Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the BH Media Group 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified or provided by Fidelity Management Trust Company, the custodian of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's assets and executes transactions. The plan administrator has obtained certifications from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Change in Accounting Principles

As discussed in Note 2 to the financial statements, the Plan changed its method of presentation related to disclosure requirements for investments using the net asset value per share as a practical expedient to fair value due to the adoption of Financial Accounting Standards Board Accounting Standards Update 2015-07, *Net Asset Value per Share*. Our opinion is not modified with respect to this matter.

Other Matter – Supplementary Information

The supplementary information as of and for the year ended December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. The supplementary information is the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplementary information.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary information, other than that derived from the information certified or provided by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BH Media Group 401(k) Plan

Notes to Financial Statements

December 31, 2018 and 2017

1. Plan Description

The following brief description of the BH Media Group 401(k) Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 2013 to provide retirement benefits for the employees of BH Media Group, Inc. and its subsidiaries and affiliates (the "Companies"). The Plan covers all of the employees of the Companies. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

As of December 31, 2018 and 2017, participating employers included: BH Media Group Inc., Catamaran Media Company, LLC, and an affiliated company, WPLG, Inc. (See Note 8).

Employees are eligible to make pre-tax and after-tax Roth contributions and receive discretionary matching and profit sharing contributions after completing one month of service. Eligible employees become Plan participants on the first day of the month following the date on which the entry requirements are fulfilled.

Contributions

Participants may make voluntary salary contributions up to 100% of their annual compensation, subject to the maximum dollar amounts allowable by law. Participants are automatically enrolled with an initial 4% deferral contribution. The deferral amount for each participant enrolled longer than six months will automatically increase by 1% as a pre-tax deferral contribution every year on January 2nd up to a maximum of 8%. At any time, a participant can elect not to contribute or may increase or decrease his or her deferral rate to any rate allowed under Plan provisions. Participants may also contribute amounts representing distributions from other qualified plans. The Companies' discretionary matching contributions for 2018 and 2017 ranged from 50% to 100% of the elective deferrals up to a maximum of 2% to 6% of the participant's annual eligible compensation. Additional profit sharing contributions may be made at the discretion of the Companies. The Companies' made discretionary profit sharing contributions to a specific employee group of \$0 and \$906 for 2018 and 2017, respectively. All participants who are eligible to make deferral contributions and who are projected to attain age 50 before the close of the calendar year are eligible to make catch up contributions, subject to the maximum dollar amounts allowable by law.

BH Media Group 401(k) Plan

Notes to Financial Statements

December 31, 2018 and 2017

Participant Accounts

Each participant's account is credited or debited with the participant's contributions and an allocation of a) the Companies' discretionary matching contributions, b) the Companies' discretionary profit sharing contributions, c) plan earnings or losses d) transaction based fees and e) plan administration fees. The Companies' discretionary matching contributions are allocated to participants based on each eligible participant's elected salary deferral. The Companies' discretionary profit sharing contributions are allocated based upon eligible compensation of participants. Plan earnings or losses are allocated on the basis of actual results of the investments selected by each participant. Transaction based fees for optional services offered under the Plan are allocated to participants who opt for these services. Plan administration fees not paid by forfeitures (see note below) are allocated pro-rata to participant accounts. Revenue credits earned by specific investments are allocated pro-rata to participants who invest in the investments subject to credits. Investments are maintained in individual member accounts managed by Fidelity Management Trust Company (Fidelity).

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Companies' discretionary matching and discretionary profit sharing contributions credited to participants' accounts are based on years of continuous service. A participant is 50% vested after two years of credited service and fully vested after three years of credited service. Other certain vesting schedules were retained from plans merged in.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance reduced by the highest outstanding loan balance in their account during the prior twelve month period. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates. Principal and interest are paid through payroll deductions. Participants pay a loan origination fee and an annual loan maintenance fee which is deducted from the participant's account.

Payment of Benefits

Upon normal retirement, disability, or death, the participant or beneficiary may elect to receive a lump sum or annual installment payments, equal to the value of the vested funds allocated to the participant's account. Upon termination of service for other reasons, the participant may receive a lump sum payment equal to the value of the vested funds allocated to the participant's account. If the value of the vested funds allocated to the participant's account is greater than \$5,000, participants have the option of leaving their funds in the Plan. If the value of the vested funds allocated to the participant's account is between \$1,000 and \$5,000 the participant's account will be directly rolled over to an individual retirement account designated by the plan administrator in the event the participant does not elect otherwise. If the value of the vested funds allocated to the participant's account is less than \$1,000, a distribution will be paid out to the participant in the event the participant does not elect a payout option. Benefits are recorded when paid.

BH Media Group 401(k) Plan

Notes to Financial Statements

December 31, 2018 and 2017

Forfeitures

Upon a participant's termination of employment before normal retirement, disability or death, the portion of their Companies' contributions not then vested shall be forfeited. The forfeited portion of any participant's account may be used to pay Plan expenses and to reduce the Companies' discretionary contributions. As of December 31, 2018 and 2017, there were \$182,539 and \$165,267 of forfeited, non-vested amounts available, respectively. Forfeited, non-vested amounts of \$295,757 and \$260,582 were used to offset employer discretionary match contributions during the years ended December 31, 2018 and 2017, respectively. Forfeited, non-vested amounts of \$18,583 and \$19,205 were used to pay Plan expenses during the years ended December 31, 2018 and 2017, respectively.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements is set forth below.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis and in conformity with accounting principles generally accepted in the United States of America.

Presentation of Participant-Directed Funds

The Plan's presentation of participant-directed investments is in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards codification (ASC) 962, *Plan Accounting – Defined Contribution Pension Plans*.

New Accounting Pronouncements

The FASB issued ASU 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its equivalent), which removes the requirement to categorize within the fair value hierarchy all investments using the net asset value per share as a practical expedient to fair value. Management has elected to adopt this ASU in 2018, which is applied retrospectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

BH Media Group 401(k) Plan

Notes to Financial Statements

December 31, 2018 and 2017

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an investment in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Expenses

Certain professional fees of the Plan are paid directly by the Companies and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Recordkeeping, legal, audit, and consulting fees are paid by the Plan and are included in administrative expenses, net of revenue credits.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are available to be issued and may require potential recognition or disclosure in the financial statements. Management has considered such events or transactions through September 5, 2019. See Note 8 for discussion of subsequent events.

BH Media Group 401(k) Plan

Notes to Financial Statements

3. Information Certified by Fidelity

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplementary information.

The following table presents the value of the participant-directed investments in this Plan that were certified by Fidelity as of December 31:

	<u>2018</u>	<u>2017</u>
Investments at Fair Value	<u>\$ 157,400,715</u>	<u>\$ 178,688,889</u>
Notes Receivable from Participants	<u>\$ 2,625,555</u>	<u>\$ 2,654,489</u>

Fidelity also certified the completeness and accuracy of the following related to the aforementioned investments for the years ended December 31:

	<u>2018</u>	<u>2017</u>
Net Appreciation (Depreciation) in Fair Value of Investments	\$ (19,306,188)	\$ 18,530,864
Interest and Dividends from Investments	7,385,046	7,025,858
Net Investment Income (Loss)	<u>\$ (11,921,142)</u>	<u>\$ 25,556,722</u>
Interest Income on Notes Receivable from Participants	<u>\$ 137,573</u>	<u>\$ 119,679</u>

4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;

BH Media Group 401(k) Plan

Notes to Financial Statements

December 31, 2018 and 2017

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2018 and 2017.

Mutual Funds: Valued at the daily closing price as reported by the funds. The funds held are open-end funds and are registered with the Securities and Exchange Commission. These funds are required to publish its daily net asset value (NAV) and to transact at that price. These funds are deemed to be actively traded.

Common Collective Trusts: Valued at NAV based on the market value of its underlying investments, FASB ASC 820, Fair Value Measurement, allows NAV per share to serve as a practical expedient to estimate the fair value as long as certain requirements are met. It is the Plan's assessment that this fund meets those requirements. Were the Plan to initiate a full redemption of the applicable collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-Directed Brokerage Accounts: The self-directed brokerage accounts include investments in money market funds, mutual funds, and common stocks. The money market funds, mutual funds, and common stocks are valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BH Media Group 401(k) Plan

Notes to Financial Statements

December 31, 2018 and 2017

The following table presents by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$150,310,576	\$ -	\$ -	\$150,310,576

Total Investments at Fair Value				<u>\$157,400,715</u>

The following table presents by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$170,823,567	\$ -	\$ -	\$170,823,567

Common Collective Trusts**				<u>7,338,543</u>
Total Investments at Fair Value				<u>\$178,688,889</u>

** The fair value of investments in the Common-Collective Trust Funds is valued based on the funds' net asset value (NAV) or its equivalent, as supplied by the trust administrator. This classification above excludes a level in line with the adoption of ASU 2015-07.

5. Tax Status

The Plan is qualified as a profit sharing plan under Section 401(a) of the Internal Revenue Code and is exempt from federal income taxation under Section 501(a) of the Internal Revenue Code.

The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the financial statements.

BH Media Group 401(k) Plan

Notes to Financial Statements

December 31, 2018 and 2017

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2015 .

6. Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested. Distribution to participants of the account balances would be made as soon as practicable after the termination date.

7. Related Party Transactions

Certain Plan investments are mutual funds managed by Fidelity. Fidelity is the custodian as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions.

8. Subsequent Event

Effective January 1, 2019, WPLG, Inc. was no longer a participating employer in the Plan and created a new plan called WPLG, Inc. 401(k) Plan. Approximately 279 participants and \$13,247,675 in plan assets were transferred from the Plan subsequent to December 31, 2018.

Effective August 2, 2019, Catamaran Media Company, LLC merged into BH Media Group Inc. and was no longer a participating employer in the Plan.
