We were engaged to audit the accompanying financial statements of H.E.P. Materials Corp. 401(k) Profit Sharing Plan, which comprise the statements of net assets available for plan benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company and Lincoln Financial Group, the trustee and custodian of the plan respectively, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Fidelity Management Trust Company held the plan's investment assets and executed investment transactions from January 1, 2017 to June 13, 2017 and that Lincoln Financial Group held the plan's investment assets and executed investment transactions as of December 31, 2018 and for the period June 14, 2017 to December 31, 2018. The plan administrator has obtained certifications from the trustee and custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the trustee and custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets held for investment purposes as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee and custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

401(K) PROFIT SHARING PLAN

Notes to Financial Statements
December 31, 2018 and 2017

1. Description of Plan

The following brief description of the H.E.P. Materials Corp. 401(k) Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established October 21, 2005 and is a salary reduction plan pursuant to Section 401(k) of the Internal Revenue Code. It covers substantially all employees of H.E.P. Materials Corp. and Subsidiary ("the Company") who meet certain age and length of service requirements. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective June, 2017, the Company's 401(k) profit-sharing plan was amended and restated.

Participation

Employees of the Company are eligible to participate in the Plan if they are at least 21 years of age and have completed one year of service. Effective June 2017, once eligibility requirements have been met, participants may enter the Plan on the following dates: January 1, April 1, July 1 or October 1.

Contributions

The Company shall make deferred contributions (elective deferrals) on behalf of each participant who has an executed salary reduction agreement in effect with the Company. The maximum contribution each participant may make each year is subject to federal limits.

Effective June, 2017 eligible participants may elect to defer a portion of their total annual compensation into the Plan as elective after-tax Roth contributions. During 2018 and 2017, qualified pretax contributions totaled $155,114 and $164,945, respectively. During 2018 and 2017, elective after-tax Roth contributions totaled $9,043 and $3,691, respectively.

The Company may decide each plan year to make a discretionary matching contribution to the Plan. Such contributions will be based on a participant's eligible compensation deferred into the Plan for year. To qualify to receive a discretionary matching contribution, a participant must work 1,000 or more hours and be employed on the last day of the plan year. The Company made no discretionary matching contributions to the Plan in 2018 or 2017.

1. **Description of Plan** (Continued)

Contributions (Continued)

The Company may also decide each plan year to make a discretionary profit sharing contribution to the Plan. Such contributions shall be allocated to participating employees in the ratio that each participating employee's compensation bears to the total compensation paid to participating employees. To qualify to receive a discretionary profit sharing contribution, a participant must work 1,000 or more hours and be employed on the last day of the plan year. The Company made no discretionary profit sharing contributions to the Plan in 2018 or 2017. Discretionary employer contributions may vary annually and are determined by the Board of Directors.

In addition, participants may transfer funds from other qualified plans, with the consent of the Plan administrators.

Participant accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's matching contribution and discretionary profit sharing contribution and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their elective deferrals and safe harbor employer matching contributions plus actual earnings thereon. Participants are vested in discretionary employer matching contributions and discretionary profit sharing contributions based on years of continuous service. A vested percentage is determined in accordance with the following schedule:

Years of Service For Vesting	Vesting Percentage
1	0%
2	20%
3	40%
4	60%
5	100%

1. **Description of Plan** (Continued)

Forfeitures

Forfeitures arising under the Plan are used at the discretion of the Plan sponsor to reduce future plan administrative expenses and future employer contributions. Administrative expenses not offset through the application of forfeitures include audit fees paid by the Plan sponsor and transaction fees paid by the participants. There were no forfeitures for the years ended December 31, 2018 and 2017, nor were there any forfeitures available at December 31, 2018 and 2017 for future application.

Payment of benefits

Upon termination of service due to death, disability, termination, or retirement, the entire account balance, if $1,000 or less, will be distributed in the form of a lump-sum distribution. If the account balance is $5,000 or less, but greater than $1,000, the entire account balance will be distributed as a direct rollover into an individual retirement plan designated by the Plan administrator, unless the participant elects to receive a distribution or a direct rollover to an eligible retirement plan. If the account balance is greater than $5,000, no distribution shall be made to the participant until they reach age 59½. In addition, lump-sum distributions may be made, with participant consent, under the following conditions: separation from service and upon the hardship of a participant as provided for in the Plan and in government regulations. Hardship distributions can be distributed only from elective deferrals and are subject to a $500 minimum amount. Participants shall be entitled to receive a distribution of all or a portion of their account upon the attainment of age 59½.

Notes receivable from participants

The minimum principal amount of any loan is $1,000. There is a maximum of one loan outstanding per participant at any given time. Participant's loans are secured by their account balances. Loan setup fees shall be billed or charged in full on the first invoice date following the origination of the loan. Loans must generally be repaid within five years and repayment of principal and interest are made through payroll withholdings. Loans, however, taken for the purpose of purchasing a principal residence may be repaid up to a maximum of ten years. Each loan shall bear interest at a rate charged by commercial lenders for similar loans.

Administrative expenses

Investment commissions are paid from the Plan's assets and are charged directly to the related investment earnings in the year incurred. Record keeping, tax filing, audit fees and loan administration fees are paid by the Plan.

2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and present the net assets available for plan benefits and changes in those net assets.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Cash equivalents

The Plan considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Revenue recognition

Purchases and sales of securities are recorded on the trade date basis. Interest and dividends are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements

FASB Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

2. Summary of Significant Accounting Policies (Continued)

Fair value measurements (Continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Pooled separate accounts: Values are determined based on quoted market prices in active markets.

Guaranteed investment contract: Valued at the contract value of the underlying investments, which approximates fair value. The fund may invest in fixed interest insurance contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds and other fixed income securities. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals.

2. Summary of Significant Accounting Policies (Continued)

Fair value measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Income taxes

The Plan evaluates income tax positions for uncertainty to determine any tax positions that may not be fully sustained upon examination by taxing authorities, despite the belief that the underlying tax positions are fully supportable. Tax positions are reviewed on an ongoing basis and are analyzed in light of changing facts and circumstances, including progress of tax audits, developments in case law, and closing of statute of limitations. The Plan administrator had determined that the Plan has no uncertain tax positions. The Plan is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to December 31, 2015.

Plan management's review of subsequent events

The Plan administrator evaluated events occurring between the end of the most recent plan year and October 7, 2019, the date the financial statements were available to be issued.

3. Financial Information Certified by the Trustee and Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Accordingly, Fidelity Management Trust Company and Lincoln Financial Group, the trustee and custodian of the Plan, respectively, have certified the completeness and accuracy of all investments from participants reflected on the accompanying statements of net assets available for plan benefits, the schedule of assets held for investment purposes, and the related investment activity reflected in the statements of changes in net assets available for plan benefits.

4. Investments

The value of other investments not included in the fair value hierarchy as of December 31, 2018 and 2017 consisted of:

	2018	2017
Pooled separate accounts	$ 2,980,741	$ 3,934,697
Guaranteed investment contract	520,011	478,526
	$ 3,500,752	$ 4,413,223

5. Related Party Transactions

The Plan invested in shares of mutual funds managed by an affiliate of the trustee, Fidelity Management Trust Company. Fidelity acted as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Administrative fees paid to Fidelity Management Trust Company amounted to $-0- and $5,223 for the years ended December 31, 2018 and 2017, respectively.

The Plan invests in shares of a guaranteed investment contract managed by an affiliate of the custodian, Lincoln Financial Group. Lincoln acted as custodian for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Administrative fees paid to Lincoln Financial Group amounted to $22,874 and $14,610 for the years ended December 31, 2018 and 2017, respectively.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions regardless to length of service.

7. Tax Status

The Plan obtained its latest determination letter dated January 30, 2017 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan is qualified and is tax-exempt as of the financial statement date.
