Seating Concepts, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2018 and 2017

Note 1: Description of the Plan

The following description of the Seating Concepts, Inc. 401(k) Plan (Plan) provides only general information. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing and 401(k) plan covering substantially all employees of Seating Concepts, Inc. (Company) and is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

Employees of the Company, except those covered by a collective bargaining agreement and nonresident aliens, are eligible to participate in the Plan upon completion of one year of service and attaining the age of 21.

Contributions

The Plan is funded by voluntary pre-tax and post-tax contributions of participants and matching contributions of the Company. Eligible employees can elect to contribute to the Plan pre-tax and/or Roth after-tax deferrals of their compensation, as defined by the Plan, through regular payroll deductions, subject to limitations imposed by the Internal Revenue Code. The Company will contribute a safe harbor contribution of 100% up to 3% of a participant's compensation plus a 50% contribution of a participant's compensation between 3% and 5%. The Company may also make a discretionary profit sharing contribution. There were no discretionary profit sharing contributions during 2018 or 2017.

Participants may also roll over amounts representing distributions from other qualified employee benefit plans. Participants who have attained age 50 before the plan year are eligible to make additional pre-tax contributions, also known as "catch- up" contributions.

Investment Options

Participants direct their salary deferral contributions and the Company's contributions into a variety of investments made available and determined by the plan administrator. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor matching and profit sharing contributions, and an allocation of plan earnings. Plan earnings are allocated to participant's accounts in direct proportion to their respective account balances, based on the performance of participant's investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately fully vested in participant, rollover and Company matching contributions, plus actual earnings thereon. The portion of the participants' accounts attributable to the Company's profit sharing contributions becomes 100% vested after three years of service. In the event of death, disability or retirement at designated ages, participants become fully vested.

Forfeited Accounts

Forfeitures of nonvested account balances are used to offset future discretionary Company profit sharing contributions. There were no forfeitures at December 31, 2018 or 2017, available for future use. No forfeitures were utilized during 2018 or 2017.

Payment of Benefits

On termination of service, a participant may elect to receive a single, lump-sum payment equal to the value of his or her vested account balance, installments over a specified period of time or a direct rollover distribution.

Administrative Expenses

Certain administrative expenses are paid by the Company on behalf of the Plan. Administrative expenses paid by the Plan totaled $3,839 and $3,724 for the years ended December 31, 2018 and 2017, respectively. Certain investment management fees are included in the net appreciation (depreciation) in the fair value of the investments.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of net assets, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. The pooled separate accounts are valued at net asset value (NAV) of units held as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each fund less its liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan at the Company's discretion.

Note 3: Certification of Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.), the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate to the best of their knowledge:

- Investments, at fair value, as shown in the statements of net assets available for benefits as of December 31, 2018 and 2017
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2018 and 2017
- Investment information included in the supplemental schedule of assets (held at year end) as of December 31, 2018

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4: Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2018 and 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2018				
Pooled separate accounts	$ 2,422,485	$ -	Daily	None
December 31, 2017				
Pooled separate accounts	$ 2,287,430	$ -	Daily	None

Note 5: Risks and Uncertainties

The Plan invests in various investment options. These investment options are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment options and the level of uncertainty related to changes in the value of the investment options, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Note 6: Party-in-Interest Transactions

Certain plan investments are managed by John Hancock Life Insurance Company (U.S.A.), the trustee of the Plan, as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Company provides certain administrative services at no cost to the Plan.

Note 7: Income Tax Status

The Plan operates under standardized adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by Sungard Corbel, LLC. This prototype plan document has been filed with the appropriate agency and the sponsor has obtained an opinion letter dated March 31, 2008, from the Internal Revenue Service stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is

currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt as of the financial statement date.

Note 8: Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants become fully vested in their entire account balance.

Note 9: Late Deposits
