The Plan Administrator
Big Cedar Creek 401(k) Plan:

We have conducted a DOL limited-scope audit of the financial statements of Big Cedar Creek 401(k) Plan (the "Plan") as of and for the year ended December 31, 2018 and have issued our report thereon dated September 27, 2019. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated June 29, 2019, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS") except that, as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and as instructed by Plan management, we did not perform, any auditing procedures with respect to information prepared and certified to by John Hancock Life Insurance Company, custodian, in accordance with DOL Regulation 2520.103-5, other than comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that we did not audit, we did not express an opinion on the financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified to by the custodian, were audited by us in accordance with U.S. GAAS, and were subjected to tests of the Plan's accounting records and other procedures we considered necessary to enable us to express an opinion that they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2018. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The financial statement disclosures are neutral, consistent, and clear.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no such misstatements noted.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no such misstatements noted.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated September 27, 2019.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have obtained and read the other information and considered whether such information, or the manner of its presentation, was materially inconsistent with its presentation in the financial statements and noted no material inconsistencies to be reported.

This information is intended solely for the information and use of the Plan Administrator and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Jaynes, Reitmeier, Boyd & Thenell, P.C.

We understand that, at our instruction, you did not perform any audit procedures with respect to information prepared and certified to by John Hancock Life Insurance Company, the custodian, in accordance with the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), other than comparing such information with the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole. Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Big Cedar Creek 401(k) Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Big Cedar Creek 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements referred to in the first paragraph.

Report on Supplementary Information

The supplemental Schedule of Assets (Held at End of Year), as of December 31, 2018, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report of Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2018 and 2017

(1) Description of Plan

The following description of the Big Cedar Creek (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all full-time employees of Big Creek Construction, Ltd., Cedar Creek Stone Co., Ltd., WFMM, LLC, and Viking Leveled Up, LLC, who have completed at least six months of service and have attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may elect to contribute up to 100% of their annual compensation, as defined in the Plan, subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. During the years ending December 31, 2018 and 2017, the Company's discretionary matching contribution was equal to 25% of each participant's contributions, up to 5% of each participant's total compensation for the years then ended. Participants direct the investment of the contributions to various investment options offered by the Plan. Unallocated Company contributions were $191,925 and $174,955 at December 31, 2018 and 2017, respectively.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Company contributions, (b) Plan earnings, and (c) certain forfeitures of terminated participants' nonvested accounts. Allocations of earnings are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) Description of Plan (continued)

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts (plus earnings) is based on years of continuous service. A participant is 100% vested after six years of credited service. Full vesting in employer contributions also occurs upon death, total disability or retirement at or after age 65.

(e) Payment of Benefits

Upon termination of service, a participant may elect to receive (1) a lump-sum amount equal to the value of his or her account, or (2) periodic installments.

(f) Forfeited Accounts

If a participant chooses to withdraw from the plan before full vesting, the unvested balance is forfeited and may be used by the Company to reduce future employer contributions. At December 31, 2018 and 2017, there were no forfeited nonvested accounts. Forfeitures of $14,678 and $10,315 were used in 2018 and 2017 to reduce employer contributions.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

(b) Cash

The balance in the Plan’s cash account represents amounts held in the insurance company’s general account which have been forfeited by participants as a result of being nonvested in the amount at the date of distribution.

(2) Summary of Significant Accounting Policies (continued)

(c) Investments

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

(d) Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2018 excess contributions of the applicable participants prior to March 15, 2019.

(e) Payment of Benefits

Benefits are recorded when paid.

(f) Administrative Expenses

The Plan’s expenses are paid either by the Plan or the Company, as provided in the Plan Agreement. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. In addition, certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits.

(g) Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

(h) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(3) Information Certified by the Custodian

The financial information included in the Plan financial statements, except for receivables, excess contributions payable, contributions, other income, benefits paid to participants, and administrative expenses, has been derived from information certified as complete and accurate by the custodian, John Hancock Life Insurance Company as of December 31, 2018 and 2017, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(4) Investment Contract with an Insurance Company

The Plan maintains a group annuity investment contract with John Hancock Life Insurance Company ("Hancock"). Hancock maintains all assets of the group annuity investment contract in pooled separate accounts and an unallocated investment contract. The following table presents the reported values of the underlying investments, all of which are participant-directed.

		2018	2017
Investment contract with an insurance company:			
Group Annuity Investment Contract #66627			
with John Hancock Life Insurance Company:			
Pooled separate accounts	$	5,587,904	5,440,473
Unallocated investment contract		12,672	48,147
	$	5,600,576	5,488,620

(4) Investment Contract with an Insurance Company (continued)

The following methods and assumptions were used to report the values of the investment contract with an insurance company:

The pooled separate accounts are valued using the net asset value ("NAV") of the units as determined by Hancock as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that Hancock would sell the underlying investment for an amount different that the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the group annuity contract with Hancock, Hancock reserves the right to require 60 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments as of December 31, 2018 and 2017

The Stable Value Fund is an unallocated investment contract under the group annuity contract with Hancock. The Stable Value Fund meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The Stable Value Fund calculates a new interest rate the first day of each month which is applies to all "new money" deposited into the account. At the end of each year a "composite rate" is determined for each participant account which becomes the rate earned by the account until maturity. There is no "floor" or minimum rate specified by the funds.

Generally plan participants can withdraw funds from the Plan on a daily basis. If the Plan ends its participation in the trust, it will receive the Plan's fair value as the surrender value, which may take up to twelve months to become effected. Certain events limit the Plan's ability to transact at contract value with the issuer. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable

(5) Tax Status

The Plan is using a prototype standardized profit sharing plan document with an effective date of March 31, 2014. The IRS indicated the standardized form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). The opinion of the IRS on the acceptability of the form of the Plan is not a ruling or determination as to whether the Plan qualifies under Code section 401(a). The Plan has been amended since receiving its determination letter. However, the Plan Administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(6) Party-in-Interest Transactions

The Plan invests in a group annuity investment contract with John Hancock Life Insurance Company. John Hancock is the custodian, as defined by the Plan, and therefore the transaction qualifies as a party-in-interest. Fees paid by the Plan for the investment management services to John Hancock amounted to $5,400 and $4,237 for 2018 and 2017, respectively.

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party-in-interest transactions.

(7) Risks and Uncertainties

The Plan invests in a group annuity investment contract with various investments underlying the contract. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

(9) Subsequent Events

The Plan has evaluated subsequent events from the date of the statements of net assets available for benefits through September 27, 2019 the date which the financial statements were available to be issued, and determined there are no items to disclose.
