	Daily	12 months

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's operating expenses are paid by the Company (Note 2). The Company also provides administrative services for the Plan at no cost to the Plan. Certain investments are managed by the trustee/custodian of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7. INCOME TAX STATUS

The Company has adopted a volume submitter plan, and relies upon its opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014 in which the IRS stated that the plan's design was in accordance with the applicable requirements of the Code. The Company has not applied for a determination letter from the IRS specific to the Plan. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. DELINQUENT REMITTANCES

The Company identified six instances in 2016 where amounts withheld from employees, totaling $70,376, were not forwarded to the custodian within the reasonableness timeframe established by the Department of Labor. The Company remitted lost earnings of approximately $14 during 2018.

NOTE 10. SELF-CORRECTION OF OPERATIONAL FAILURES

During 2017, the Company identified operational failures primarily related to the implementation of participant deferral elections which resulted in missed deferral opportunities during 2017. As of the report date, the Company and the Plan administrator are working to determine the participants affected, and the self-corrective actions needed under the IRS Employee Plans Compliance Resolutions System's Self-Correction Program.

Based on such actions, Plan management and the Company believe the aforementioned operational failures will not cause the Plan to be disqualified by the IRS and that the self-corrective actions would allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.
