Shortfall Amortization
Short Plan Year: 1/1/2019 to 7/09/2019
Valuation Date: 1/1/2019

If the plan has a funded status below 100%, the plan may require additional payments in the form of shortfall amortization payments. A plan's amortization payments are calculated to pay down the plan's underfunding over a seven year period (unless a plan sponsor has elected to use allowable relief, in which case the payment period will be longer). Amortization periods are extended one year for plans with required amortization payments during a short plan year. The current plan year is a short plan year.
