INDEPENDENT AUDITORS' REPORT

The 401(k) Plan Advisory Committee
Wheeler Machinery Co.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Wheeler Machinery Co. Bargaining Unit 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits (modified-cash basis) as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits (modified-cash basis) for the years then ended and the notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by the Prudential Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian of the Plan as of and for the years ended December 31, 2018 and 2017, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets, Schedule 1, as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule referred to above.

As described in Note 2, the financial statements and supplemental schedule were prepared on a modified-cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with Department of Labor's Rule and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**WHEELER MACHINERY CO.
BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(1) PLAN DESCRIPTION

The Wheeler Machinery Co. Bargaining Unit 401(k) Plan (the Plan) is a deferred compensation plan for union employees of Wheeler Machinery Co. (the Company). Significant provisions of the Plan, including elective deferral contribution, eligibility, and vesting, are described below. Participants should refer to the Plan document for a more complete description of the provisions of the Plan.

(a) General

The Plan is a defined contribution plan, covering union employees under a collective bargaining agreement who have completed six months of service and are age 18 or older. Any participant who subsequently fails to perform a full year of service will be placed on inactive status. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants may elect to contribute up to 100 percent of their gross annual income into the Plan up to a maximum of \$18,500 and \$18,000 for the years ended December 31, 2018 and 2017, respectively, through contributions to the Plan. Participants age 50 and over may contribute an additional \$6,000 for the year ended December 31, 2018. The Company matches 100 percent of employee contributions limited to two percent of each employee's qualifying income.

(c) Vesting and Distribution of Benefits

Participant and Company contributions and earnings thereon vest immediately. Participants or, if applicable, their beneficiaries, shall be entitled to receive the amount in their accounts upon the earliest of the participants' retirement, death, separation from service, or disability. Participants may choose to have their account paid under one or more of the optional forms available under the Plan.

(d) Investment Options

Participants may direct contributions to any of the investment options as detailed in the accompanying schedule of assets held (Schedule 1).

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. A participant may have no more than one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at the rate of 5.25 to 7.25 percent.

BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(1) PLAN DESCRIPTION (CONTINUED)

(f) Allocation of Earnings

The net increase or decrease in the value of the Plan's assets attributable to interest, dividends, and changes in market value is allocated to the participants' accounts according to their percentage of total assets by fund.

(g) Plan Termination

Although it has not expressed any intent to do so, the Company may terminate the Plan subject to provisions of ERISA. In the event the Plan is terminated, participants would become entitled to the full amount of their respective accounts.

(f) Plan Amendments

Two amendments were made to the Plan and became effective as of April 1, 2018.

- The Participant Loan Policy was amended to indicate that no loan may be made to a participant sooner than six months after the outstanding loan balance of the prior loan has been repaid.
- The eligibility condition related to participation in the Plan was reduced from six months to two months.

These amendments had no significant effect on the net assets of the Plan either individually or in the aggregate.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Presentation

The accompanying financial statements have been prepared on the modified-cash basis of accounting. The modified-cash basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America under which asset additions and deletions are recognized based on cash receipts and disbursements, and investments are adjusted to fair value.

(b) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the term of the plan document.

**WHEELER MACHINERY CO.
BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value or its equivalent for which the fair value is not readily determinable. See Note 5 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

(d) Other Income and Other Costs

For the years ended December 31, 2018 and 2017, other income is comprised of investment fund management fees refunded to the Plan by Prudential. Other costs consist of certain administrative custodial fees, loan fees, and professional fees from independent consultants.

(e) Use of Estimates

The preparation of the financial statements in conformity with the modified-cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and disclosure of liabilities (contingent or otherwise) at the date of the financial statements and the reported amounts of additions and deletions during the reporting period. Actual results could differ from those estimates.

(f) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

(g) Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

(h) Subsequent Events

Subsequent events have been evaluated through July 25, 2019, the date the financial statements were available to be issued, and there were no matters that materially affect the carrying amounts of the net assets available for benefits as of December 31, 2018.

**WHEELER MACHINERY CO.
BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(3) RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Prudential Trust Company, the trustee of the Plan, and therefore qualify as party-in-interest. These party-in-interest transactions, as well as notes receivable from participants, are not considered prohibited transactions by statutory exemptions under ERISA regulations.

(4) TAX STATUS OF THE PLAN

The Plan uses a prototype plan document, which received an opinion letter from the IRS, dated March 31, 2008, stating that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS and the prototype has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

(5) FAIR VALUE OF INVESTMENTS

The Plan's investments are stated at fair value. Fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities;
- Level 2 - Quoted prices for identical or similar assets or liabilities in markets that are not considered to be active or identical or similar financial instruments for which all significant inputs are observable, either directly or indirectly; and
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

**WHEELER MACHINERY CO.
BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(5) FAIR VALUE OF INVESTMENTS (CONTINUED)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. In periods of market inactivity, the observability of prices and inputs may be reduced for certain instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or from Level 2 to Level 3.

Assets measured at fair value at 12/31/2018

		Level 1	Level 2	Level 3

Total assets measured at Fair Value	<u>\$ 20,651,521</u>	<u>\$ 20,651,521</u>	<u>\$ -</u>	<u>\$ -</u>

(6) POOLED SEPARATE ACCOUNTS (PSA)

Investments in pooled separate accounts are valued at the net asset value of units held by the Plan at year end reflecting the closing price reported on the applicable active market on which the underlying investments in equity securities are traded. ASC 820 allows Net Asset Value (NAV) per share to serve as a practical expedient to estimate the fair value of a PSA as long as certain requirements are met. The Plan's PSA's meet those requirements. The PSA's can be redeemed at NAV on a daily basis. Unfunded commitments typically are found in private equity funds and therefore are not applicable to PSA's.

(7) GUARANTEED INCOME FUND

The Guaranteed Income Fund (GIF) is a group annuity product issued by Prudential Retirement Insurance and Annuity Company (PRIAC). Amounts contributed to the contract are deposited in PRIAC's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of PRIAC. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less

withdrawals and fees. The contract is affected directly between the Plan Sponsor and the issuer. The repayment of principal and interest credited to participants is a financial obligation to the issuer. Given these provisions, Prudential considers this contract to be fully benefit responsive. Therefore, contract value is the only required measure.

(8) INFORMATION CERTIFIED BY THE TRUSTEE

The following data have been certified as complete and accurate by the Plan trustee as of and for the years ended December 31, 2018 and 2017:

- (a) Investments managed by the trustee included in the statement of net assets available for benefits (modified-cash basis) and the cost and market value information included in the accompanying supplemental schedule of assets (held at end of year) (modified-cash basis);
- (b) Investment income included in the statement of changes in net assets available for benefits (modified-cash basis) consisting of net depreciation in fair value of investments, interest, and dividends.

INDEPENDENT AUDITORS' REPORT

The 401(k) Plan Advisory Committee
Wheeler Machinery Co.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Wheeler Machinery Co. Bargaining Unit 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits (modified-cash basis) as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits (modified-cash basis) for the years then ended and the notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by the Prudential Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian of the Plan as of and for the years ended December 31, 2018 and 2017, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets, Schedule 1, as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule referred to above.

As described in Note 2, the financial statements and supplemental schedule were prepared on a modified-cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with Department of Labor's Rule and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(1) PLAN DESCRIPTION

The Wheeler Machinery Co. Bargaining Unit 401(k) Plan (the Plan) is a deferred compensation plan for union employees of Wheeler Machinery Co. (the Company). Significant provisions of the Plan, including elective deferral contribution, eligibility, and vesting, are described below. Participants should refer to the Plan document for a more complete description of the provisions of the Plan.

(a) General

The Plan is a defined contribution plan, covering union employees under a collective bargaining agreement who have completed six months of service and are age 18 or older. Any participant who subsequently fails to perform a full year of service will be placed on inactive status. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants may elect to contribute up to 100 percent of their gross annual income into the Plan up to a maximum of \$18,500 and \$18,000 for the years ended December 31, 2018 and 2017, respectively, through contributions to the Plan. Participants age 50 and over may contribute an additional \$6,000 for the year ended December 31, 2018. The Company matches 100 percent of employee contributions limited to two percent of each employee's qualifying income.

(c) Vesting and Distribution of Benefits

Participant and Company contributions and earnings thereon vest immediately. Participants or, if applicable, their beneficiaries, shall be entitled to receive the amount in their accounts upon the earliest of the participants' retirement, death, separation from service, or disability. Participants may choose to have their account paid under one or more of the optional forms available under the Plan.

(d) Investment Options

Participants may direct contributions to any of the investment options as detailed in the accompanying schedule of assets held (Schedule 1).

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. A participant may have no more than one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at the rate of 5.25 to 7.25 percent.

(1) PLAN DESCRIPTION (CONTINUED)

(f) Allocation of Earnings

The net increase or decrease in the value of the Plan's assets attributable to interest, dividends, and changes in market value is allocated to the participants' accounts according to their percentage of total assets by fund.

(g) Plan Termination

Although it has not expressed any intent to do so, the Company may terminate the Plan subject to provisions of ERISA. In the event the Plan is terminated, participants would become entitled to the full amount of their respective accounts.

(f) Plan Amendments

Two amendments were made to the Plan and became effective as of April 1, 2018.

- The Participant Loan Policy was amended to indicate that no loan may be made to a participant sooner than six months after the outstanding loan balance of the prior loan has been repaid.
- The eligibility condition related to participation in the Plan was reduced from six months to two months.

These amendments had no significant effect on the net assets of the Plan either individually or in the aggregate.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Presentation

The accompanying financial statements have been prepared on the modified-cash basis of accounting. The modified-cash basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America under which asset additions and deletions are recognized based on cash receipts and disbursements, and investments are adjusted to fair value.

(b) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the term of the plan document.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value or its equivalent for which the fair value is not readily determinable. See Note 5 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

(d) Other Income and Other Costs

For the years ended December 31, 2018 and 2017, other income is comprised of investment fund management fees refunded to the Plan by Prudential. Other costs consist of certain administrative custodial fees, loan fees, and professional fees from independent consultants.

(e) Use of Estimates

The preparation of the financial statements in conformity with the modified-cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and disclosure of liabilities (contingent or otherwise) at the date of the financial statements and the reported amounts of additions and deletions during the reporting period. Actual results could differ from those estimates.

(f) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

(g) Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

(h) Subsequent Events

Subsequent events have been evaluated through July 25, 2019, the date the financial statements were available to be issued, and there were no matters that materially affect the carrying amounts of the net assets available for benefits as of December 31, 2018.

**WHEELER MACHINERY CO.
BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(3) RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Prudential Trust Company, the trustee of the Plan, and therefore qualify as party-in-interest. These party-in-interest transactions, as well as notes receivable from participants, are not considered prohibited transactions by statutory exemptions under ERISA regulations.

(4) TAX STATUS OF THE PLAN

The Plan uses a prototype plan document, which received an opinion letter from the IRS, dated March 31, 2008, stating that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS and the prototype has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

(5) FAIR VALUE OF INVESTMENTS

The Plan's investments are stated at fair value. Fair value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities;
- Level 2 - Quoted prices for identical or similar assets or liabilities in markets that are not considered to be active or identical or similar financial instruments for which all significant inputs are observable, either directly or indirectly; and
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

**WHEELER MACHINERY CO.
BARGAINING UNIT 401(k) PLAN**

Notes to Financial Statements

December 31, 2018 and 2017

(5) FAIR VALUE OF INVESTMENTS (CONTINUED)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. In periods of market inactivity, the observability of prices and inputs may be reduced for certain instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or from Level 2 to Level 3.

Total assets measured at Fair Value	<u>\$ 20,651,521</u>	<u>\$ 20,651,521</u>	<u>\$ -</u>	<u>\$ -</u>

(6) POOLED SEPARATE ACCOUNTS (PSA)

Investments in pooled separate accounts are valued at the net asset value of units held by the Plan at year end reflecting the closing price reported on the applicable active market on which the underlying investments in equity securities are traded. ASC 820 allows Net Asset Value (NAV) per share to serve as a practical expedient to estimate the fair value of a PSA as long as certain requirements are met. The Plan's PSA's meet those requirements. The PSA's can be redeemed at NAV on a daily basis. Unfunded commitments typically are found in private equity funds and therefore are not applicable to PSA's.

(7) GUARANTEED INCOME FUND

The Guaranteed Income Fund (GIF) is a group annuity product issued by Prudential Retirement Insurance and Annuity Company (PRIAC). Amounts contributed to the contract are deposited in PRIAC's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of PRIAC. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less

withdrawals and fees. The contract is affected directly between the Plan Sponsor and the issuer. The repayment of principal and interest credited to participants is a financial obligation to the issuer. Given these provisions, Prudential considers this contract to be fully benefit responsive. Therefore, contract value is the only required measure.

(8) INFORMATION CERTIFIED BY THE TRUSTEE

The following data have been certified as complete and accurate by the Plan trustee as of and for the years ended December 31, 2018 and 2017:

- (a) Investments managed by the trustee included in the statement of net assets available for benefits (modified-cash basis) and the cost and market value information included in the accompanying supplemental schedule of assets (held at end of year) (modified-cash basis);
- (b) Investment income included in the statement of changes in net assets available for benefits (modified-cash basis) consisting of net depreciation in fair value of investments, interest, and dividends.
