NOTE 1 - DESCRIPTION OF PLAN

The following description of the Black Diamond Electric 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a) General

The Plan is a defined contribution and profit sharing plan covering all full-time employees of Black Diamond Electric, Inc. and Rescue Electric, Inc. (the Companies) who have one year of service (defined as at least 1,000 hours of service within the first 12 consecutive months of hire) and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Collective bargaining employees are not eligible to participate unless eligibility is specifically provided for by such agreement. Participants are eligible for profit sharing contributions if they have completed one year of service (defined as 1,000 hours) and are employed by the Sponsor at the end of the Plan year. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

On April 13, 2018, Black Diamond Electric, Inc. transferred its field employees to Rescue Electric, Inc. as part of a company licensing re-structure. An amendment was issued as a result, which took effect April 1, 2018. During this process, the companies changed their Third-Party Administrator from California Retirement to Lincoln Trust. In addition, Lincoln Trust replaced John Handcock Life Insurance Company as the new custodian. See Note 12 for further details on the plan amendment.

b) Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies contribute a safe-harbor matching contribution equal to the sum of 100 percent of the participant's deferral up to 4 percent of compensation. In addition, the Companies may elect to make discretionary profit sharing contributions to the Plan. Participants direct the investment of matching Company and profit sharing contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

c) Participant accounts

Each participant's account is credited with the participant's contributions and Companies matching contributions, as well as allocations of the Companies' profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested immediately in the Companies' safe-harbor matching contribution plus actual earnings thereon. Vesting in the Companies' profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six continuous years of credited service. Employer vesting schedule for Plan participants is as follows:

End of year	Percentage
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

e) Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Payment terms of the loan are a maximum of 5 years. However, if used to purchase the participant's principal residence, the Plan administrator may permit a longer repayment term, not to exceed 15 years. The loan interest rate shall be charged at a rate to be fixed by the Plan administrator and, in determining the interest rate, the Plan administrator shall take into consideration interest rates currently being charged on similar commercial loans by person in the business of lending money. Principal and interest are paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

f) Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, annuity benefit payments (for certain eligible accounts with direct rollover provisions), or systematic withdrawals. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

g) Forfeited accounts

At December 31, 2018 and 2017, forfeited nonvested accounts totaled $2,505 and $10 respectively. In the event there are forfeited accounts, these accounts will be used to pay administrative expenses then reduce non-elective or employer matching contributions. Also, in 2018, no Plan related administrative expenses were reduced from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b) Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017.

e) Payment of benefits

Benefits are recorded when paid.

f) Expenses

Certain expenses of maintaining the Plan and significant investment management fees are paid by the Plan. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

g) Subsequent events

The Plan has evaluated subsequent events through October 8, 2019, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at the NAV of units of an insurance company's separate account. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Guaranteed interest account: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017.

Assets at Fair Value as of December 31, 2018

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,295,353	$	$	$ 3,295,353
Investments at fair value				$ 3,295,353

Assets at Fair Value as of December 31, 2017

	Level 1	Level 2	Level 3	Total
Guaranteed interest account	$	$ 50,938	$	$ 50,938
Investments measured at NAV [(a)]				2,915,423
Investments at fair value				$ 2,966,361

[(a)] In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

December 31, 2017	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$ 2,915,423	n/a	Daily	Daily

NOTE 4 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Lincoln Trust Company and John Hancock Life Insurance Company (U.S.A). Lincoln Trust Company and John Hancock Life Insurance Company (U.S.A.) are the qualifying institutions as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management services were $12,293.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Companies by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

See Independent Auditor's Report.

NOTE 6 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS/FTB. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net depreciation in fair value of investments, interest, and dividends for the year ended December 31, 2018, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) and Lincoln Trust (the qualifying institutions of the Plan) (Note 11).

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The December 31, 2018, Form 5500 was prepared under the accrual basis of accounting and, thus, the asset and liability amounts reported on Form 5500, as well as the net changes in Plan assets, are in agreement in total with the amounts included in the accompanying financial statements. There are classification differences between the December 31, 2018, financial statements and Form 5500, but due to the fact that the totals agree, a reconciliation to Form 5500 has not been prepared.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The December 31, 2017, Form 5500 was prepared under the accrual basis of accounting and, thus, the asset and liability amounts reported on Form 5500 are in agreement with the amounts included in the accompanying financial statements. There are classification differences between the December 31, 2017, financial statements and Form 5500, but due to the fact that the totals agree, a reconciliation to Form 5500 has not been prepared.

NOTE 10 - CHANGES TO FUND OPTIONS

As of April 13, 2018, the Plan switched custodians from John Hancock Life Insurance Company (U.S.A.) to Lincoln Trust and therefore the fund options changed.

NOTE 11 - CHANGE IN QUALIFYING INSTITUTION

From January 1, 2018 to April 13, 2018, the Company used John Hancock Life Insurance Company (U.S.A) as its qualifying institution that held the assets of the Plan. Effective April 13, 2018, the Companies transferred all investments and switched to Lincoln Trust as its qualifying institution.

NOTE 12 - PLAN AMENDMENTS

Effective April 1, 2018, the Plan was amended to include the following changes:

Age of Eligibility: The plan revised the age requirement to become eligible to 18 years of age instead of 21.

Entry Dates: *The Plan c*hanged from two entry dates, January 1 and July 1 of each year following an employee's eligibility date to the first day of the month following an employee's eligibility date.

Definition of Compensation: Previously defined as total compensation subject to income tax and paid to the employee by the Company during the year, including cafeteria plan, is now defined as all box one Form W2 wages.

See Independent Auditor's Report.

NOTE 12 - PLAN AMENDMENTS (Continued)

Interest Rate on Loans: Prior to the amendment, the interest on the loan was prime rate at the time of the issuance. For the new plan document, interest shall be charged at a rate to be fixed by the Plan administrator and, in determining the interest rate, the Plan administrator shall take into consideration interest rates currently being charged on similar commercial loans by persons in the business of lending money. It has been determined that an interest rate of prime + 1% is reasonable.

Effective June 1, 2018, the Plan was amended to include Rescue Electric and its related employees as part of the Plan.

See Independent Auditor's Report.
