We have audited the accompanying financial statements of Munich RE U.S. Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Vanguard Fiduciary Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the agent on behalf of the trustee as of December 31, 2018 and 2017, and for the year then ended, that the information provided to the plan administrator by the agent for the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2018 is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting

and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the agent on behalf of the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

(1) Description of Plan

The following description of the Munich Re U.S. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a participant directed, defined contribution plan for which Munich Reinsurance America, Inc. is the plan sponsor and plan administrator, as those terms are defined in the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is available to all eligible employees of Munich Reinsurance America, Inc. (the Company), and participating affiliated companies who have one month of service, as defined, and are age 18 or older. The Plan is subject to the provisions of ERISA. The Plan's assets are administered by the Company and the trustee, Vanguard Fiduciary Trust Company (Vanguard).

(b) Employee Eligibility and Contributions

Plan participants may elect to make pre-tax and/or Roth (after-tax) contributions of up to 50% of annual base salary, as defined in the Plan's provisions. The maximum amount of deferral contributions that may be made each plan year is set by the Internal Revenue Service (IRS) and was \$18,500 for 2018 and \$18,000 for 2017.

The Company and affiliated companies (the Employer(s)) make matching contributions of up to 100% of the participant's contributions, up to 5% of compensation for each pay period, as defined in the Plan's provisions. The Employers make additional age-weighted contributions ranging from 2.0% to 8.0% of eligible compensation. The amount of the contribution is based on a percentage of an employee's base pay and eligible bonuses. For employees hired before July 1, 2017, these additional employer contributions began one month after employment began. For employees hired on or after July 1, 2017, additional employer contributions begin one year after employment begins.

All employees who are otherwise eligible to make deferral contributions, and who have attained age 50 before the close of the Plan year, are eligible to make catch-up contributions as defined by the Plan and certain IRS regulations.

Participants may elect to have contributions invested in any of the investment options offered by the Plan. Participants may change their investment selections and the investment of current contributions at any time.

The Employers may on occasion make additional contributions to the Plan in order to pass non-discrimination or other testing of the Plan or any other permissively aggregated plan.

(c) Participants' Accounts

The participant record keeping services are provided by Vanguard. Each participant's account is credited with the participant's contribution, the Employer's contributions, and an allocation of investment fund earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

(d) Vesting

Participants are immediately 100% vested in their contributions and the Employer's matching contributions and earnings or losses thereon. Participants are vested in the additional age-weighted contributions made after having three years of service.

Any Employer contributions forfeited may be used to reduce future Employer contributions after meeting break-in-service requirements. The amount of forfeitures used to reduce employer contributions in 2018 and 2017 were \$990,315 and \$439,108 respectively. The amount of unused forfeitures available to offset future contributions were \$261,168 and \$562,625 at December 31, 2018 and 2017, respectively.

(e) Notes Receivable from Participants

Plan participants may borrow from their fund accounts up to the lesser of 50% of their vested account balance, excluding employer age-weighted contributions, or \$50,000, reduced by the highest outstanding balance of the participant's loans, as calculated per the Plan. Loan terms range from one to five years for general-purpose loans or up to 20 years for the purchase of a primary residence. Certain home loans of up to 30 years were rolled over from one Employer's previous plan. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime interest rate on the last business day of the month prior to the month in which the loan is taken. Principal and interest are paid ratably through payroll deductions. Defaulted loans are charged against the participant's account as a taxable withdrawal. The interest rates on the participant loans at December 31, 2018 and 2017 ranged from 3.25% to 10.5%. Participants may have up to one general-purpose loan outstanding and one primary residence loan outstanding at any time. Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest, which approximates fair value.

(f) Payment of Benefits

Upon termination of service due to retirement, disability, or other severance of employment, participants receive a lump sum amount equal to the value of their account. Participants whose total account value exceeds \$1,000 may elect to defer distribution as permitted by regulations.

A participant may also take a withdrawal due to a hardship. Amounts available for a hardship withdrawal consist of all or part of the participants deferral contributions (excluding earnings) made to the Plan. Hardship generally means the participant has no other sources of funds available.

(g) Administrative Expenses

Beginning in 2018, Plan participants pay a fee of \$56 per annum for recordkeeping and information management services. Recordkeeping fees were previously included in the funds' expense ratios and reflected in investment income. Participants may also receive investment management or advisory services from Vanguard for which an additional fee is paid.

Fund management and operating expenses are paid from mutual fund and trust investments and are included in the funds' expense ratios and reflected in investment income. Other expenses of administering the Plan are paid by the Company.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

(h) Plan Transfer

In 2018 one of the participating affiliated companies was bought out. As a result, participant investments of \$849,103 and notes receivable of \$94,822 were voluntarily, per participants' direction, transferred from the Plan and rolled over to the participants' new plan. Participants also had the option of leaving their accounts in the Plan post-buyout.

(i) Subsequent Events

There were no subsequent events requiring adjustment to the financial statements or disclosure through October 7, 2019, the date that the Plan's financial statements were available to be issued.

(2) Summary of Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on an accrual basis of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP).

(b) Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates and assumptions.

(c) Payment of Benefits

Benefit payments are recorded upon distribution.

(d) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. All shares of registered investment companies (mutual funds) are valued at quoted market prices. Shares of a common and collective trust are stated at fair value, which represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan and are valued at quoted market price. Cash equivalents are recorded at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(e) Application of New Accounting Standards

All recently issued but not yet effective accounting and reporting standards are either not applicable to the Plan or are not expected to have an impact on the Plan.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

(3) Fair Value Measurements

The fair value hierarchy established by, U.S. GAAP, prioritizes valuation technique inputs to measure fair value into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. Investments recorded at fair value are categorized as follows:

Level 1 – Unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date. A market is considered active if: (i) pricing information is obtained from exchange traded securities, (ii) the securities are actively traded, and (iii) current pricing is available. The Plan's investments in actively traded mutual funds are measured using Level 1 valuations.

Level 2 - Unadjusted quoted prices for similar assets or liabilities in active markets or inputs, other than quoted prices, that are observable or that are derived principally from, or corroborated by, observable market data through correlation or other means. The Plan holds no investments measured using Level 2 valuations.

Level 3 - Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. The Plan holds no investments measured using Level 3 valuations.

See note 2(d) for further information regarding the Plan's investment valuations. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017, and there were no transfers between levels during the periods then ended.

(5) Risks and Uncertainties

The Plan invests in a number of investment securities consisting of a variety of mutual funds and a common and collective trusts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect that changes in the values of investment securities will occur in the near term and that such changes could materially affect the statements of net assets available for plan benefits and participant account balances.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across 27 participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

(6) Tax Status

The IRS has determined that the Plan and related trust, as designed, are in compliance with applicable requirements of the Internal Revenue Code (IRC), and therefore, is exempt from taxes.

The Company is deemed to be part of a controlled group as defined by Section 414 of the IRC. In order for the Plan to continue to qualify under Section 401 of the IRC, the Plan must meet certain compliance requirements. As of and for the years ended December 31, 2018 and 2017, management believes that the Plan is in compliance with such requirements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or derecognize an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon an examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or de-recognition of an asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related Party Transactions (Parties in Interest)

Certain Plan investments including cash equivalents, common and collective trusts and shares of mutual funds were managed by the trustee during 2018 and 2017. Transactions of these investments qualify as party in interest transactions as defined by ERISA.

(8) Plan Termination

Although the Company has not expressed any intention to terminate the Plan, the Company has the right under the Plan to do so subject to the provisions of ERISA. In the event of Plan termination, or partial termination, benefits would be payable under the terms of the Plan to all participants based on their fully vested account balances.
