Communications with Those Charged with Governance

To the Plan Administrator
Bristol Farms, Inc. 401(k) Savings Plan

We have completed a Department of Labor (DOL) limited scope audit of the financial statements and supplemental schedule of Bristol Farms, Inc. 401(k) Savings Plan (the "Plan") as of and for the year ended December 31, 2018. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. However, our limited scope audit of the financial statements does not relieve you or management of your responsibilities. Professional standards require that we provide you with the following information related to our audit.

Matters required to be communicated include the following:

- Our responsibility under auditing standards generally accepted in the United States of America
- Other information in documents containing audited financial statements
- Planned scope and timing of the audit
- Significant audit findings
  - Qualitative aspects of accounting practices
  - Significant accounting estimates
  - Financial statement disclosures
  - Significant difficulties encountered in performing the audit
  - Corrected and uncorrected misstatements
  - Disagreements with management
  - Management representations
  - Management consultation with other independent accountants
  - Other significant audit findings or issues

Our Responsibility Under Auditing Standards Generally Accepted in the United States of America

As part of our audit, we considered the internal control of the Plan except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information summarized in Note 4 to those financial statements. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Our responsibility is to plan and perform the audit in accordance with auditing standards generally accepted in the United States of America and to design the audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we considered the Plan's internal control solely for the purposes of determining our audit procedures and not to provide assurance concerning such internal control.

We are also responsible for communicating significant matters related to the financial statement audit that, in our professional judgment, are relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

You should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and Internal Revenue Code requirements.

Other Information in Documents Containing Audited Financial Statements

The AICPA's Audit and Accounting Guide for Employee Benefit Plans requires that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500 (including any related schedules), the auditor must review the Form 5500 and consider whether there are any material inconsistencies between the other information in the form and the audited financial statements (including the related schedules) or any material misstatement of fact.

Our responsibility for other information in the Form 5500 does not extend beyond the financial information identified in our report. We do not have an obligation to perform any procedures to corroborate other information contained in the form, except as described above. However, we have read the information contained in the Form 5500 and nothing came to our attention that caused us to believe that such information or its manner of presentation is materially inconsistent with the information or manner of its presentation appearing in the financial statements.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter and planning discussions.

Significant Audit Findings and Issues

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements.

No new accounting policies were adopted and there were no changes in the application of existing accounting policies during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Significant Accounting Estimates

Accounting estimates may be an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates may be particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

We did not note any significant accounting estimates in the financial statements. Significant accounting estimates are not commonly inherent in a defined contribution plan with investments that are readily marketable.

Financial Statement Disclosures

The disclosures in the financial statements are consistent, clear, and understandable. Certain financial statement disclosures may be particularly sensitive because of their significance to financial statement users.

We did not note any disclosures in the financial statements which we consider sensitive to potential users.

Significant Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all factual and judgmental misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

We did not note any uncorrected misstatements in the course of the engagement.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 10, 2019.

Management Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Significant Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

To the Plan Administrator and Participants
Bristol Farms, Inc. 401(k) Savings Plan

Report on Financial Statements

We were engaged to audit the accompanying financial statements of the Bristol Farms, Inc. 401(k) Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

Supplemental Schedule

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2018, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Plan Description

The following description of the Bristol Farms, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General – The Plan was established effective as of July 3, 1995, and is intended to qualify as a profit sharing plan under sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration – The Plan is sponsored by Bristol Farms, Inc. (the "Company" or "Sponsor"), which also serves as the plan administrator. Reliance Trust Company ("Reliance Trust" or "Trustee") is the Plan's trustee, State Street Bank and Trust Company ("State Street" or "Custodian") maintains the Plan's assets, and ADP Retirement Services ("ADP") is the Plan's record keeper.

Eligibility – Full-time employees of the Company are generally eligible to participate in the Plan after three months of service. However, non-resident aliens, union and leased employees are excluded from participating in the Plan.

Contributions – Participants may make pretax contributions of up to 60% of their annual eligible compensation, which shall not exceed the maximum allowed under the IRC limitations, which was $18,500 for the 2018 plan year. However, highly compensated employees (as defined by the Plan) may be subject to further limitations. Participants that are 50 years of age or older who have met the annual IRC deferral limit or the specified plan limits for deferral, may contribute a catch-up contribution of up to $6,000 for 2018. Participants may also rollover amounts representing distributions from other qualified plans. All participant contributions are participant-directed by the participant in one or more of the investment options offered under the Plan.

The Plan also provides for employer discretionary matching contributions based upon a discretionary percentage of each participant's deferral contributions as determined by the Sponsor. Participants who have at least one year of service are eligible for the employer discretionary matching contributions. In addition, the Plan also provides for non-elective profit sharing contributions.

Participants' accounts – Participants' contributions are invested in various funds according to participant elections and must be allocated among the available funds in whole percentages. Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of the plan income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are 100% vested at all times in their deferral contributions, plus actual earnings or losses thereon. In addition, participants are also 100% vested at all times in any safe harbor matching contributions that were made prior to the Plan being amended and restated to discontinue the safe harbor contributions.

Note 1 – Plan Description (continued)

Vesting in employer contributions other than safe-harbor matching contributions is based on years of continuous service. Participants vest in accordance with the following schedule:

Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited accounts – If a participant's employment is terminated before full vesting of employer contributions and related earnings are attained, the amount not vested is allocated to pay any administrative expenses of the Plan or to reduce any employer contributions. During the year ended December 31, 2018, and 2017, forfeitures of $4,968 and $1,579 were used to reduce employer contributions. At December 31, 2018 and 2017, non-vested forfeited balances in the Plan totaled $35.

Payment of benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump-sum payment or paid in installments over time. Any withdrawal made by a participant prior to attaining age 59½, that is not rolled over into another retirement account, for reasons other than death or disability is subject to a 10% federal excise tax.

Hardship withdrawals – A withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan Document.

Participant loans – Participants may borrow from their accounts a minimum of $500 up to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance of the participant's account and must be repaid at a fixed rate which is commensurate with local prevailing rates. Interest rates ranged from 4.25% to 6.25% with maturities through August 2041.

Loans must be repaid within five years, unless the loan is for the purchase of a principal residence, in which case, the repayment period may be extended.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Note 2 – Summary of Significant Accounting Policies (continued)

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

Investment valuation – Investments are stated at fair value (see Note 3).

In accordance with the policy of stating plan assets at fair value, the Plan presents the net depreciation in the fair value of its investments in the statement of changes in net assets, which consists of the realized gains or losses and the unrealized depreciation on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits – Benefit payments are recorded when paid.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loans to be in default, the participant loan is reduced and a benefit is recorded.

Administrative expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Note 3 – Fair Value Measurements (continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds – The fair value of mutual funds is determined based on quoted market prices in active markets, which represent the net asset value of shares of the mutual fund held by the Plan at year end. Mutual funds are classified in Level 1 of the valuation hierarchy.

Common and collective trusts – Units of the common and collective trust are stated at net asset value (NAV) which is based on the aggregate fair value of the underlying assets of the trust in relation to the total number of units outstanding. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure securities liquidations will be carried out in an orderly business manner.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 – Fair Value Measurements (continued)

The following table discloses the fair value hierarchy of the Plan's assets by level as of December 31, 2018 and 2017:

	Investments as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 27,554,655	$ -	$ -	$ 27,554,655
Total assets in the fair value hierarchy	$ 27,554,655	$ -	$ -	27,554,655
Investments measured at NAV (practical expedient)				1,093,611
Total investments				$ 28,648,266

	Investments as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 28,800,171	$ -	$ -	$ 28,800,171
Total assets in the fair value hierarchy	$ 28,800,171	$ -	$ -	28,800,171
Investments measured at NAV (practical expedient)				1,110,549
Total investments				$ 29,910,720

Note 4 – Information Certified by the Trustee

The plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data in the accompanying financial statements and supplemental schedule is complete and accurate:

Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2018 and 2017;

Net depreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2018 and;

Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2018, except for participant loans receivable of $917,120.

Note 5 – Income Tax Status

The Internal Revenue Service issued a determination letter dated March 31, 2014, stating that the prototype plan adopted by the Plan was designed in accordance with the applicable IRC requirements as of that date. Although the Plan has been amended since the date of the determination letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Continued qualification is dependent on the Plan's future operations.

In accordance with U.S. GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the Internal Revenue Service (IRS). An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by the IRS, however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds and common collective trusts. Such investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in their value, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 – Plan Termination

Although the Company has not expressed any such intention, the Plan may be discontinued at any time by the Company. In the event of termination, participants' rights to Company contributions become fully vested and the net assets of the Plan would continue to be held for normal withdrawal by participants assuming the Company's operations continue, or would be distributed to participants immediately if the Company's operations cease.

Note 8 – Subsequent Events

Plan management has evaluated and determined that no events have occurred subsequent to December 31, 2018, the date of the accompanying net assets available for benefits, through October 10, 2019, the date of issuance of these financial statements, which would require recording or disclosure in its financial statements.
