Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee, and Massachusetts Mutual Life Insurance Company ("MassMutual"), except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee and MassMutual held the Plan's investment assets and executed investment transactions. The Plan administrator has obtained certifications from the trustee and MassMutual as of December 31, 2018, and for the year then ended, that the information provided to the Plan administrator by the trustee and MassMutual is complete and accurate.

Notes to Financial Statements

Note 1: Plan Description

The following description of Integrated Financial Settlements, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution Plan covering all employees of Integrated Financial Settlements, Inc. ("IFS"), EPS Settlement Group, Inc. ("EPS"), Structured Financial Associates, Inc. ("SFA"), Millennium Settlements, Inc. ("MSI"), JMW Settlements, LLC ("JMW"), Providio MediSolutions, LLC (PMS), and Providio Lien Counsel, LLC (PLC), (collectively the "Company" or the "Employer"), who are age eighteen or older. On January 1, 2019, MSI is no longer a participating employer in the Plan. Effective March 15, 2019, PMS and PLC are no longer participating employers in the Plan. Effective September 1, 2019, the Company adopted a volume submitter 401(k) plan with Minnesota Life Insurance Company for which Securion Trust Company NA serves as trustee.

The Plan is subject to the provisions of the Employee Retirement Income Security Act ("ERISA") as amended. The Plan is administered by an Employee Benefits Administrator Committee (the "Plan Administrators") comprised of persons appointed by the Company. The Plan administrators are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Each year, eligible participants may elect to make pre-tax and after tax contributions of their annual compensation, as defined in the Plan, up to a maximum amount adjusted annually by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit and defined compensation plans (rollovers).

The Company may make a discretionary matching contribution to Plan participants as determined by the Company annually. For the year ended December 31, 2018, the Company declared a discretionary matching contribution equal to the lesser of 10% of a participant's contribution or 10% of 6% of the participant's eligible compensation, as defined. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, and an allocation of the Company's contributions and Plan earnings, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Plan Description (Continued)

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, guaranteed investment contracts, and participant self-directed brokerage accounts as investment options for participants. Participants may change their investment options at any time.

Vesting

Participants are immediately vested in their voluntary contributions and Employer matching contributions, plus actual earnings thereon.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at current market rates, as defined by the Plan, determined at the date of the loan. All loans must have a definite repayment schedule, generally not exceeding five years. Principal and interest is paid ratably through biweekly or semi-monthly payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments as defined by the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawals

The Plan permits hardship withdrawals if certain criteria are met.

Forfeited Accounts

At December 31, 2018 and 2017, the balance of the forfeited accounts totaled $1,705 and $-0-, respectively. These accounts may first be used to pay administrative expenses and any remaining forfeitures can be used to reduce future Company contributions. In 2018, there were no forfeitures used to reduce Company contributions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments, other than the fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. The Plan Administrators determine the Plan's valuation policies utilizing information provided by its investment advisors, the trustee, and Massachsetts Mutual Life Insurance Company ("MassMutual"). See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are paid through revenue sharing and included in net (depreciation) in fair value of investments.

Subsequent Events

Subsequent events have been evaluated through September 27, 2019, which is the date the financial statements were available to be issued. Plan management has not identified any material subsequent events that require reporting or disclosure, except as noted in Note 1.

Note 3: Information Prepared and Certified by the Trustee and MassMutual (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2018 and 2017, net (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2018, was obtained or derived from information supplied to the Plan Administrators and certified as complete and accurate by Reliance Trust Company, the trustee, and MassMutual.

This information has not been audited by the Plan's independent auditors.

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2018 and 2017.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: Accounts primarily consist of the mutual funds and common stocks that are determined by obtaining quoted prices on nationally recognized securities exchanges (Level I).

The following tables set forth, by level within the fair value hierarchy, the Plan’s investment assets at fair value as of December 31, 2018 and 2017. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Note 4: Fair Value Measurements (Continued)

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Investment Assets in the Fair Value Hierarchy:				
Mutual Funds	$ 27,180,616	$ -	$ -	$ 27,180,616
Self-Directed Brokerage Accounts	1,599,158	-	-	1,599,158
Total Investment Assets at Fair Value	$ 28,779,774	$ -	$ -	$ 28,779,774

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Investment Assets in the Fair Value Hierarchy:				
Mutual Funds	$ 29,968,815	$ -	$ -	$ 29,968,815
Self-Directed Brokerage Accounts	970,815	-	-	970,815
Total Investment Assets at Fair Value	$ 30,939,630	$ -	$ -	$ 30,939,630

There were no transfers in and/or out of Levels 1, 2, or 3 for financial instruments measured at fair value on a recurring basis for the years ended December 31, 2018 and 2017. If the Plan were to recognize transfers, it would do so at the end of the reporting period.

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Reliance Trust Company is the Plan's trustee. Transactions with Reliance Trust Company qualify as party-in-interest. Fees paid by the Plan for investment management services totaled $77,471 for the year ended December 31, 2018. The Plan also holds investments which were issued by MassMutual, which constitute party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

Note 6: Fully Benefit-Responsive Investment Contracts

The Plan holds a fully benefit-responsive investment contract that is reported at contract value, which is generally the amount a participant would receive if they would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the Plan's fully benefit-responsive investment contracts, by general type, are presented below:

	2018	2017
Traditional Investment Contract	$ 5,010,056	$ 3,399,578
Total Investments at Contract Value	$ 5,010,056	$ 3,399,578

Traditional Guaranteed Investment Contracts: The Plan holds fully benefit-responsive investment contracts with MassMutual (the "Issuer"). MassMutual maintains the contributions in its general account. The Issuer guarantees the Plan a return of principal and interest under the terms of the contracts. The interest crediting rate is updated annually based upon contract provisions, and it may not be less than 2.85%. MassMutual's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

The Plan's investment contracts specify certain conditions under which distributions from the contracts would be payable at amounts below contract value. Such circumstances include Plan termination, Plan merger, premature contract termination initiated by the Company, and certain other Company-initiated events that result in distributions exceeding a set amount. The contracts limit the circumstances under which the Issuer may terminate the contracts. Examples of circumstances which would allow the Issuer to terminate the contracts include the Plan's (loss) of its qualified status, uncured material breaches of responsibilities, or material and adverse changes to the provisions of the Plan. If one of these events were to occur, the Issuer could terminate the contracts at an amount less than contract value. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8: Tax Status

The Plan has adopted a volume submitter plan, which obtained a favorable advisory letter from the United States Treasury Department dated March 31, 2014, stating that the form of the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (IRC) and is therefore exempt from Federal income taxes. The Plan Administrators and Company management believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS. Therefore, management believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrators have analyzed the tax positions taken by the Plan and have concluded as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in-progress.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 10: Prohibited Transactions/Delinquent Participant Contributions

During the year ended December 31, 2017, the Company erroneously failed to timely remit certain employee contributions and loan payments to the Plan in the amount of $2,106. The employee contributions, loan payments, and lost earnings were remitted in 2018.
