DUNLAYS GROUP 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

NOTE 1- DESCRIPTION OF PLAN

The following description of the Dunlays Group 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Sponsor/Employer- The Plan is sponsored by Dunlays Management Services, LLC (the Company). The plan was established June 01, 2007. The Plan Sponsor is a member of a controlled group. The members are Smoke Daddy LLC, Smoke Daddy Wrigley LLC, DOC West LLC, Dunlays on the Square LLC, Crosby's Kitchen LLC, Max Enterprises, Inc., 4 Star 20 North LLC, and 4Star 160 LLC.

General- The Plan is a defined contribution plan covering all employees having 1,000 hours or more of service after one full year of employment. Entry dates are January 1 and July 1 after a participant's one year anniversary. There is a minimum age of 21 for Plan eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions- Each year, at the discretion of the Board of Directors, the Company may contribute to the Plan an amount of its current or accumulated net income, which shall not exceed the amount deductible by the Company under the applicable section of the Internal Revenue Code in effect for such year. The Company will also contribute each participant's elective deferral to the Plan subject to statutory limitations. The Company provides a safe harbor matching contribution equal to 100% of all employee 401(k) contributions, up to 3% of their compensation, plus a 50% match of the next 2% of their compensation. The Plan also has a discretionary profit sharing feature. No profit sharing contributions were made in 2017 or 2018.

Participant Accounts- Each participant's account is credited with an allocation of (a) the Company contributions, (b) participant elective deferrals, (c) Plan earnings, and (d) forfeitures of former Plan participant's nonvested account balances and charged with an allocation of administrative expenses. Allocations are based on participant compensation, or participant account balances, or specific participant transactions as defined. The benefit to each participant is the accumulated sum of the Company's contributions, Plan earnings and forfeitures allocated to each participants account. Employee contributions and Company matching contributions are held in a separate account for each participant.

Vesting- a participant's vesting in his account increases incrementally for each year of continuous service. A participant is 100 percent vested after six years of credited service with 1,000 hours of services necessary for a year of vesting service, as defined. Each participant is fully vested in their participant elective deferral account plus actual earnings there on.

NOTE 1- DESCRIPTION OF PLAN (CONTINUED)

Forfeitures- Forfeitures of non-vested Company contributions are first used to pay plan expenses or used to reduce future Company contributions and/or matching contributions. There were no unused forfeiture balances at either December 31, 2018 or 2017, and no forfeitures were used to pay plan expenses or reduce Company contributions in 2018.

Administrative Expenses- Certain expenses incurred for Plan administration are paid by the Plan. These expenses amounted to $23,182 in 2018.

Payment of Benefits- On termination of service, due to death, disability, retirement or other reasons a participant may elect to receive a lump-sum amount equal to the value of their account.. The Plan also permits in service and hardship withdrawals under certain circumstances.

Notes Receivable from Participants- Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 minus the highest outstanding balance of loans in the past 12 months or 50% of their vested balance. The loans are secured by the balance in the participants account and bear interest at prime + 1% which is commensurate with local prevailing rates as determined quarterly by the Plan sponsor. Principal and interest is paid ratably through payroll deductions.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received.to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See note 7 for discussion of fair value measurements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued plus unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risk and Uncertainties

The Plan invests in a various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

Payment of Benefits

Benefits payments to participants are recorded when paid.

DUNLAYS GROUP 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

NOTE 3- TAX STATUS

The Plan adopted the volume submitter plan of Dunlays Group 401(k) Profit Sharing Plan. This volume submitter plan received an opinion letter from the IRS dated March 14, 2014 that the volume submitter plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC) and was, therefore, not subject to income tax under present tax laws. Although the Plan has been amended since the adoption date, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2015.

NOTE 4- PLAN TERMINATION

Although the Plan sponsor has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 6- RELATED PARTY TRANSACTIONS

Dunlays Management Services, LLC is the Plan sponsor and administrator.
Notes receivable- participants are considered party-in-interest transactions.

NOTE 7- FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Quoted prices in an active market for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 prices, such as quoted market prices for similar assets in an active or non-active market; or other inputs that are observable or can be corroborated by observable market data.

Level 3 Unobservable assumptions and judgments outside of quoted market prices.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual Funds: Valued at the daily closing prices a reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
