STAR EXTRUDED SHAPES, INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Star Extruded Shapes, Inc. 401(k) Profit Sharing Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a 401(K) plan established by Star Extruded Shapes, Inc. on January 1, 1995 to provide retirement benefits for all employees of Star Extruded Shapes, Inc. (the Company). Employees of the Company are eligible to participate in the Plan after having completed one year of service and reaching a minimum age of 21 years old. The plan entry date is the first day of the plan year or the first day of the seventh month of the plan year following attainment of the service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, plan participants may contribute to the Plan, on a pretax basis, an amount not to exceed 100% of their compensation, subject to a limit of \$18,500 for 2018 and \$18,000 for 2017. Eligible employees may elect to make additional “catch up” contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company makes a matching contribution on behalf of each participant in an amount equal to 50% of the employees’ elective deferral contributions up to a maximum of 2% of the participant's compensation contributed to the plan.

Participant Accounts

A separate account is maintained for each investment option selected by the participant. Each participant’s account is credited with the participant’s contributions, the Company's matching contributions, and the Plan’s earnings. Allocation of the Plan’s earnings is based on participant’s account balances. Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants are immediately vested in employee contributions. Vesting in the company contributions portion of their accounts is based on years of continuous services. Company contributions vest 20% each year during each of the second through sixth years of service with 100% vested after six years of credited services.

Payment of Benefits

In case of a normal retirement, retirement due to permanent disability or termination of employment, participants may elect to receive the value of their account balance in a lump sum distribution, or as a rollover in whole or in part to an eligible retirement plan, in accordance with the provisions of the Plan. In the event that a participant dies before retirement, the beneficiary will receive the value of the participant’s account balance in either a lump-sum distribution or, if the beneficiary is a surviving spouse, as a rollover in whole or in part to an eligible retirement plan.

STAR EXTRUDED SHAPES, INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeiture of non-vested employer contributions arising from employee terminations can be used to offset future employer contributions or to pay administrative expenses. At December 31, 2018 and 2017, forfeited nonvested accounts totaled \$10,717 and \$5,739, respectively.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting, in conformity with generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator and management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

Valuation of Investments

The Plan's investments are administered by Capital Bank & Trust Company and are stated at fair value. Units held in mutual fund accounts are reported at fair value based on the unit prices quoted by the funds, representing the fair value of the underlying investments. Units held in the money market fund are reported at carrying value.

Administrative Services

The expenses necessary to administer the Plan are paid by the Plan or Plan sponsor including, but not limited to, those involved in retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment adviser. Fees related to distributions are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value in the near term would materially affect participant account balances and the amounts reported in the statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

STAR EXTRUDED SHAPES, INC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 3 - TAX STATUS

The Plan uses a volume submitter plan document sponsored by CCH Incorporated, DBA FTWILLIAM.COM which received an opinion from the IRS, dated March 31, 2014, which states that the volume submitter document satisfies the provisions of Section 401 of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are investments managed by Capital Bank & Trust Company. Capital Bank & Trust Company is the custodian of the Plan and therefore, these transactions qualify as party-in-interest. Certain fees for investment management, recordkeeping and administrative expenses are with the custodian and are not considered prohibited transactions under ERISA.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 6 - PARTICIPANTS SEPARATED FROM SERVICE WITH A DEFERRED VESTED INTEREST

As of December 31, 2018, thirty-six participants with account balances totaling \$441,566 have separated from service and have not been paid.

NOTE 7 - INVESTMENTS

The Plan's investments are held by Capital Bank & Trust Company as custodian. Capital Bank & Trust Company certified as of December 31, 2018 and 2017 as to the completeness and accuracy of the information reported. Realized and unrealized gains/(losses) on investments totaled \$(389,780) and \$536,478 for the years ended December 31, 2018 and 2017, respectively.

NOTE 9 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Statement ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds: Valued at carrying value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
