Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplementary Information

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of or for the year ended December 31, 2018 are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN

The following description of the MW&E Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees (staff and associate attorneys), individual partners, and corporate partners of McDermott Will & Emery (the Firm) who have adopted the Plan, and employees of these corporate partners. Employees and partners become eligible to participate in the Plan beginning on the first date on which they are employed by or associated with the Firm. An individual partner having either a capital interest or income interest in the Firm exceeding 10% of the aggregate of such interest of all partners is not eligible to participate in the Plan.

Contributions

A participant may elect to have the Firm make a 401(k) contribution to the Plan on his or her behalf in an amount ranging from 1% to 75% of the participant's earnings. A participant may also make voluntary (after-tax) contributions to the Plan ranging from 1% to 10% of his or her earnings. 401(k) and voluntary contributions in the aggregate are limited to 75% of earnings.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. Automatically enrolled participants have their deferral rate increased at a rate of 1% per year on January 1 up to a maximum of 15% of eligible compensation unless otherwise elected by the participant.

The Firm makes a matching contribution equal to 25% of the first 4% of a staff participant's 401(k) contribution, after the participant has met a one-year service requirement. After a participant has completed two years of service, the Firm makes an additional annual contribution equal to the sum of 6.50% of the participant's earnings plus 5.70% of the participant's earnings in excess of the Social Security wage base for the year, provided the participant is employed by or associated with the Firm on the last day of the year. In addition, the Firm may make a discretionary contribution at a rate, if any, specified by the Firm for income partners over the age of 45 and capital partners who have met a two-year service requirement.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Contributions are subject to certain limitations as mandated by the Internal Revenue Code (IRC).

Investment Options

Participants may direct all their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions.

Participant Accounts

Each participant's account is credited with the participant's contributions, any firm contributions, and an allocation of the Plan's earnings (losses). Allocations of earnings (losses) are based on participant account balances, as defined. Certain plan administrative expenses are charged to the account of the participant to which they relate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested benefit.

Vesting

Each participant is fully vested in his or her account at all times. The benefit to which a participant is entitled consists of the entire amount credited to his or her plan account.

Payment of Benefits

When a participant becomes entitled to a payment under the Plan, the total amount of the participant's account will be paid in a lump sum and/or by purchase of an annuity contract issued on his or her life. If the participant is married, payment of a portion of the participant's account will be in the form of a qualified joint and survivor annuity, unless waived by the participant with the spouse's consent.

Notes Receivable from Participants

Participants may take loans against their balance, limited to the lesser of 50% of their account balance, less defaulted loans (if any) or $50,000, with a maximum of three loans outstanding at any one time. The minimum loan allowed is $1,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.75% to 6.00%, which commensurate with the local prevailing prime rate plus 1/2% at the date of origination, as determined by the plan administrator. Principal and interest are repaid through payroll deduction over a period of up to five years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Firm and are excluded from these financial statements. Loan administration and distribution fees are charged directly to the participant's account and are included in administrative expenses. The Plan also pays certain investment advisory and plan administration fees from plan assets. Certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value as determined by the trustee of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser, and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, less amounts defaulted (if any). Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. Defaulted notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Financial Accounting Standards Update (ASU) 2018-13, *Changes to the Disclosure Requirements for Fair Value Measurements*. This standard is intended to improve the effectiveness of disclosures in the notes to the financial statements and modify the disclosure requirements on fair value measurements in Topic 820, *Fair Value Measurements.* ASU 2018-13 is effective for fiscal years beginning after December 15, 2019, with early adoption permitted. The Firm is currently evaluating the impact of this ASU.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events are events or transactions that occur after year end but before financial statements are issued or are available to be issued. These events and transactions either provide additional evidence about conditions that existed at year end, including the estimates inherent in the process of preparing financial statements (that is, recognized subsequent events), or provide evidence about conditions that did not exist at year end but arose after that date (that is, nonrecognized subsequent events).

The Plan has evaluated subsequent events through October 2, 2019, which was the date that these financial statements were available for issuance, and determined that there were no significant nonrecognized subsequent events through that date.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

3. FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include the following other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets,

b. Quoted prices for identical or similar assets or liabilities in inactive markets,

c. Inputs other than quoted prices that are observable for the asset or liability, and

d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Money market fund: Valued at the daily closing price as reported by the fund based on the market on which the individual securities are actively traded.

Mutual funds, unit investment trusts (UITs), and real estate investment trusts (REITs): Valued at the daily closing price as reported by the mutual fund, UIT, or REIT. Mutual funds, UITs, and REITs held by the Plan are open-ended investments that are registered with the U.S. Securities and Exchange Commission. These investments are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds, UITs, and REITs held by the Plan are deemed to be actively traded.

3. FAIR VALUE MEASUREMENTS (Continued)

Collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-directed brokerage accounts: Accounts consist of U.S government bonds, common stock and preferred stock, corporate bonds, unit investment trusts, exchange-traded funds, and real estate investment trusts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018			
Description	Level 1	Level 2	Level 3	Total
Money market fund	$ 29,237,800	$ -	$ -	$ 29,237,800
Mutual funds	607,420,212	-	-	607,420,212
Self-directed accounts	78,526,609	4,519,627	-	83,046,236
TOTAL	$ 715,184,621	$ 4,519,627	$ -	719,704,248
Investments measured at net asset value [(a)]				11,065,592
TOTAL INVESTMENTS AT FAIR VALUE				$ 730,769,840

3. FAIR VALUE MEASUREMENTS (Continued)

Description	Assets at Fair Value as of December 31, 2017 Level 1	Level 2	Level 3	Total
Money market funds	$ 33,835,979	$ -	$ -	$ 33,835,979
Mutual funds	639,741,007	-	-	639,741,007
Self-directed accounts	79,740,752	3,326,575	-	83,067,327
TOTAL	$ 753,317,738	$ 3,326,575	$ -	756,644,313
Investments measured at net asset value [(a)]				10,954,700
TOTAL INVESTMENTS AT FAIR VALUE				$ 767,599,013

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table presents the fair value, unfunded commitments, redemption frequency, and redemption notice period for plan investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2018 and 2017:

Investment	Fair Value 2018	Fair Value 2017	Unfunded Commitment 2018	Unfunded Commitment 2017	Redemption Frequency	Redemption Notice Period
Collective trust fund Mellon Stable Value Fund	$11,065,592	$10,954,700	$ -	$ -	Daily	*

* Investments in this category can be redeemed immediately at the participant level and in 12 months at the plan level, at the current NAV per share based on the fair value of the underlying assets.

3. FAIR VALUE MEASUREMENTS (Continued)

Changes in Fair Value Levels

The Plan assesses the levels of the investments at each measurement date and transfers between levels are recognized on the actual date of the event or change in circumstances that caused the transfer in accordance with the Plan's accounting policy regarding the recognition of transfers between levels of the fair value hierarchy. For the years ended December 31, 2018 and 2017, there were no such transfers.

4. CERTIFICATION OF FINANCIAL INFORMATION

The following financial data included in the accompanying financial statements and supplemental schedules as of and for the years ended December 31, 2018 and 2017 has been certified as complete and accurate by Charles Schwab Trust Company (Charles Schwab) the trustee of plan assets, and has not been audited by the independent auditors for the Plan: investments at fair value, notes receivable from participants, interest and dividends, interest on notes receivable from participants, and net appreciation (depreciation) in fair value of investments.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Firm may determine.

6. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Firm by letter dated April 18, 2018, that the Plan is designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Charles Schwab, the trustee and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Firm. These transactions qualify as party-in-interest. Employees of the Firm provide administrative services to the Plan for which no fees are charged.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. PROHIBITED TRANSACTIONS

During 2018, the Firm failed to remit to the Plan's trustee certain employee contributions totaling $29,664 within the period prescribed by Department of Labor's regulations. Delays in remitting contributions to the trustee were due to administrative errors, and the Firm will make contributions to the affected participants' accounts to compensate those participants for potential lost income due to the delays.
