Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Ascensus Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the December 31, 2018 financial statements. Other Matter – Supplement Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Their report, dated July 27, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. PLAN DESCRIPTION

The following description of the TUUCI, LLC 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions. The Plan allows for other employers to adopt its provisions. Please see note below for other employers who have adopted the Plan.

General

The Plan is a defined contribution plan covering all full-time employees of TUUCI, LLC ("Plan Sponsor") who have nine months of continuous service and are age 21 or older. The Plan was established on January 1, 2007 and amended and restated on February 1, 2011. On June 1, 2015, the Plan's name was changed from The Ultimate Umbrella Company, Inc. 401(k) Plan to TUUCI, LLC 401(k) Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is intended to be a qualified defined contribution plan which satisfies the requirements of Section 401(k) of the Internal Revenue Code (the "Code"). Under the Code, participants are not liable for federal income taxes on employee contributions, Plan Sponsor contributions, or Plan earnings until such time as they are partially or completely withdrawn from the Plan. The Plan Administrator is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator.

Contributions

Each year participants may contribute up to the maximum allowable under the law for pre-tax annual compensation. The maximum for 2018 was $18,500. For the year ended December 31, 2018, for those participants aged 50 and over, a catch-up contribution of $6,000 is allowed. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor makes safe-harbor matching contributions to the Plan that equal 100% of the first 4% of base compensation that a participant contributes to the Plan. During the year ended December 31, 2018, employer matching contributions totaled $292,002.

Participant Accounts

Each participant's account is adjusted for the participant's contributions, distributions to the participant, an allocation of plan earnings, and Plan Sponsor safe harbor contributions, if any, when applicable. Contribution allocations are based on participant compensation levels and statutory limitations. Allocations of Plan earnings are based on participant account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account. Participants direct their accounts among the investment funds allowed under the Plan.

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are immediately fully vested in their salary reduction contributions and rollovers, their allocated share of the Plan Sponsor's safe harbor contributions, and actual earnings thereon. Profit Sharing Contributions are subject to a vesting schedule and could be forfeited upon termination of employment. The following schedule describes the Plan's vesting provisions for Profit Sharing Contributions for all employees:

Years of Service	Vested Percentage
Less than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms generally do not exceed five years unless the loan qualifies as a home loan, as determined by the plan administrator at the time of the loan. The loans are secured by the balance in the participant's accounts and interest is locked at the Prime Rate on the day the loan is originated. As of December 31, 2018, all outstanding loans charged interest at a rate between 3.25% and 5.00% per annum. Generally, principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon termination, retirement, death, or disability, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account, or receive minimum distributions, as required by the Internal Revenue Service.

Forfeited Accounts

At December 31, 2018, forfeited non-vested accounts totaled $0. Forfeitures attributable to matching contributions will first be used to reduce any matching contributions and secondly, to pay reasonable plan expenses. During 2018, no forfeitures were used to reduce administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reclassification

Certain accounts in the prior year's financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are presented at their unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits
Payment of benefits are recorded when paid.

Investment Valuation and Income Recognition
All investment funds of the Plan are participant-directed. Investments at fair value consist of shares of registered investment companies. These investments, in registered investment companies, are investments in mutual funds reported at fair value, based on quoted market prices as of the last day of the Plan's year. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Fair Value Measurements
The Plan follows Accounting Standards Codification ("ASC") Topic 820, which provides a framework for measuring fair value under generally accepted accounting principles. ASC Topic 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 requires that valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. ASC Topic 820 also establishes a fair value hierarchy, which prioritizes the valuation inputs into three broad levels.
The three-level hierarchy for fair value measurements is defined as follows:

- Level 1 – inputs to the valuation methodology are quoted market prices (unadjusted) for identical assets or liabilities in active markets;
- Level 2 – inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability other than quoted prices, either directly or indirectly including inputs in markets that are not considered to be active;
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Investments in registered investment companies and money market portfolio are presented under Level 1 as their values are based on quoted prices for identical assets in active markets.

NOTE 3. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
