Firelands Regional Medical Center 403(b) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Firelands Regional Medical Center 403(b) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2018 and 2017 and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Bank (Charles Schwab) and Metropolitan Life Insurance Company (Metlife), on behalf of Reliance Trust Company (Reliance), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Charles Schwab and Reliance hold certain of the Plan's investment assets and execute certain investment transactions. The plan administrator has obtained certifications from Charles Schwab and Metlife, on behalf of Reliance, as of December 31, 2018 and 2017 and for the year ended December 31, 2018 that the information provided to the plan administrator is complete and accurate.

As described in Note 3, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions is not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements. The Plan has not maintained sufficient accounting records and supporting documents relating to these annuity and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficiently to determine the extent to which the financial statements may have been affected by these conditions.

To the Plan Administrator
Firelands Regional Medical Center 403(b) Plan

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets held at end of year as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraphs, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the supplemental schedule.

Note 1 - Plan Description

The following description of Firelands Regional Medical Center 403(b) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Firelands Regional Medical Center (the "Plan Sponsor" or the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2019, participants contributing to a 401(k) plan sponsored by the Company will be excluded from participating in the Plan.

Contributions

Contributions to the Plan are invested, as directed by the participants, in any one or more investment alternatives. The Plan provides for employee salary deferrals subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon.

Payment of Benefits

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

Party-in-interest Transactions

Through September 30, 2018, certain plan assets were in investment funds managed by Metropolitan Life Insurance Company (MetLife). MetLife was an agent for the trustee of the Plan; therefore, these transactions qualified as party-in-interest transactions, as defined under ERISA guidelines.

Beginning on October 1, 2018, certain plan assets are in investment funds managed by Charles Schwab Bank (Charles Schwab) and Standard Insurance Company (Standard). Charles Schwab is the trustee of the Plan, and Standard is the Plan's recordkeeper; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA.

December 31, 2018 and 2017

Note 2 - Summary of Significant Accounting Policies

Investment Valuation

The Plan's investments are stated at fair value, except as noted below. The fully benefit-responsive guaranteed investment contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The short-term deposit account is valued at fair value based on its outstanding balance. Additionally, the Plan allows participants to invest in self-directed brokerage accounts. The self-directed brokerage accounts include investments in mutual funds and interest-bearing cash. All other investments are valued based on quoted market prices reported in active markets. See Note 6 for additional information.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Plan Sponsor.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 3, 2019, which is the date the financial statements were available to be issued.

Effective January 1, 2019, the Plan was amended to update the automatic deferral percentage for eligible employees to 4 percent of eligible compensation, with an automatic increase in deferrals of 1 percent per year, up to 10 percent of eligible compensation. In addition, the amended Plan excludes all employees who are eligible to participate in another 401(k) plan sponsored by the Company.

Note 3 - Excluded Investments

The Plan has excluded from investments in the accompanying statement of net assets available for benefits as of December 31, 2018 and 2017 certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's (DOL) Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2018. The amount of these excluded annuity and custodial accounts and the related income and distributions is not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

December 31, 2018 and 2017

Note 4 - Unaudited Information

Through September 30, 2018, Reliance Trust Company (Reliance) held certain plan investments and executed certain related transactions. Beginning on October 1, 2018, Charles Schwab holds certain plan investments and executes certain related transactions (see Note 3).

The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year, other than as noted below, are based solely on information certified by Charles Schwab and MetLife, acting as agent for Reliance.

Other investments totaling \$400,785 at December 31, 2017 were not certified by MetLife.

Note 5 - Tax Status

The Internal Revenue Service (IRS) is not currently accepting applications for individual 403(b) plan determination letters. The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of Internal Revenue Code Section 403(b). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 6 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

The Plan has excluded certain assets from the statement of net assets available for benefits at December 31, 2018 and 2017 (see Note 3). The following tables present information about the included plan assets measured at fair value on a recurring basis at December 31, 2018 and 2017.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

Firelands Regional Medical Center 403(b) Plan

Notes to Financial Statements

December 31, 2018 and 2017

Note 6 - Fair Value Measurements (Continued)

In instances whereby inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Assets Measured at Fair Value on a Recurring Basis at December 31, 2018				
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual funds	\$ 43,431,690	\$ 43,431,690	\$ -	\$ -

Assets Measured at Fair Value on a Recurring Basis at December 31, 2017				
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual funds	\$ 51,481,504	\$ 51,481,504	\$ -	\$ -
Self-directed brokerage accounts	721,931	721,931	-	-
Deposit account - Short term	147,925	-	147,925	-
Total	\$ 52,351,360	\$ 52,203,435	\$ 147,925	\$ -

Note 7 - Guaranteed Investment Contract

The Plan held a benefit-responsive investment contract with MetLife through September 30, 2018. Beginning on October 1, 2018, the Plan holds a benefit-responsive investment contract with Standard. The issuers maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest rate is applied to all contributions made to the product, regardless of the timing of those contributions. Interest crediting rates are reviewed on a semiannual basis for resetting, but may not be less than 1.00 percent. When establishing interest crediting rates for this product, the issuers consider many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account.

Certain events limit the ability of the Plan to transact at contract value with the insurance company. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (iii) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is not probable. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.
