To the Administrative Committee
COECO Office Systems, Inc. 401(k) Plan
Rocky Mount, North Carolina

We have conducted a DOL limited-scope audit of the financial statements of the COECO Office Systems, Inc. 401(k) Plan for the year ended December 31, 2018 and have issued our report thereon dated TBD. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 1, 2019. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the COECO Office Systems, Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2018. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the reported values of assets and liabilities and changes therein is based on the Trustees' certifications. We evaluated the key factors and assumptions used to develop the reported values of assets and liabilities in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 26, 2019.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan's Administrative Committee and Management of the COECO Office Systems, Inc. 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Stancil PC

COECO OFFICE SYSTEMS, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2018 AND 2017****1. DESCRIPTION OF PLAN:**

The following description of the COECO Office Systems, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of COECO Office Systems, Inc. (the "Company") who meet the age and service requirements under the Plan. Employees become participants on the first day of the month following the completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Company.

Contributions

Each year, participants may contribute up to 100 percent of pre-tax compensation, as defined in the Plan, subject to the limits established by the Internal Revenue Service, and may also contribute amounts representing distributions from other qualified plans. Effective August 1, 2016, post-tax contributions (Roth) were allowed to be contributed to the plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. The Company may make matching contributions, a profit-sharing contribution, and a qualified non-elective contribution at its discretion.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions, if any, are allocated in the same manner as employee deferrals.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and is charged with an allocation of administrative and fund expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See Independent Auditor's Report

COECO OFFICE SYSTEMS, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2018 AND 2017****1. DESCRIPTION OF PLAN: (Continued)****Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution to their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of the account balance. The loans are secured by the vested balance in the participant's account and bear interest rates commensurate with local prevailing rates as determined by the plan administrator. The rates are 4.25 to 6.25 percent on loans outstanding at December 31, 2018 and mature through 2023. Principal and interest are paid ratably through payroll deductions.

Excess Contribution Liability

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed \$9,490 of excess contributions liability and earnings for 2018 plan year to participants prior to March 15, 2019.

Payment of Benefits

Benefits are paid upon retirement, death, disability, or termination of employment. Benefits are paid in a lump-sum amount that is equal to the value of the participant's vested interest in their account, less any outstanding loans. Participants may also obtain withdrawals by demonstrating a hardship as defined under the Plan, or upon attaining age 59 ½.

Forfeited Accounts

The forfeited non-vested portion of a terminated participant's account is used to reduce future Company contributions. Current year forfeitures totaled \$7,108 and \$11,186 as of December 31, 2018 and 2017, respectively. In 2018 and 2017, Company contributions were reduced by \$6,194 and \$11,191 from forfeited non-vested accounts, respectively.

See Independent Auditor's Report

COECO OFFICE SYSTEMS, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2018 AND 2017****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:****Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Liability

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2018 excess contributions to the applicable participants prior to March 15, 2019. The Plan distributed the 2016 excess contributions to the applicable participants prior to March 15, 2017.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Administrative Expenses

A portion of administrative expenses incurred by the Plan are paid for by the Company and are not reflected in these financial statements.

Subsequent Events

The Plan has evaluated events and transactions that occurred between December 31, 2018 and September 26, 2019, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

3. INFORMATION CERTIFIED BY TRUSTEE: (Unaudited)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Bank, the Trustee of the Plan, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule:

	December 31,	
	2018	2017

4. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements.) The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"> • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common Collective Trust Fund: Valued at the (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, issued as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

See Independent Auditor's Report

COECO OFFICE SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

4. FAIR VALUE MEASUREMENTS: (Continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,786,109	\$ -	\$ -	\$ 5,786,109
Total Assets at Fair Value	<u>\$ 5,786,109</u>	<u>\$ -</u>	<u>\$ -</u>	<u>5,786,109</u>
Investments measured at NAV *				651,390
Investments at fair value				<u>\$ 6,437,499</u>
Assets at Fair Value as of December 31, 2017				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,932,154	\$ -	\$ -	\$ 5,932,154
Total Assets at Fair Value	<u>\$ 5,932,154</u>	<u>\$ -</u>	<u>\$ -</u>	<u>5,932,154</u>
Investments measured at NAV *				660,394
Investments at fair value				<u>\$ 6,592,548</u>

*In accordance with Subtopic 820-10 as amended by ASU 2015-07, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value represented in this table is intended to permit reconciliation of the fair value hierarchy table to the line item presented in the statement of net assets available for benefits.

See Independent Auditor's Report

COECO OFFICE SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

4. FAIR VALUE MEASUREMENTS: (Continued)

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Fair Value of Investments in Entities that use Net Asset Value (NAV)

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) practical expedient as of December 31, 2018 and 2017, respectively.

Instrument	Fair Value at 12/31/2018	Unfunded Commitment	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective Trust Funds	\$ 651,390	n/a	Daily, if transferring in funds	Can not transfer funds to competing fixed income funds

Instrument	Fair Value at 12/31/2017	Unfunded Commitment	Redemption Frequency (if currently eligible)	Redemption Notice Period

See Independent Auditor's Report

COECO OFFICE SYSTEMS, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2018 AND 2017****5. PARTY-IN-INTEREST TRANSACTIONS:**

Certain Plan investments are shares of mutual funds that were managed by Reliance Trust Company, the Plan's trustee. Some of the earnings of the Plan are generated by these funds. Fees and commissions paid by the Plan for administrative, recordkeeping, and investment management services amounted to \$1,625 and \$1,383 for the years ended December 31, 2018 and 2017, respectively. The trustee also functions as the third-party administrator of the Plan. The Company provides limited administrative services to the Plan at no cost. These transactions qualify as party-in-interest transactions.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

7. INCOME TAX STATUS:

On August 1, 2016, the Company switched to the Automatic Data Processing Defined Contribution Plan Non-Standardized 401(k) Profit Sharing Plan and adopted the August 1, 2016 restated plan. The prototype non-standardized Profit-Sharing Plan with CODA obtained its latest opinion letter dated July 16, 2014, in which the Internal Revenue Service stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been recorded in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the North Carolina Department of Revenue. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
