Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole.

AUDITOR'S RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA

You should understand that the auditor is responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America and that the audit of the financial statements does not relieve you of your responsibilities and does not relieve management of their responsibilities. Refer to our engagement letter with the Plan for further information on the responsibilities of management and Crowe LLP.

PLANNED SCOPE AND TIMING OF THE AUDIT

We are to communicate an overview of the planned scope and timing of the audit. Accordingly, we communicated the following matters regarding the planned scope and timing of the audit with you throughout the audit.

- How we proposed to address the significant risks of material misstatement, whether due to fraud or error.
- Our approach to internal control relevant to the audit.
- The concept of materiality in planning and executing the audit, focusing on the factors considered rather than on specific thresholds or amounts.
- Where the entity has an internal audit function, the extent to which the auditor will use the work of internal audit, and how the external and internal auditors can best work together.
- Your views and knowledge about matters you consider warrant our attention during the audit, as well as your views on:
 - o The allocation of responsibilities between you and management.
 - o The entity's objectives and strategies, and the related business risks that may result in material misstatements.
 - o Significant communications with regulators.
 - o Other matters you believe are relevant to the audit of the financial statements.

SIGNIFICANT ACCOUNTING POLICIES AND MANAGEMENT JUDGMENTS AND ACCOUNTING ESTIMATES

Significant Accounting Policies: Those Charged with Governance should be informed of the initial selection of and changes in significant accounting policies or their application. Also, Those Charged with Governance should be aware of methods used to account for significant unusual transactions and the effect of significant accounting policies in controversial or emerging areas where there is a lack of authoritative consensus. We believe management has the primary responsibility to inform Those Charged with Governance about such matters. To assist Those Charged with Governance in its oversight role, we also provide the following.

Significant Unusual Transactions.	No such matters noted
Significant Accounting Policies in Controversial or Emerging Areas.	No such matters noted

Management Judgments And Accounting Estimates: Further, accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. These judgments are based upon knowledge and experience about past and current events and assumptions about future events. Certain estimates are particularly sensitive because of their significance and because of the possibility that future events affecting them may differ markedly from management's current judgments and may be subject to significant change in the near term.

The process used by management in formulating particularly sensitive accounting estimates and the primary basis for our conclusions regarding the reasonableness of those estimates primarily involved the following areas for this year:

Significant Accounting Estimate	Process Used by Management	Basis for Our Conclusions
Fair Values of Investments Not Subject to Our Audit Procedures	The recording of investments at fair value requires management to use certain assumptions and estimates pertaining to the fair value of its investments.	As disclosed in the notes to the Plan financial statements, the fair values of all investments were certified pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and were not subject to our audit procedures, based upon the terms of our limited-scope audit engagement.
Classification of Investment Securities Within the Fair Value Hierarchy	FASB ASC 820- Fair Value Measurements and Disclosures requires the reporting of investments by classification level within a fair value hierarchy.	We reviewed the documentation maintained by management and performed procedures to test the reasonableness of management's judgments and accounting estimates related to the classification levels of investments within the fair value hierarchy as defined by FASB ASC 820- Fair Value Measurements and Disclosures.

AUDITOR'S JUDGMENTS ABOUT QUALITATIVE ASPECTS OF SIGNIFICANT ACCOUNTING PRACTICES

We are to discuss with you our comments about the following matters related to the Plan's accounting policies and financial statement disclosures. Accordingly, these matters will be discussed during our meeting with you, as applicable.

- The appropriateness of the accounting policies to the particular circumstances of the Plan, considering the need to balance the cost of providing information with the likely benefit to users of the Plan's financial statements.
- The overall neutrality, consistency, and clarity of the disclosures in the financial statements.
- The effect of the timing of transactions in relation to the period in which they are recorded.
- The potential effect on the financial statements of significant risks and exposures, and uncertainties that are disclosed in the financial statements.
- The extent to which the financial statements are affected by unusual transactions including nonrecurring amounts recognized during the period, and the extent to which such transactions are separately disclosed in the financial statements.
- The issues involved, and related judgments made, in formulating particularly sensitive financial statement disclosures.
- The factors affecting asset and liability carrying values, including the Plan's basis for determining useful lives assigned to tangible and intangible assets.
- The selective correction of misstatements, for example, correcting misstatements with the effect of increasing reported earnings, but not those that have the effect of decreasing reported earnings.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Corrected Misstatements: We are to inform you of material corrected misstatements that were brought to the attention of management as a result of our audit procedures.

There were no such adjustments.

Uncorrected Misstatements: We are to inform you of uncorrected misstatements that were aggregated by us during the current engagement and pertaining to the latest and prior period(s) presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

There were no such adjustments.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Catalent Pharma Solutions, LLC 401(k) Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Catalent Pharma Solutions, LLC 401(k) Plan (the "Plan"), which comprise the statements of net assets available for plan benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of December 31, 2018 and 2017 and for the year ended December 31, 2018 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CATALENT PHARMA SOLUTIONS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Catalent Pharma Solutions, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the summary plan description or the plan document for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan which was established effective April 18, 2007, covering substantially all U.S. employees of Catalent Pharma Solutions, LLC not covered by a collective bargaining agreement upon their date of hire, as well as employees of other participating employers. The Plan is sponsored by Catalent Pharma Solutions, LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Contributions to the Plan may consist of participant elective contributions, rollover contributions, company matching, transition benefit, qualified non-elective contributions, special and discretionary profit sharing contributions. Effective January 1, 2015 each participant who becomes eligible to participate in the Plan and who does not make an affirmative election either to contribute or not contribute to the Plan or to make elective deferrals at a specified level, shall be deemed to have elected to contribute 6% of their eligible compensation on a before-tax basis. In 2018, contributions to the Plan consisted of participant elective contributions, rollover contributions, company matching, discretionary profit sharing contributions, safe harbor and qualified non-elective contributions.

Participants may elect to contribute up to 50% of their eligible compensation (subject to certain limitations), as defined by the Plan. Participants who have or will attain at least age 50 by the end of the Plan year may elect to contribute up to an additional \$6,000 during 2018 as a catch-up contribution.

Effective February 1, 2010, the Company amended the Plan to reinstate discretionary matching contributions. For the year ended December 31, 2018, the Company made a discretionary matching contribution equal to 50% of the amount of the participant's elective deferral contribution up to a maximum of 6% of the participant's eligible compensation; provided, however, that no matching contributions will be made with respect to the elective deferral contribution of Management Incentive Plan ("MIP Bonus") amounts.

Transition benefits are contributed to certain qualifying participant accounts based on compensation levels and years of service.

Participants direct the investment of their contributions in 1% increments into various investment options offered by the Plan. The Company's contributions are also invested as directed by participants.

On October 24, 2017 Catalent Pharma Solutions, LLC acquired Cook Pharmica. Upon acquisition, the former plan under Cook Pharmica terminated and all former participants became eligible to participate in the Plan with the ability to rollover or take a distribution from the former plan under Cook Pharmica.

Rollovers: Rollover contributions are permitted into the Plan in accordance with Internal Revenue Service ("IRS") regulations and plan provisions.

Participant Accounts: A separate account is maintained for each participant. Each participant's account is credited with his or her contribution, the Company's matching contribution and any additional Company contributions, as well as the investment earnings on their account balance. Each participant's account is charged with his or her withdrawals and an allocation of administrative expenses and Plan gains and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment elections at any time through the Plan's record-keeper.

December 31, 2018 and 2017

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting: Plan participants are vested immediately in their elective deferral, safe harbor and qualified matching and transition benefit contributions, plus actual earnings thereon. Plan participants are vested after three years of service in the Company's discretionary, special and non-safe harbor contributions, or if the participant dies, becomes disabled, or reaches retirement age, as defined by the plan document, while employed by the Company.

Administrative and Investment Management Expenses: The Company may, at its discretion, pay for any administrative expenses incurred, with the exception of loan processing fees, which are paid by the participants. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Forfeited Accounts: Forfeited balances of participants' non-vested accounts are used to reduce future employer contributions or to pay for administrative expenses of the Plan. During the year ended December 31, 2018, \$18,338 of forfeitures were used to reduce employer contributions and \$23,068 of forfeitures were utilized to pay administrative expenses. At December 31, 2018 and 2017 unallocated forfeitures totaled \$31,004 and \$8,130, respectively.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less the highest outstanding balance during the prior 12 months or 50% of their vested account balance. Primarily, loan terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence. Participant loans are secured by the remaining vested balance in the participant's account and bear interest at a reasonable rate, currently Prime plus 1%, set monthly for the life of the loan. Loan repayments, including interest and applicable loan fees, are generally repaid through payroll deductions.

Distributions: A Participant may elect to receive a distribution at any time after his or her termination of employment or disability. Benefits will also be distributed to a participant's beneficiary upon his or her death. Benefits are distributed, under one or both of the following methods: (i) a single lump-sum payment in cash or in property and (ii) installments over a period of no longer than a participant's assumed life expectancy determined at the time of distribution.

Hardship Withdrawals: Participants may withdraw their employee pre-tax contributions and rollover contributions, if applicable, to satisfy immediate and heavy financial needs. In accordance with IRS regulations, participants must first exhaust all other assets available before obtaining a hardship withdrawal. All hardship withdrawals must be approved by the plan administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported and related disclosures. Actual results could differ from those estimates.

(Continued)

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with an allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefit payments to participants are recorded when paid.

Excess Contributions: To satisfy relevant non-discrimination provisions of the Plan, certain active participants are required to have excess deferral contributions returned to them. There were no excess contribution distributions required for the year ended December 31, 2018.

NOTE 3 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income (loss) and interest earned on notes receivable from participants, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 4 - FAIR VALUE MEASUREMENTS

A fair value hierarchy has been established which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs are described below that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

(Continued)

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: Valued at quoted prices in active markets which represent the net asset value of the shares held by the Plan at year-end.

Collective trust: The fair value of participation units held in the collective trust is valued at net asset value of the shares, as determined by the underlying investments held by the plan at year-end and reported by the fund manager. The collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2018:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Collective trust fund*	\$ -	\$ -	\$ -	\$ 17,936,250
Mutual funds	<u>272,433,575</u>	<u>-</u>	<u>-</u>	<u>272,433,575</u>
Total	<u>\$ 272,433,575</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 290,369,825</u>

The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2017:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Collective trust fund*	\$ -	\$ -	\$ -	\$ 16,847,996
Mutual funds	<u>277,428,270</u>	<u>-</u>	<u>-</u>	<u>277,428,270</u>
Total	<u>\$ 277,428,270</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 294,276,266</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for plan benefits.

(Continued)

NOTE 5 - RISK AND UNCERTAINTIES

The Plan invests in various securities including mutual funds and a collective trust fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan's exposure to concentration of credit risk is limited by diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into various financial instruments.

A portion of the underlying assets of the collective trust in which the Plan has invested may include derivative financial instruments. The Plan does not own any of these instruments directly. These instruments are used primarily to hedge exposures associated with currency exchange rates, interest rates, and other factors which may affect the value of securities.

NOTE 6 - FEDERAL INCOME TAX STATUS

The Plan received a favorable determination letter dated October 2, 2014 from the Internal Revenue Service indicating that the Plan is qualified and exempt under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan has determined that earnings codes for the 2010 through 2016 Plan years used in the determination of eligible compensation for deferral and matching contribution purposes under the Plan and related deferral rate elections were improperly applied and processed by the Company's payroll provider. On November 6, 2017, the Plan administrator filed under the Voluntary Fiduciary Correction Program of the U.S. Department of Labor (the "Department") in order to advise the Department of the issue, which subjected the Company to payments to, or credits in favor of, the Plan on behalf of participants with respect to amounts identified as underpaid or uncredited and an administrative penalty. It was determined that the Company would incur a net liability of \$735,217 in payments to the Plan and in November 2017 these amounts were paid to the Plan and the matter was fully closed. The Plan Administrator received a signed compliance statement from the IRS on April 2, 2019 which outlined the failures disclosed in the Voluntary Correction Program submission and the corrective actions taken by plan management to resolve these failures. Through the signed compliance statement, the IRS has agreed to the corrective methods and revised administrative procedures and deemed them to be acceptable. As a result, this matter is now closed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 7 - PLAN TERMINATION

Although the Company has not expressed any intention to do so, the Company reserves the right to modify, suspend, amend or terminate the Plan in whole or in part at any time subject to the provisions of ERISA. If the Plan is terminated, the amounts credited to the employer contribution accounts of all participants become fully vested.

NOTE 8 – PARTY IN INTEREST TRANSACTIONS

Parties in interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain Plan investments are shares of mutual funds issued by an affiliate of the Plan trustee and a collective trust fund issued by the Plan trustee. Transactions within these investments, as well as expenses paid directly and indirectly by the Plan and notes receivable from participants are considered party-in-interest transactions.

NOTE 9 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events for recognition and disclosure through October 9, 2019, the date which the financial statements were available to be issued.

NOTE 10 - RECONCILIATION TO 5500

Certain financial information in the accompanying financial statements differs from the financial information on Form 5500 as of December 31, 2018 and 2017, and for the year ended December 31, 2018.

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2018 and 2017 to the Form 5500:

	<u>December 31,</u> <u>2018</u>	<u>2017</u>
